

# Make Me Smile!

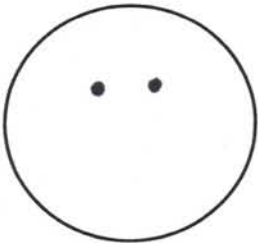

Your paper is ready to hand in,  
if you can give it a smile face!

I began with a capital  
letter & I ended with  
a punctuation mark.

I have spaces between  
my words.

I've used good descriptive  
& action words & spelled  
them correctly.

I wrote neatly,  
proofread & gave my  
best effort.

My name is on my  
paper.
