106. Within reason you get to request that the teacher do something.  
i.e. sing a song, do 5 jumping jacks, a cartwheel, wear her hair in pigtails etc. If the teacher is a sports fan of another team, they have to wear a T-shirt of the opposing team that they hate. i.e. one of our male teachers went to Michigan State so Michigan is his rival. He always makes bets with his class if they do this task and win, he'll wear a blue and gold "Go Michigan" T- shirt instead of his usual green "Go State Spartans". The kids LOVE it and take up the challenge, simple, but very effective.

If you think of any more, please let me know and I'll add them to the list.
