	8	eight

Run off and demonstrate what you want your students to do.

To practice patterning, students can use two colors to dot the 10 frames.

They can simply make X's, use a mini-bingo dauber, stickers, or draw a different shape on each page.

Students trim the pages by cutting them in half, then stapling together to make a booklet.

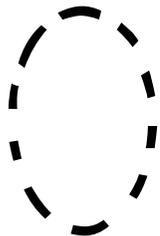

Children complete however many pages you want them to do.

Thank you so much for buying this product.

I truly hope you'll love this item & that it will make your life easier & teaching more fun!

To my loyal followers: I promise to post at least one FREEBIE each month that will hopefully knock-your-socks-off.

Please take a moment to leave feedback to earn valuable points, which equal money for future TPT purchases! Woo hoo.

If for any reason you're unhappy, please email me at:
dianetpt@gmail.com

Blessings,

Diane
