PRE-K - 2ND GRADE

Dear New Friend,

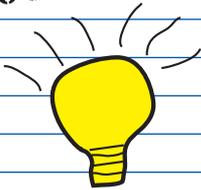

Budget cut? You're in a rut...
Teach with me. Come teach with me!

You need a lesson plan,
For kids with no attention span.

You need a craft or piece of art,
That nails the standards and makes kids smart.

○ You have a sub because you're sick.
You need a lesson, and you need it quick!

WELL OVER 1,000 IDEAS

You're a brand new grad,
Overwhelmed and sad.

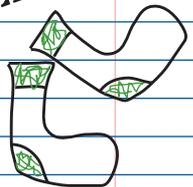

You're tired of the same old stuff,
The lesson's boring or really tough.

You want ideas that make kids flip.
You'd like a helpful teaching tip.

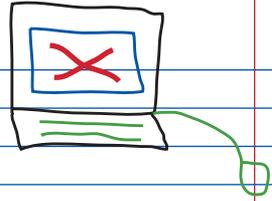

You need to strike a cord
And want an easy bulletin board.

You desire to make learning fun
And have no time to get it done!

KNOCK-YOUR- SOCKS-OFF WEBSITE

You've wasted hours on the net
And really haven't found it yet!

You need ideas that are really cheap,
Things that parents want to keep.
I'll help you sow, so you can reap.

Something different like a magic trick!
Lots of variety, just take your pick.

Skill sheets, booklets, & crafts galore,
Standard-based ideas and so much more!
Teach with me. Come teach with me!

You can't find it anywhere,
You need someone who'll guide & share.
I can help! I really care!

Explore my site.
It's all there!
