

Shape Spinner

- Print, trim, glue to a piece of construction paper, trim, laminate.
- Using a protractor, poke a hole in the center.
- Using a brass brad, attach a large paperclip to the center.
- Children choose a partner and take turns spinning the shape spinner.
- Whatever shape they land on, they color that shape with that color on their turkey.
- The first one to complete their Strut Your Shape Stuff Turkey is the winner.

Shaping Up The Turkey

cTeachWithMe.com

Choose a partner.

Take turns spinning. Whatever shape you land on, color that shape on the turkey the matching color. The 1st one to color all of their turkey feathers is the winner.
