

Oh drat!
I have lost my
cat-in-the hat hat!
Mine had rectangular
stripes.
Yipes! What are these?

Color the shapes. As you color, say the name of the shape. Count how many of that shape are on the cat's hat, and write the number on that hat page. Cut out your pages and staple them to your cat-in-the-hat hat picture.

**Zip, zap, zat!
How about that!
You have found my
cat-in-the-hat hat!**

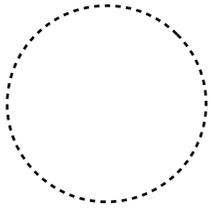

Color the shapes. As you color, say the name of the shape. Count how many of that shape are on the cat's hat, and write the number on that hat page. Cut out your pages and staple them to your cat-in-the-hat hat picture.

The mixed up Cat in the Hat hat, has the wrong shapes on it.
The Cat's hat should not have circles on it.

circle

trace

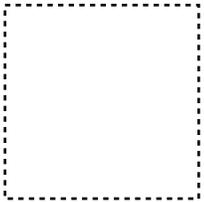

draw

How many circles are on that hat?

Count and write the number and number word.

The Cat's hat should not have squares on it.

square

trace

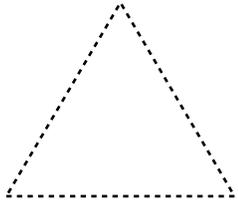

draw

How many squares are on that hat?

Count and write the number and number word.

The Cat's hat should not have triangles on it.

triangle

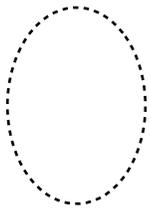

trace

draw

How many triangles are on that hat?

The Cat's hat should not have ovals on it.

oval

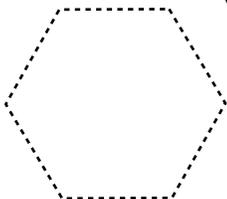

trace

draw

How many ovals are on that hat?

The Cat's hat should not have hexagons on it.

hexagon

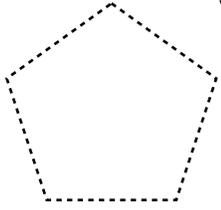

trace

draw

How many hexagons are on that hat?

The Cat's hat should not have pentagons on it.

pentagon

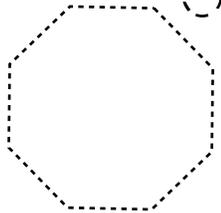

trace

draw

How many pentagons are on that hat?

The Cat's hat should not have octagons on it.

octagons

trace

draw

How many octagons are on that hat?
