Cut Out Sliders. Insert Into Slider Black Cat Slits

Students can color the shapes

Slits to review numbers, letters & shapes.

For the alpha bet Slider Glue 2nd Strip "J" under "I" & 3rd strip "U" under "T". To Avoid accidentally pulling out Strips You can glue a longer strip of paper on the end & then simply fold the tabs in to pull the strip out to change to another slider.

Black Cat Info-Strip Slider

Materials:

- Construction paper
- Scissors
- Glue sticks (If you want to back with construction paper)

Directions:

Prep:

- Run off master.
- Pre-cut slider strips
- Pre-cut slits in slider shape

The next day...

1. Children CUT out their slider shape. (You can mount it on a complimentary colored sheet of construction paper for more durability.)
2. Students WRITE their name on the BACK of their slider shape.
3. Children insert slider strip from the back to the front. Teacher decides what slider students will be working on. (ABC, 123, Shapes)
4. As a whole group, we use the manipulative to review the information on the slider.
5. I encourage the children to do it again for their parents and include a note about the slider in my newsletter.
6. I ask parents to ask their child to share their slider with them. It helps reinforce lessons, builds self-esteem, and shows their child that they care about what they are learning in school.
7. Since we have a slider for each theme, they make a nice collection. My students love collecting them.
8. Sliders are a nice quick and easy art project that nails and reviews several report card standards in a fun way. It's a great fine motor skill as well.
9. After my students are done with their slider, they clean up their work station, leave their slider at the table and transition to a Tummy Tubby Time activity. When everyone is done, they get their slider and sit on our *Circle of Friends* carpet.
10. Depending on time, we insert 1 or 2 sliders and review the material as a whole group. I'll have them put the shortest shape slider strip in, take the other sliders back to their desk, and we'll review body parts (put your slider on your elbow, knee, wrist etc.), then we'll use it for spatial directions; (put your slider on, behind, above, beside you.) We'll finish up with the *Slider Pokey* and finally "Blast Off" counting from 10-0 and then go put our sliders in our backpacks. 😊

October Writing Prompts

1. You are in charge of the Halloween Costume Party. From invitations to where you are going to have it, to decorations and food and entertainment I want details!
2. Your group is raising money for a worthy cause. They put you in charge of making a haunted house for people to walk through. A local man is letting you use his empty mansion. Go for it! Tell me what the entrance looks like, the displays inside; take me on a walk through. How will you advertise and get people there?
3. It's a Harvest Ho Down and you're in charge of the Barn Yard fun including a hay ride with refreshments. Details please.
4. You and your friends are walking home after studying late. You're going past the graveyard when you hear a blood curdling scream coming from inside the gates. What do you do?
5. There are 3 black cats on the prowl in the alley. Why are they there? Who do they belong to?
6. You and some friends decide to go "spelunking". Instead of treasure, you find 100's of bats in the cave! What's happening?
7. Your grandmother asks you to clean the attic. You open a closet door and find a trap door, when you lift the lid, the bottom falls out and you go down a slide into the.... _____
8. You're camping and find that your tent is filled with spiders! How'd they get there and what are you doing about it?
9. Pretend you're a fly and you're caught in a spider's web? Will you escape?
10. You and your friends decide to go trick or treating together. They dare you to go with them to the "haunted mansion". When you ring the doorbell it gongs and a _____ answers the door dripping with _____. It grabs all of you and.....

Cat Got Your Tongue? At Family Cat

Materials:

- 9x12 sheet of black construction paper
- 9x12 sheet of light pink construction paper
- scraps of green, yellow, purple & hot pink construction paper.
- Black marker
- Scissors
- Glue stick
- White crayon

Directions:

1. Cut out a 6 inch black circle (face), a 4x3 inch black rectangle (neck) & a two 2 ½ x 3 inch black triangles (ears)
2. Glue the neck and ears to the cat face.
3. Cut out two 1 ½ inch green squares & 2 1 ¼ yellow triangles, and two 1 inch black circles (eyes) and one 1 inch purple oval (nose).
4. Glue the eyes & nose to the face.
5. Cut out 2 light pink strips the width of a ruler. Round the edge of one end and snip off. This will be the tip of the tongue.
6. Draw and cut out a hot pink smile. Cut in half.
7. Glue on either side of the face, leaving a gap big enough for the “tongue” to slide through.
8. Glue the two pink strips together.
9. Cut a slit above and below the middle of the smile. Insert the pink strip so that it pulls through the back and the pink shows through the front as a square.
10. Glue the rounded edge of the tongue to the bottom of the “square” so it looks like a “whole tongue”. Curl the end of the tongue with a pencil so that it is 3-dimensional.
11. Cut a small strip of pink paper and glue to the top and bottom of the long strip of paper to act as a “stopper”.
12. Using a marker write **at** on the right-side of the smile. Pull the pink strip of paper all the way down and write b, c, e, f, h, m, p, r, s, t, v, wh, th
13. Add white crayon details to the eyes and ears.

Shape Kitties

Materials:

- Black Construction Paper
- Scraps of white, pink, green and yellow construction paper.
- Glue stick
- Scissors
- Stapler
- Optional: Ribbon for a bow

Directions:

1. Ahead of time, give students a choice of what kind of shape kitty they want to make, then run off copies of those pieces. Children can either trace and cut or you can run off masters on construction paper on a Duplo machine so all they have to do is cut them out.
2. Children cut out the pieces and glue them to their kitty.
3. Children accordion fold the whiskers, you join them together and staple them to their cat face.
4. Write their name on the cat's neck.
5. Tie a bow from ribbon and staple it at an angle on its neck.
6. Can punch a hole at the top and hang back-to-back from the ceiling or staple to a b. board for howling great work.
