

Run off on orange construction paper.

Students cut out and fold on the dashed lines to make a "carrot" that opens.

They can write a spring or Easter message inside, and give their carrot as a card, or they can write 14K or 25K word wall words, spelling words etc. inside, and use it as a study-guide bookmark. When they know those words you can put a 14K gold star on the front.

Glue to the back of the Carrot..

6 Carrot tops

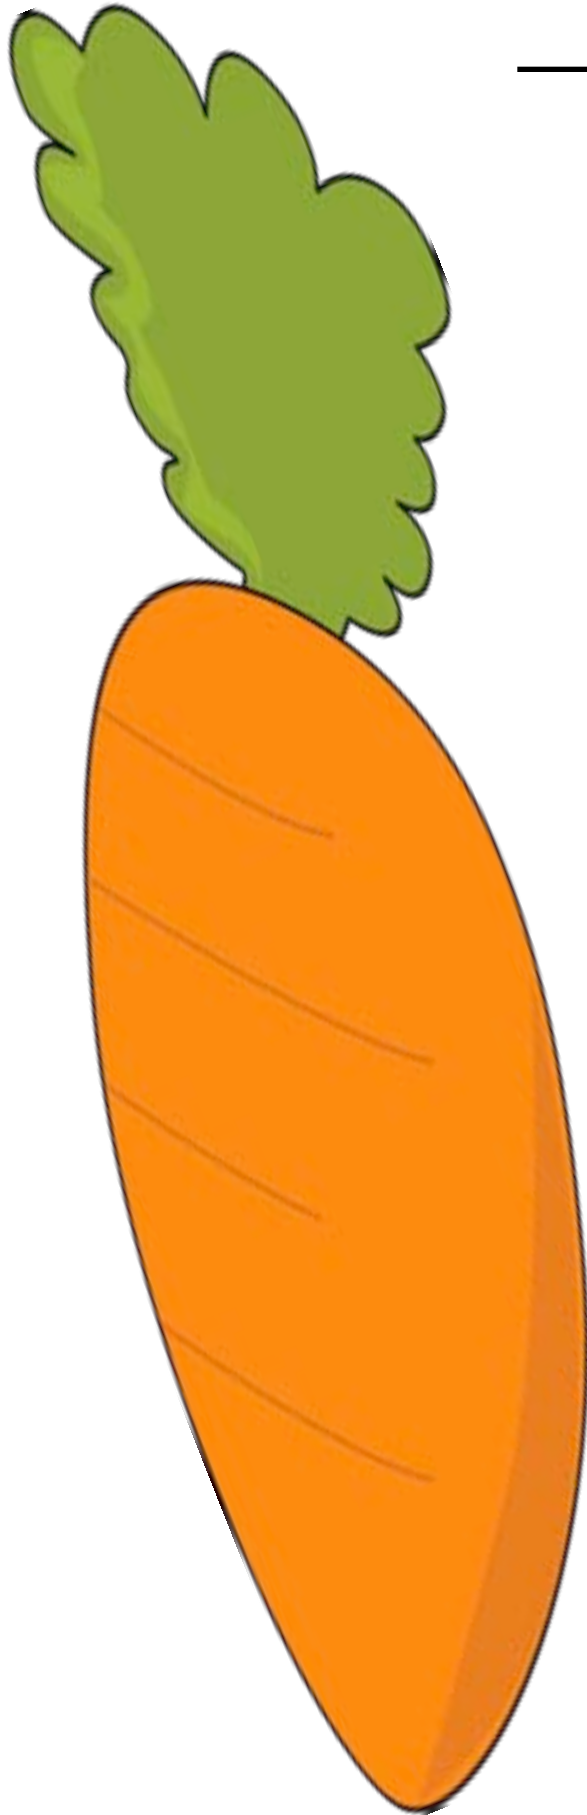

Run Off on green Construction

Paper. Students cut on lines to fringe.

Do You Like Carrots?

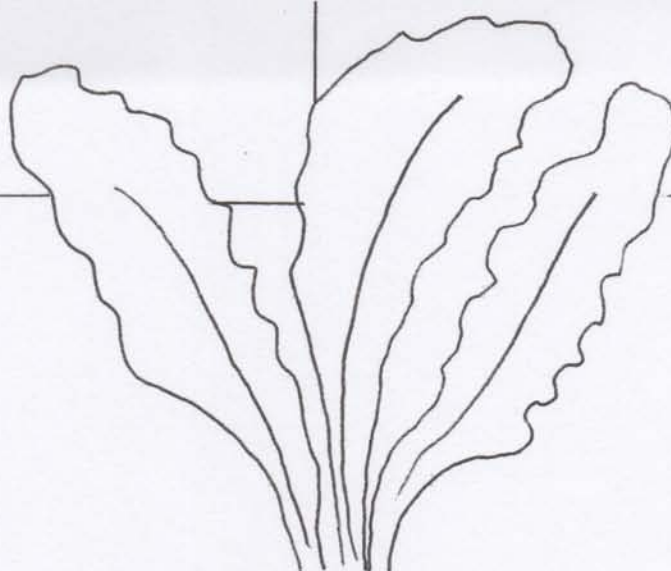

Yes!

No!

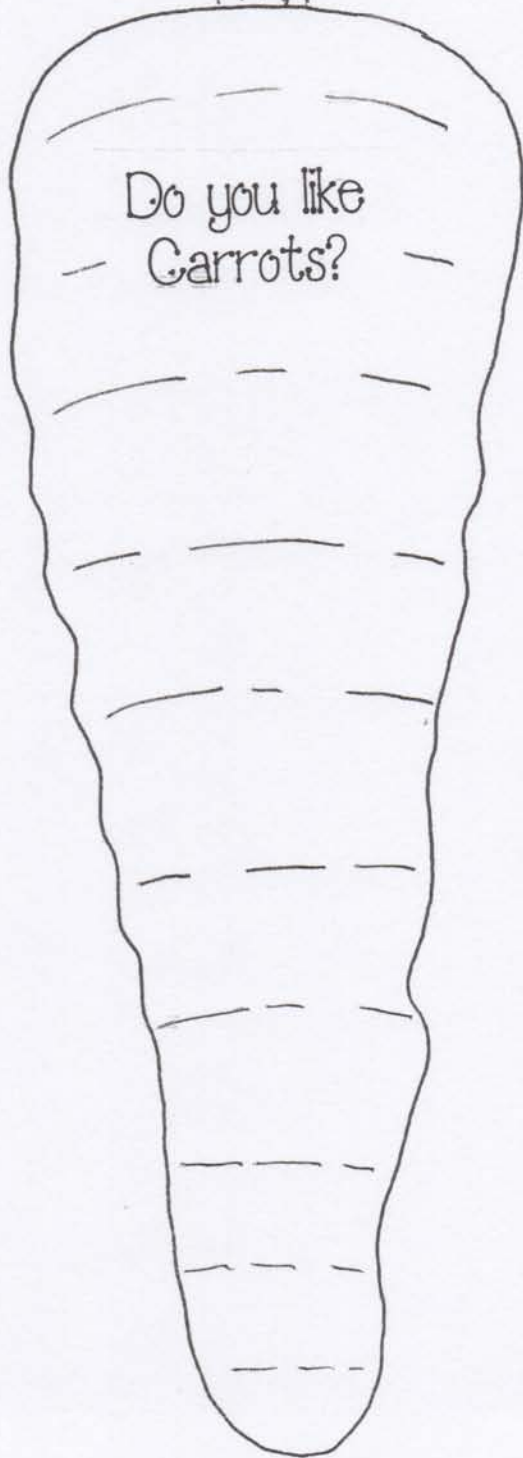

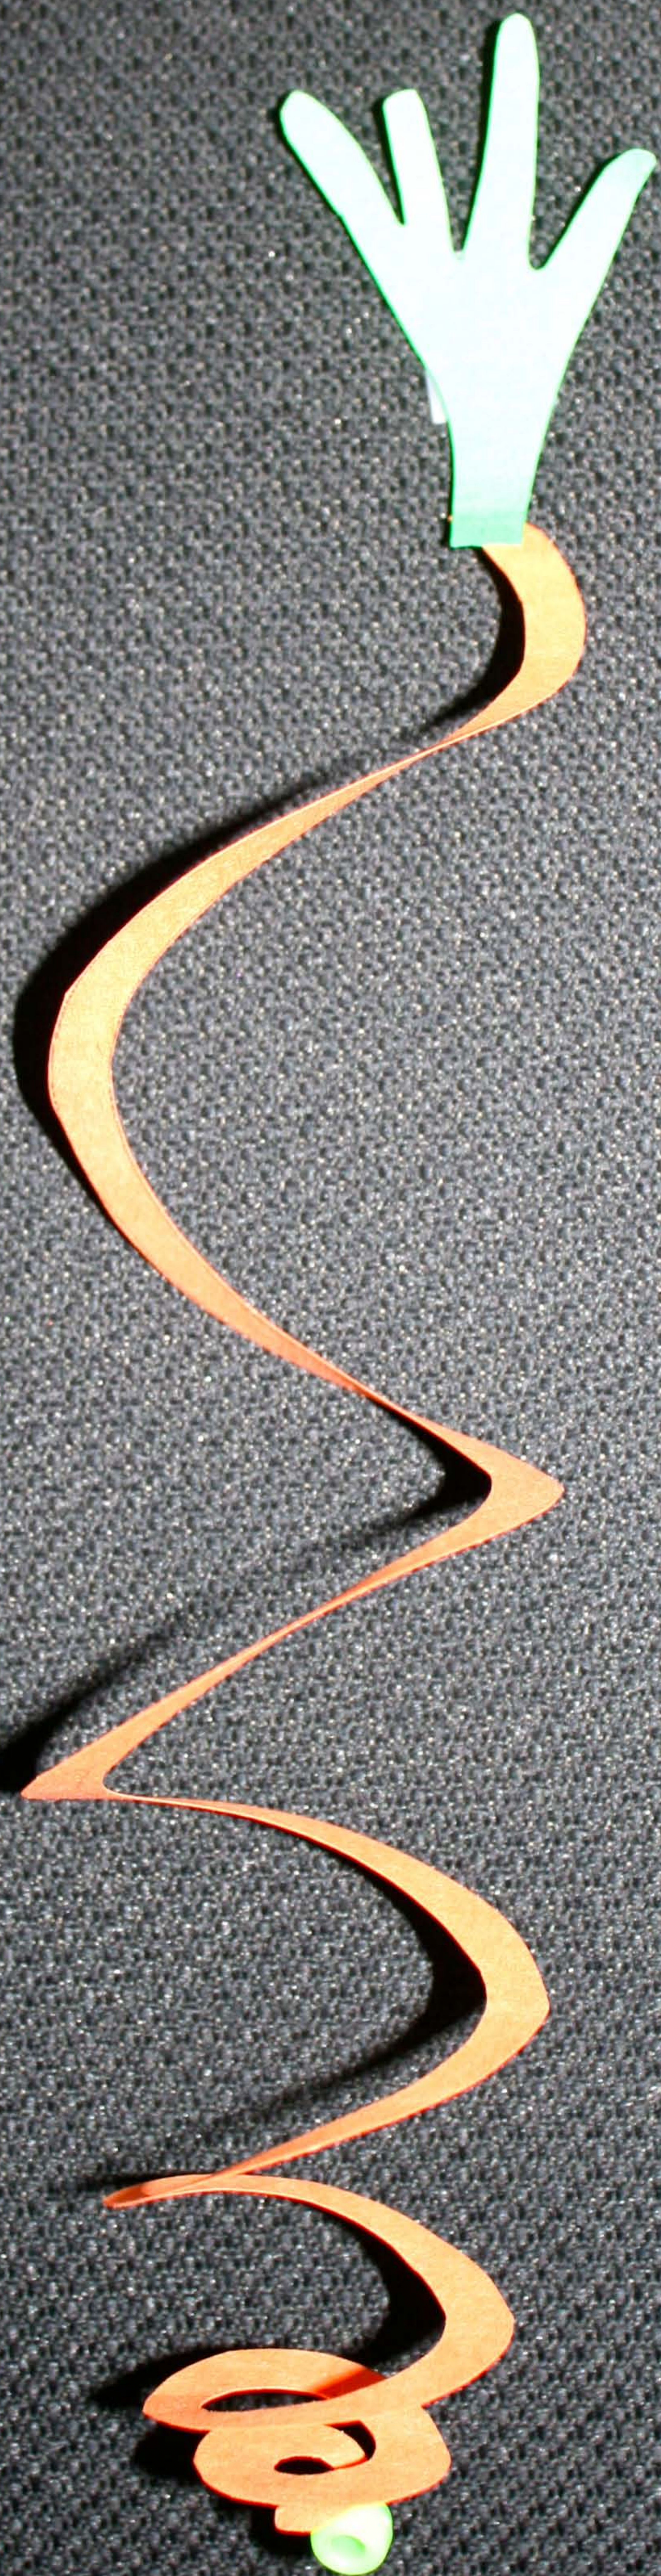

Yes!

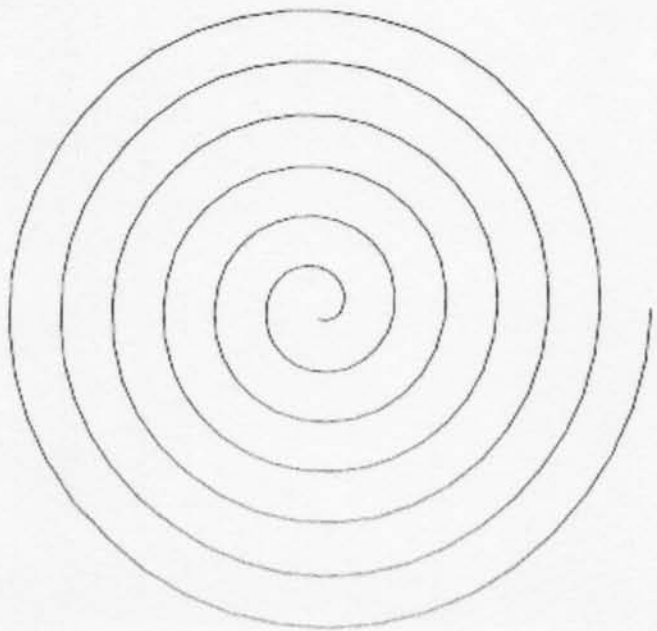

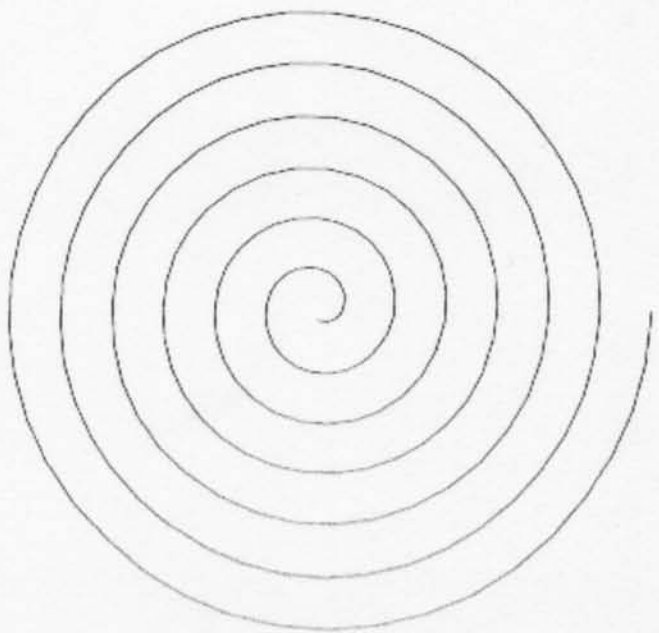

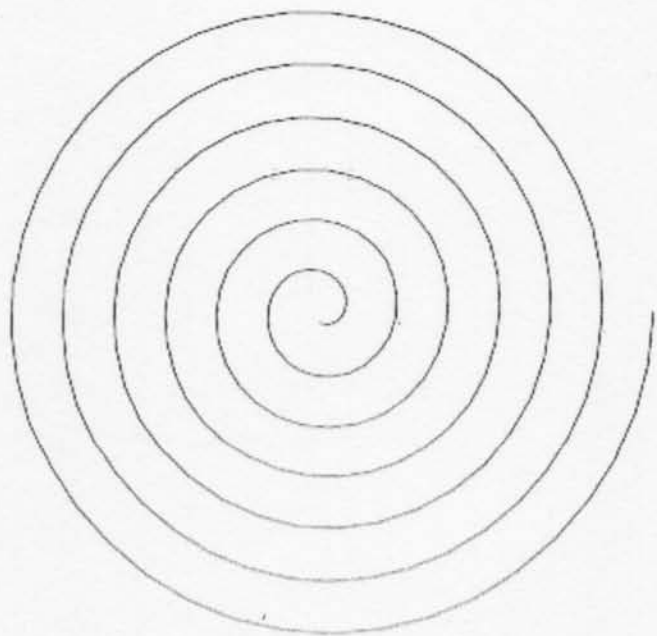

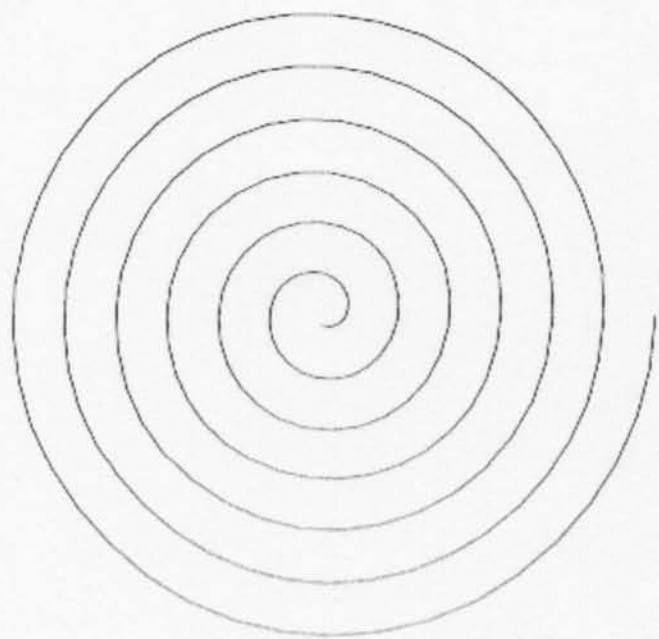

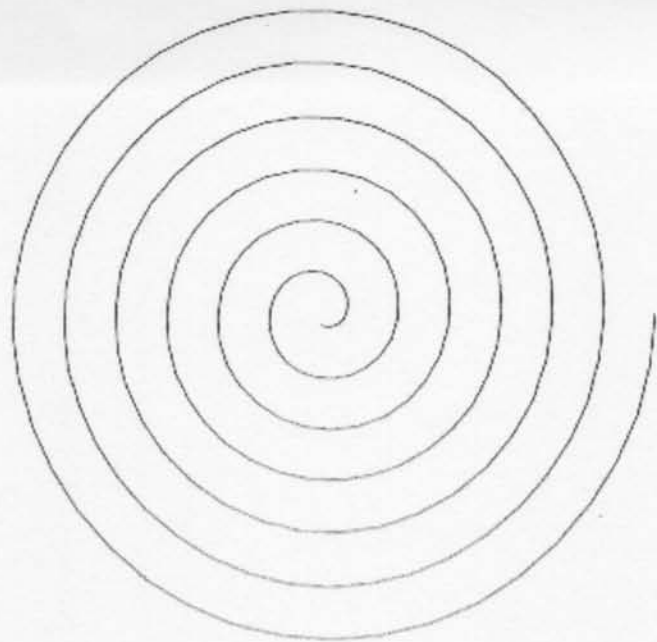

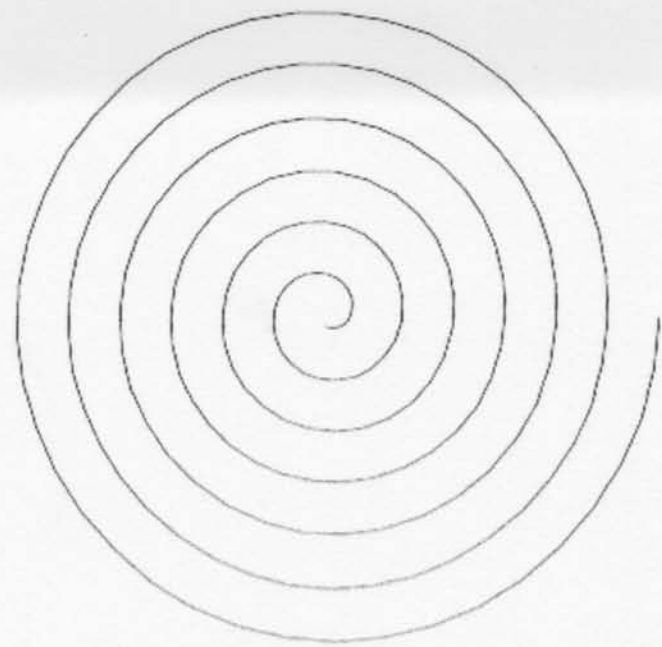

No!
