

# The Seasons Of My Tree By Diane

©TeachWithMe.com

The season on my tree is winter. It doesn't have any leaves. You can see snowflakes.

winter winter  
snowflakes snowflakes

The season on my tree is spring. It has blossoms. You can see flowers.

spring spring  
flowers flowers

The season on my tree is summer. It has lots of green leaves. You can see the sun shining.

summer summer  
green leaves green leaves

The season on my tree is autumn. It has yellow, red, orange and brown leaves. You can see the leaves falling.

falling falling

My favorite kind of tree would have

money on it.

It would grow during the

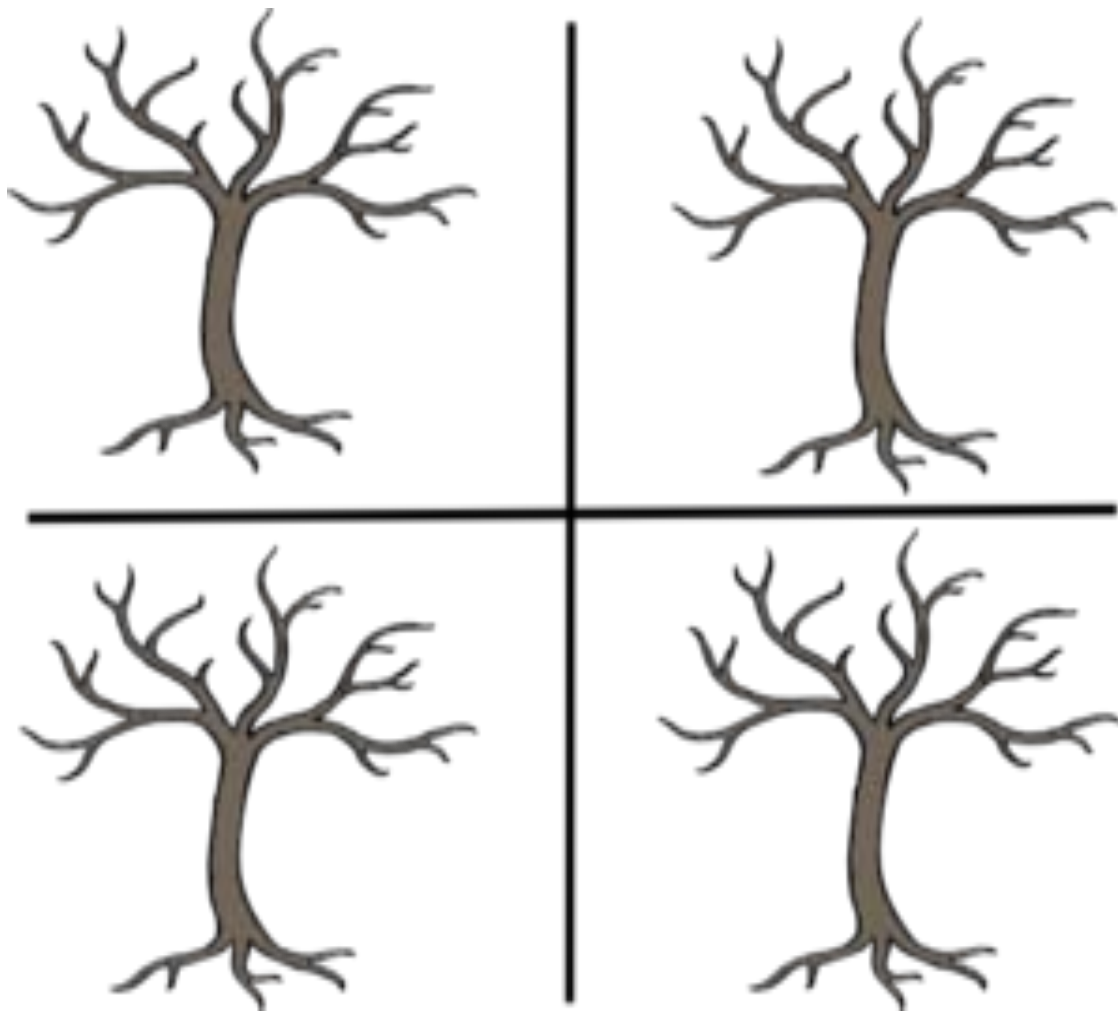

summer season.
