Coins that make it:

Your students can simply write in the coin values, or you can run these coin sheets off so they can get some cutting practice in. They cut out the appropriate coins and glue them on their worksheet.

0	1	2	3	4	5
6	7	8	9	10	11
12	13	14	15	16	17
18	19	20	21	22	23
24	25	26	27	28	29
30	31	32	33	34	35
36	37	38	39	40	41
