Apples can be
yellow, red or green.
These are the prettiest apples
you've ever seen!

Small Medium and Large

Small Medium and Large

See how they grow

See how they grow

They grow in an orchard in the fall

We pick them and eat them it's really keen

They're yellow, red and even green

Apples, apples, apples.

Apples, apples, apples!

Leaf

Stem

I'm unique! I'm
"Thumb-body"
Special!

Diane

Put a pile of Green 1st - Then glue stick the leaf
Put the tiny piece. Then do the stem, then
yellow or Green apple.
