

Puzzle Packet

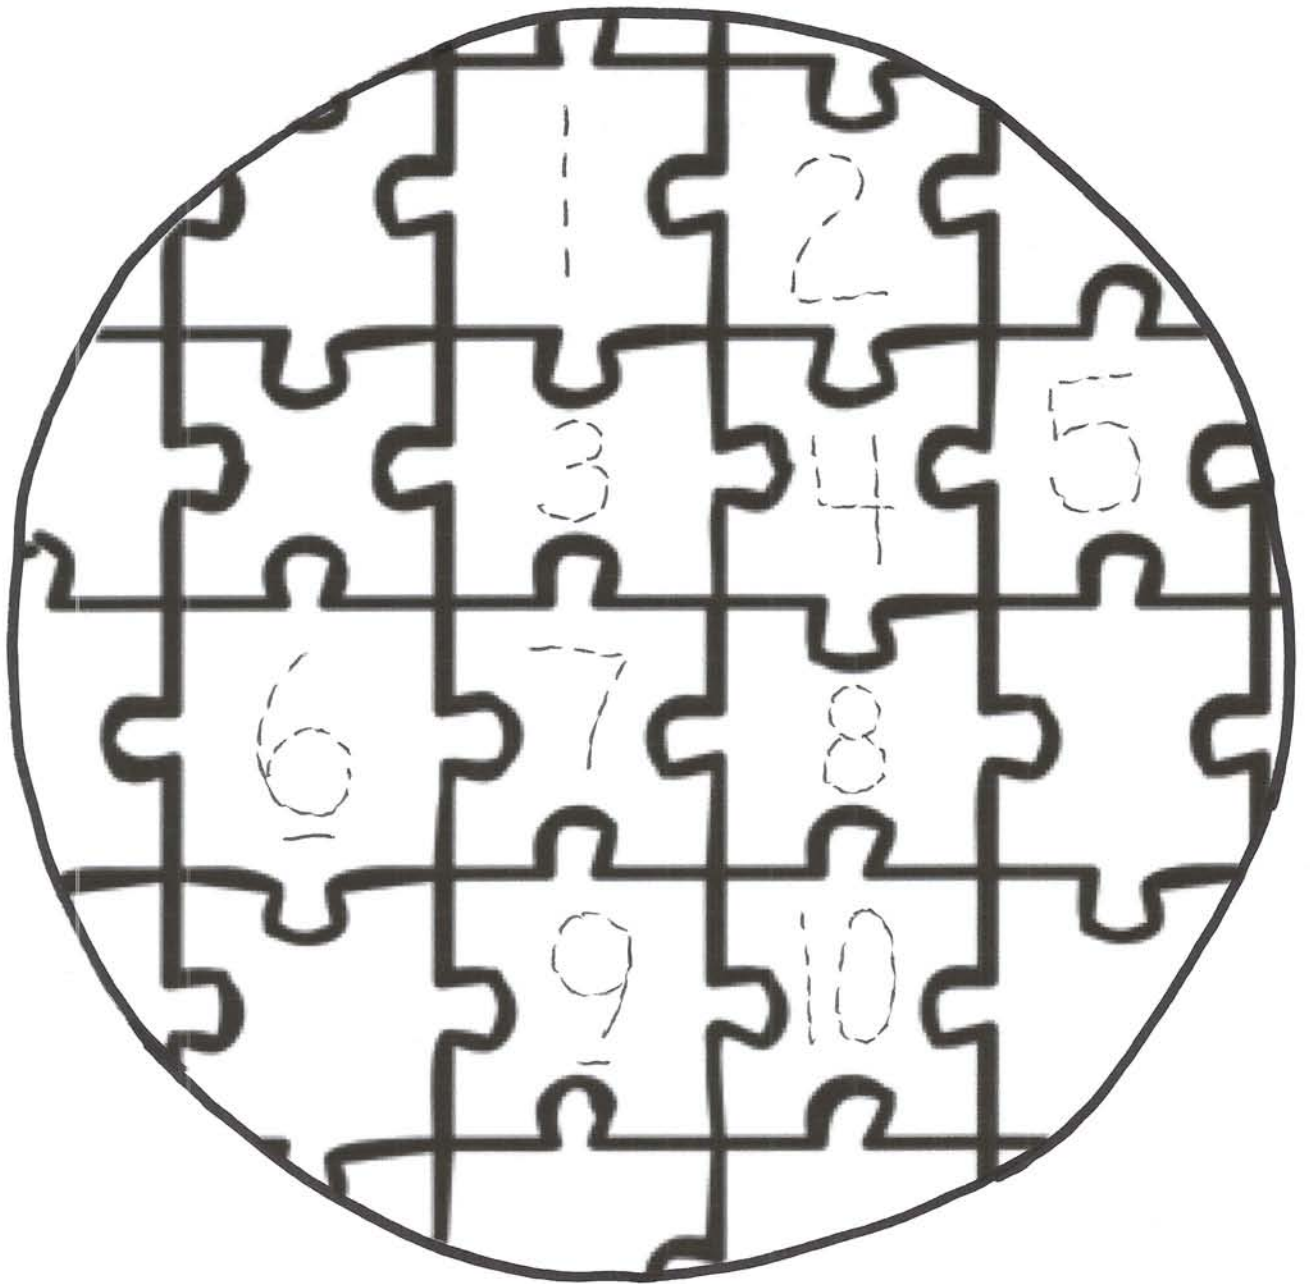

©TeachWithMe.com

Welcome to the group. You're special and really fit in!

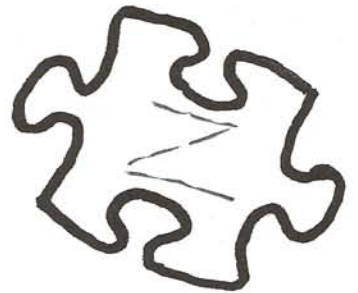

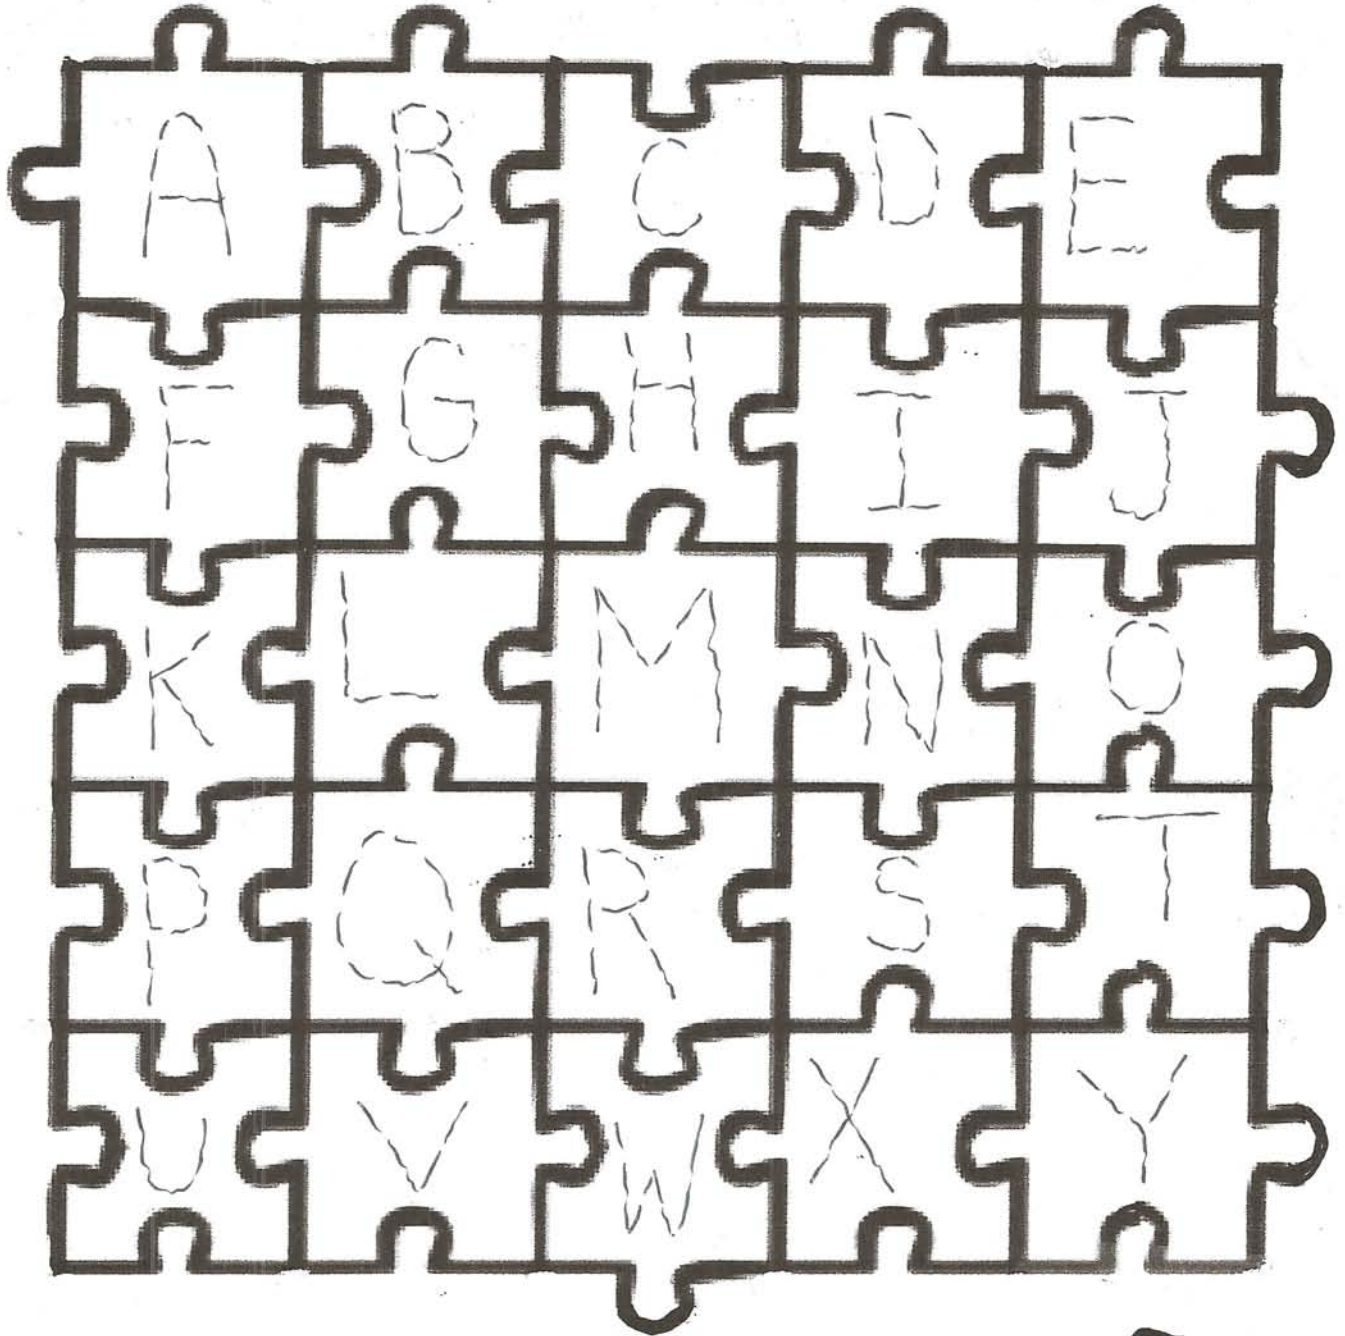

Find your name on the puzzle and color in that piece using your favorite color crayon.

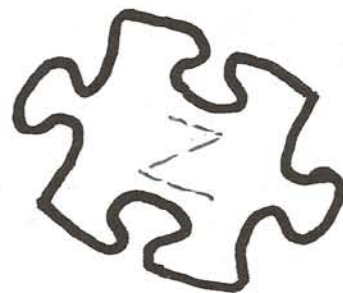

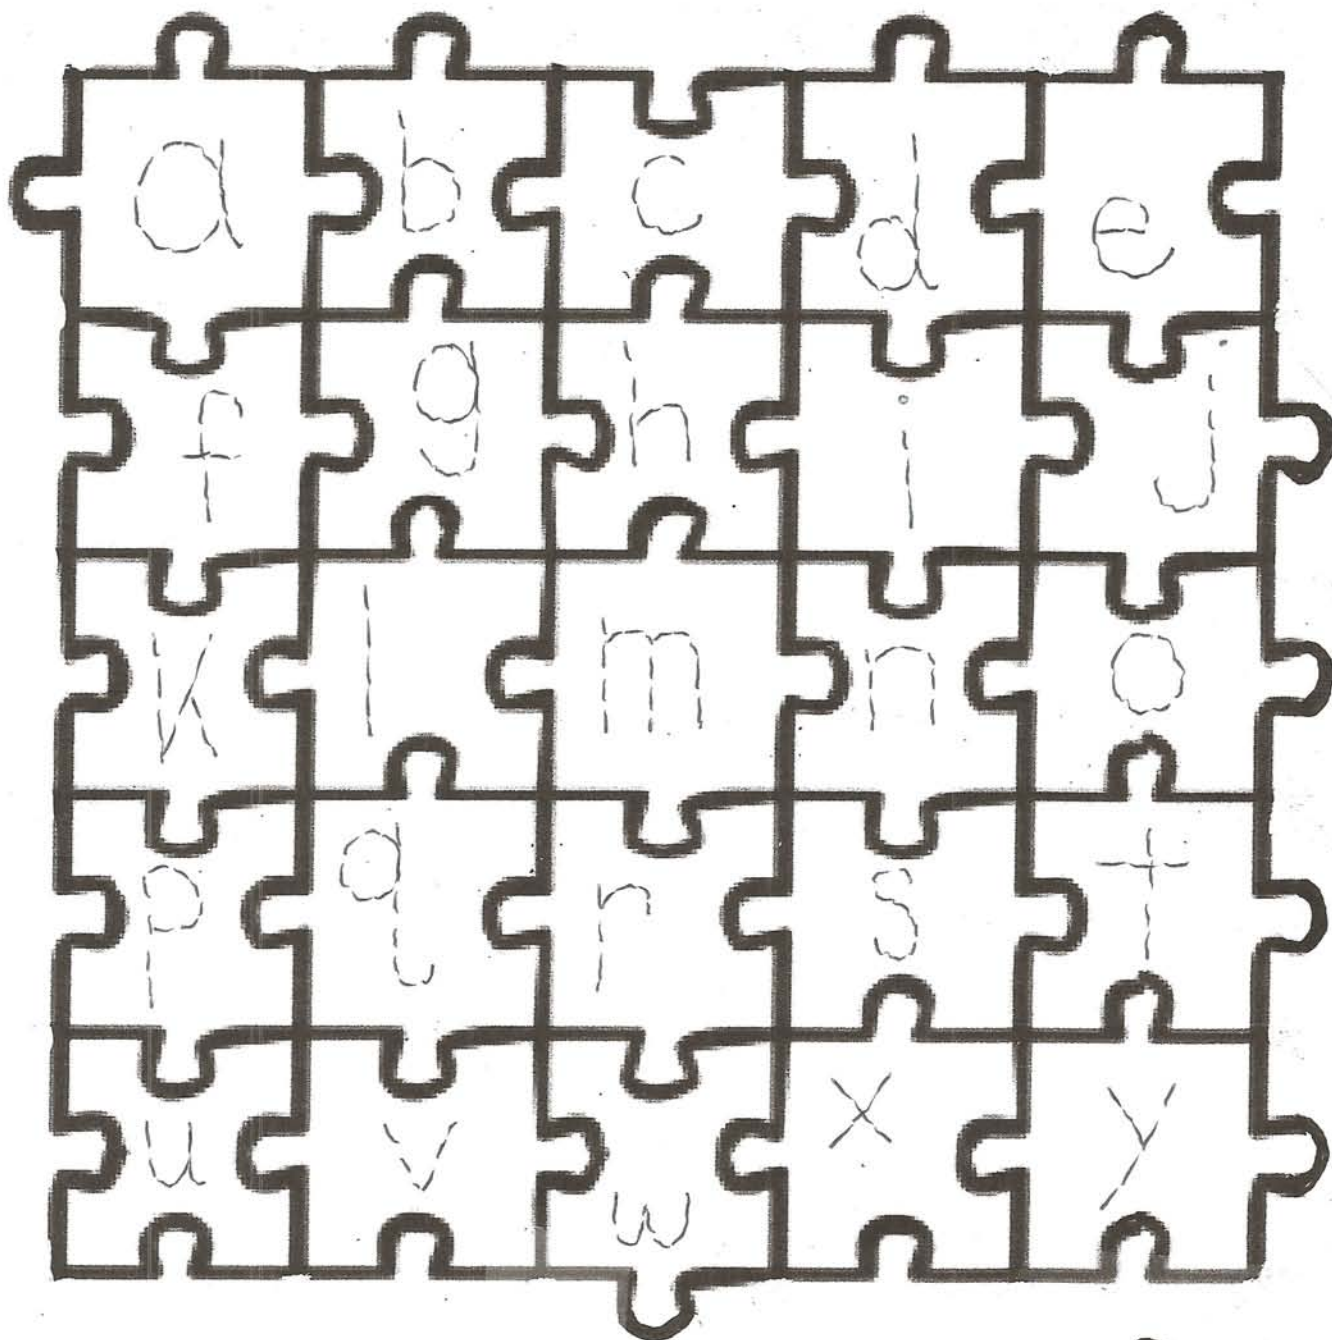

You're on the ball!

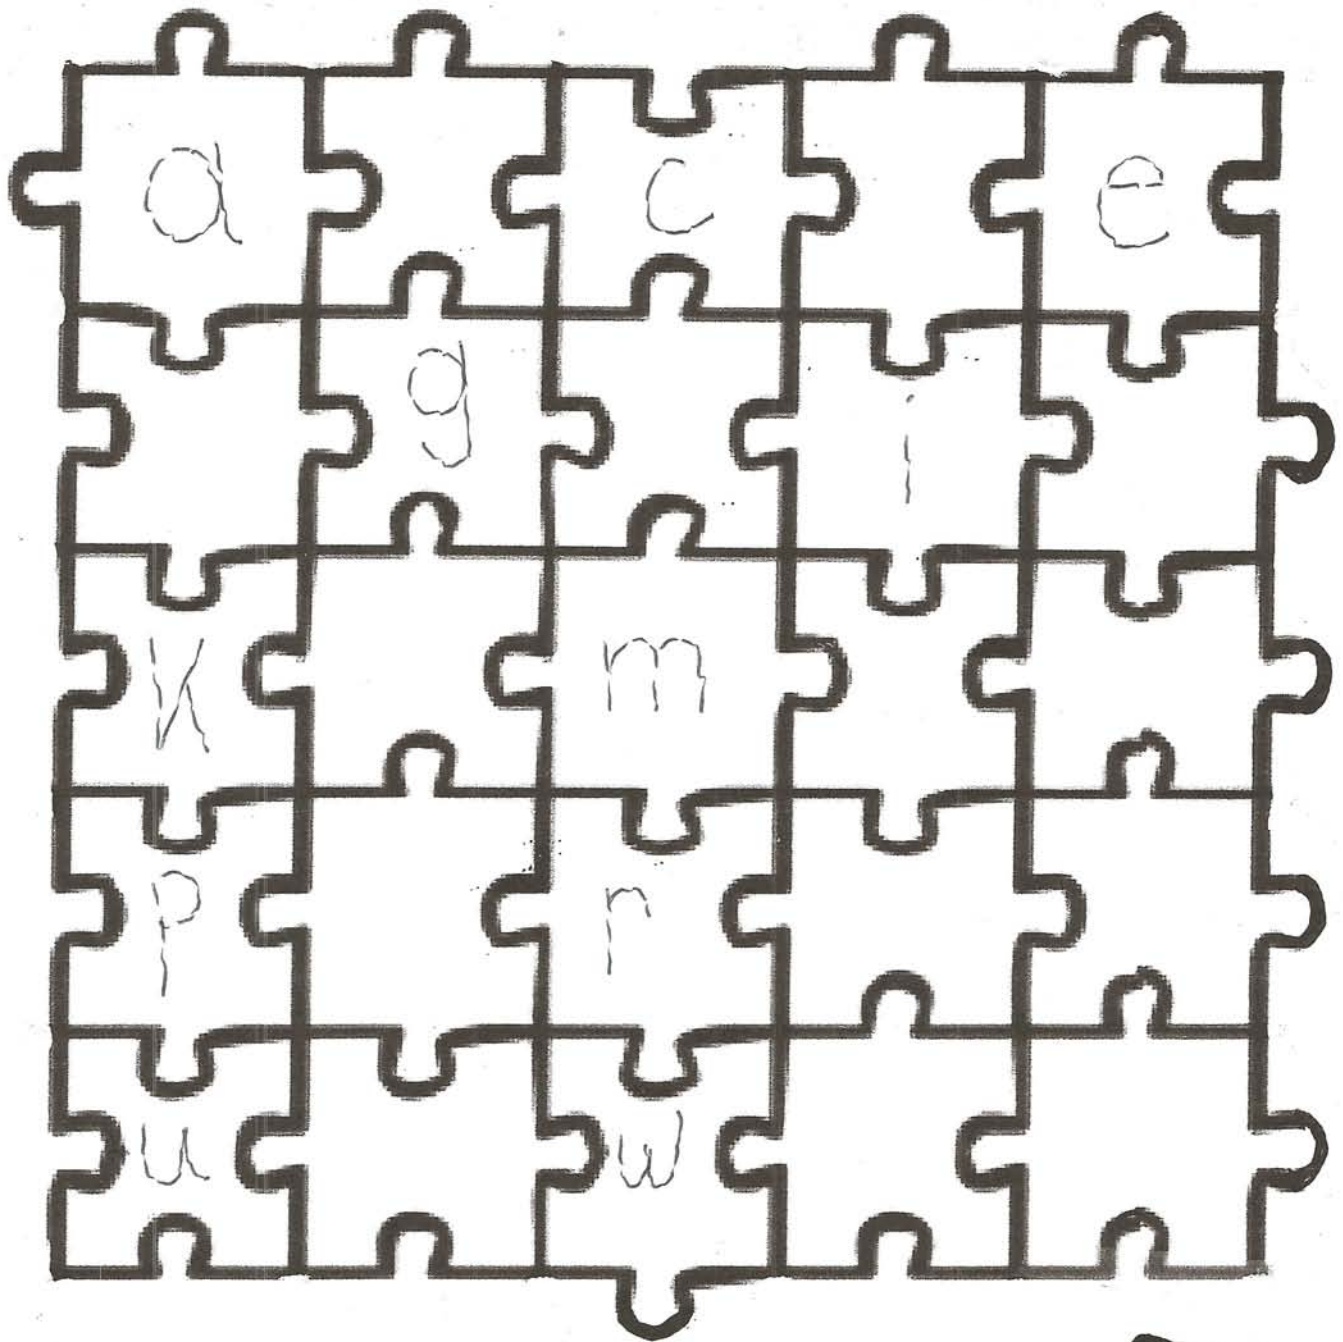

Trace the numbers and then count to 10!

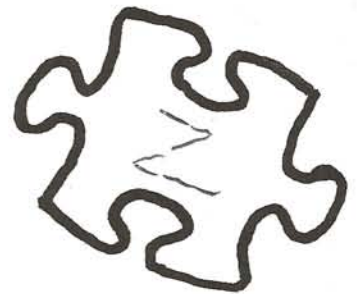

Trace the uppercase letters.

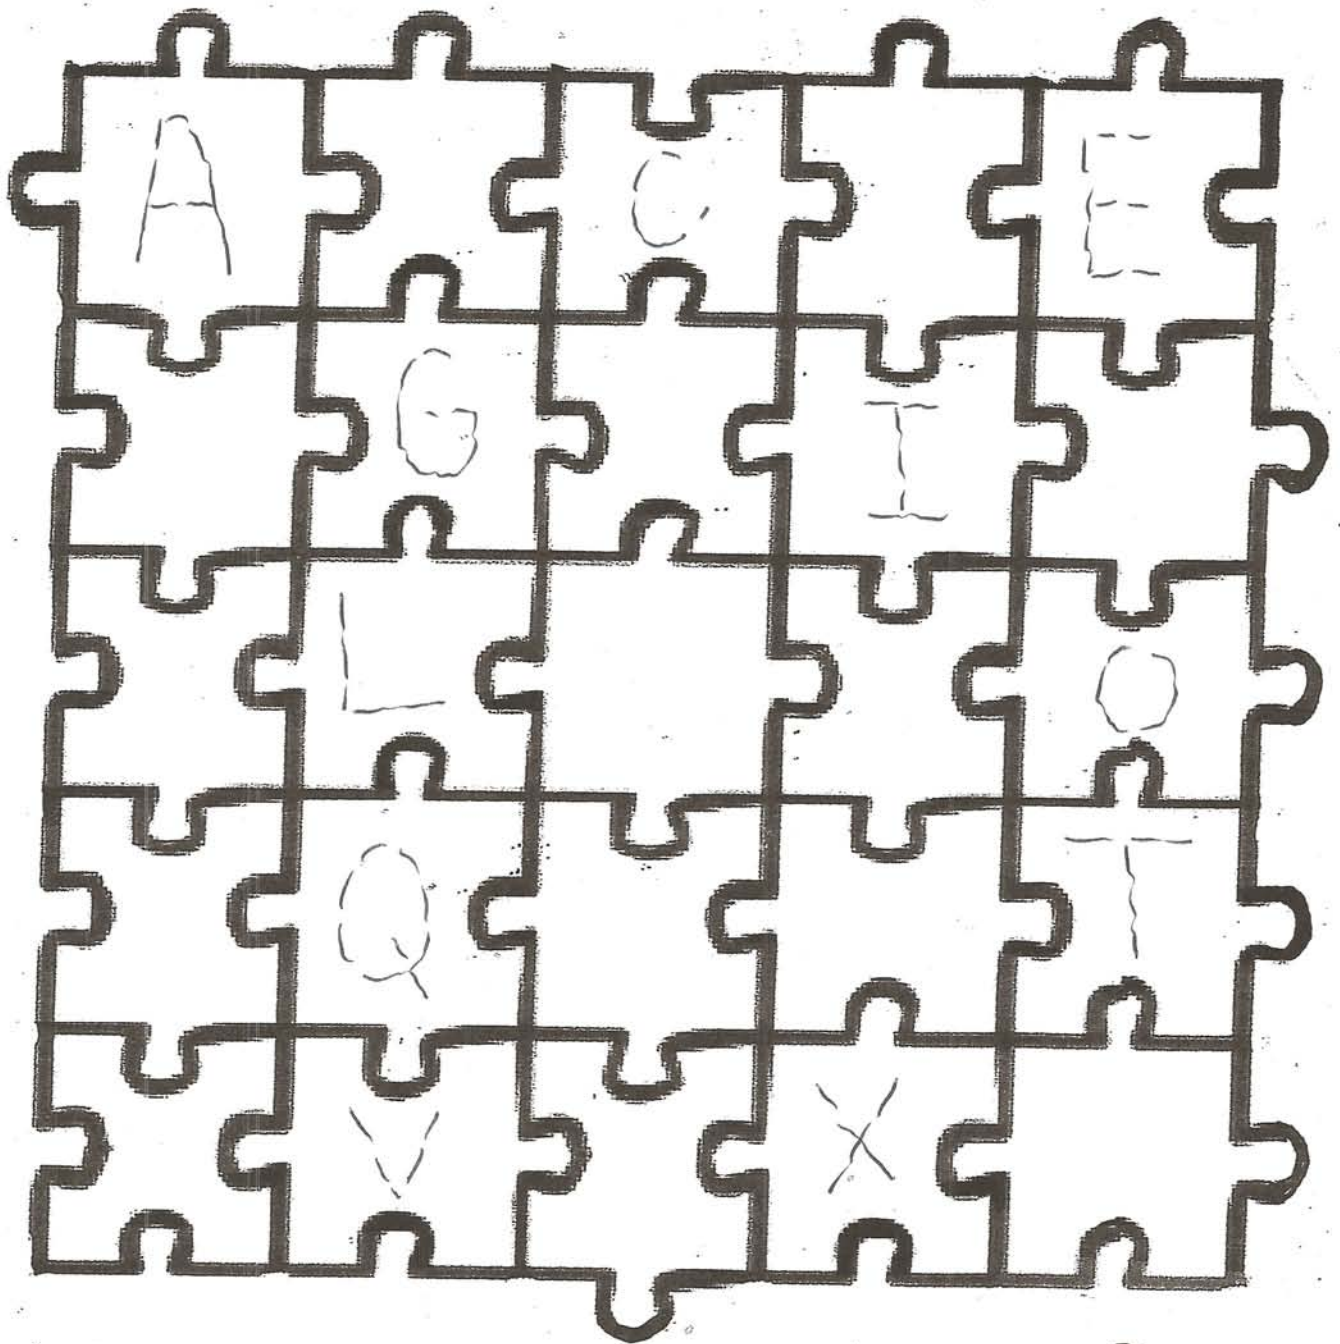

Trace the lowercase letters.

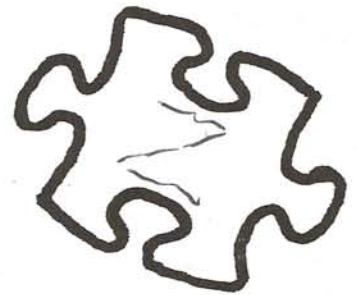

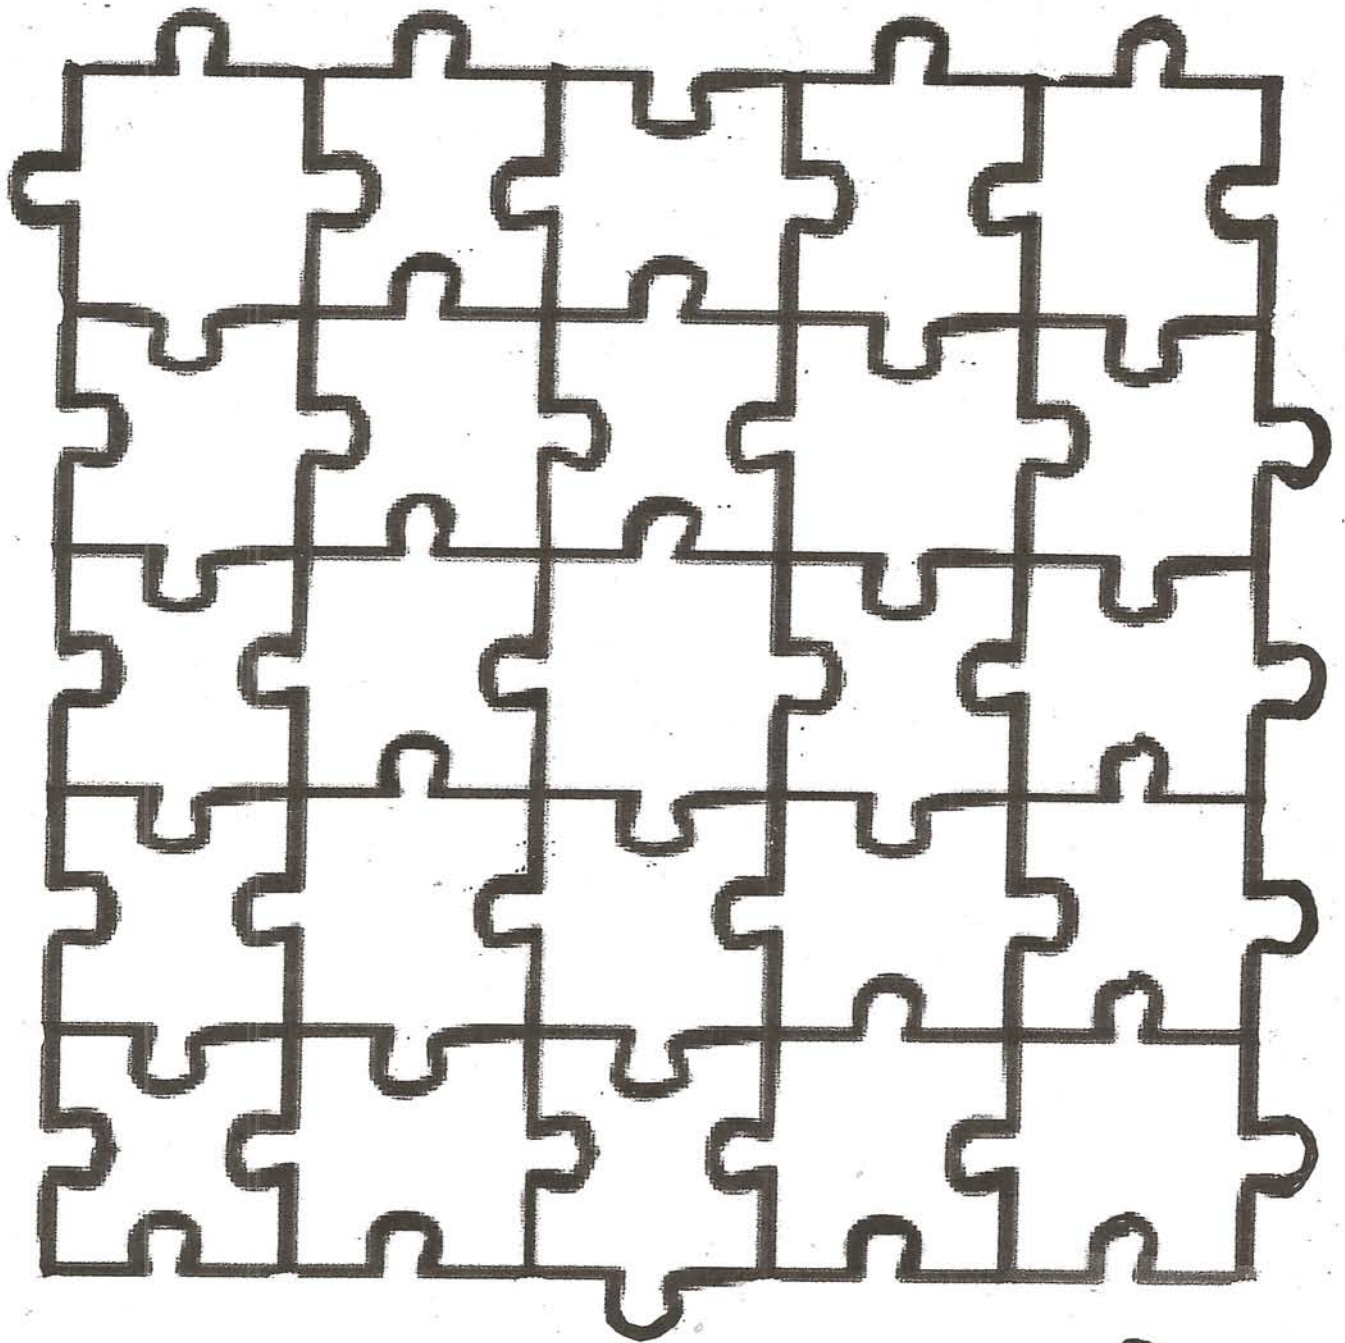

What's missing?
Trace and fill in the letters.

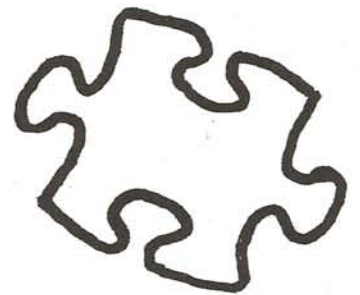

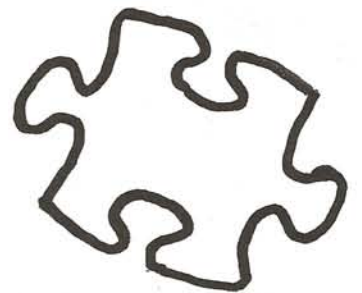

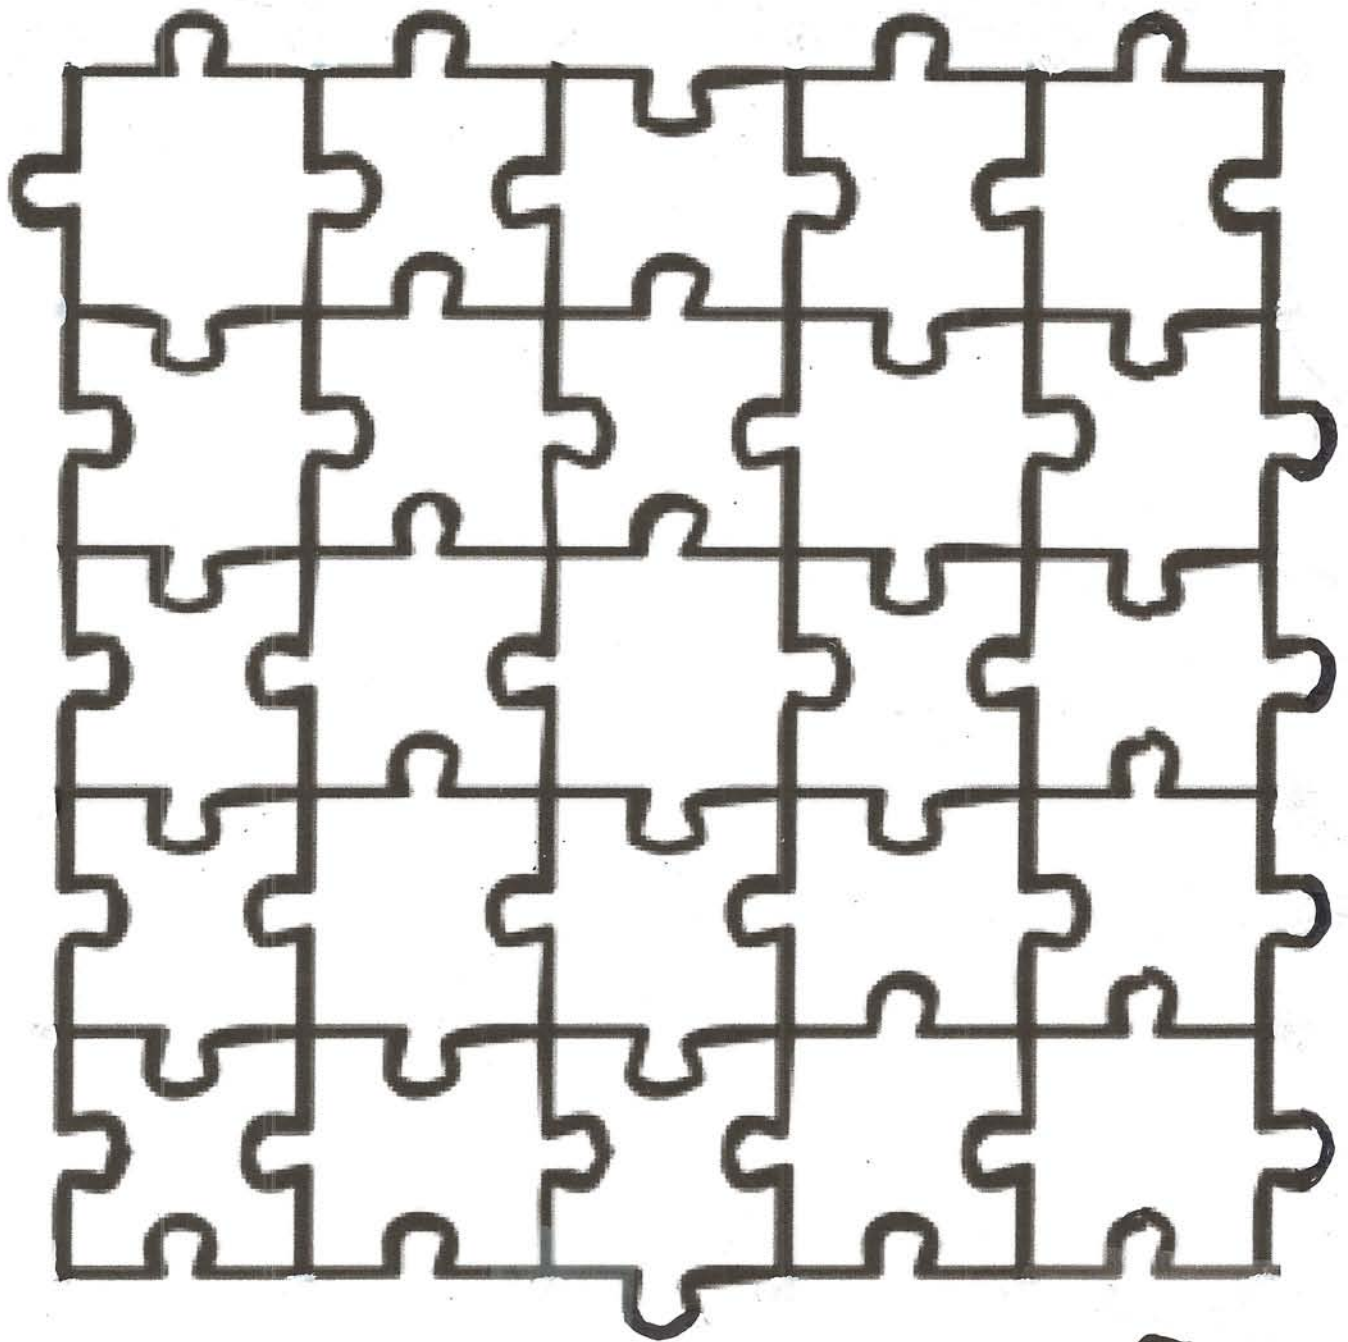

What's missing?
Trace and fill in the letters.

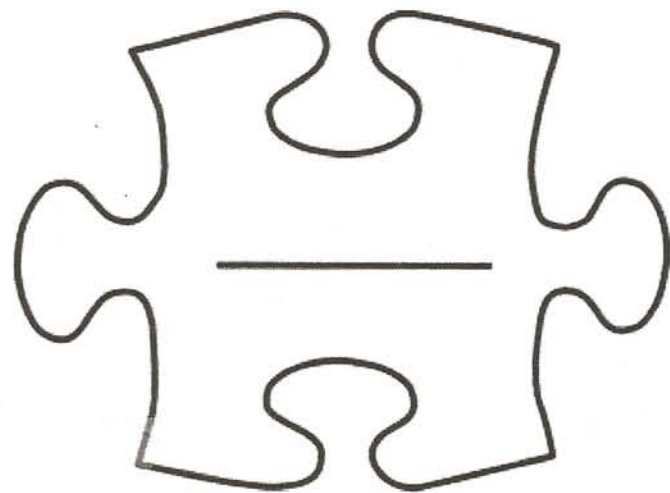

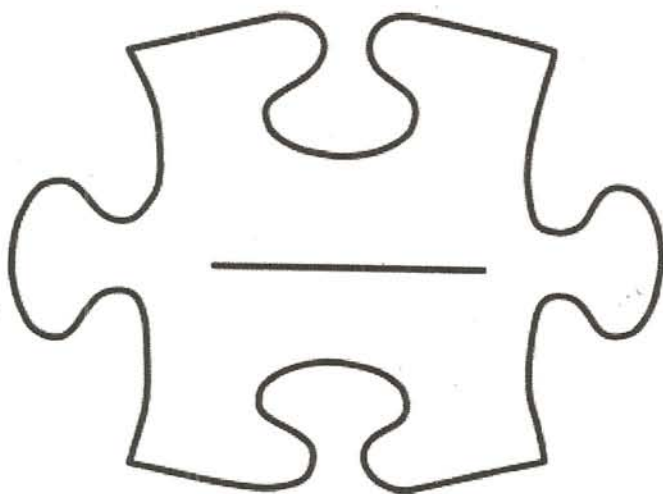

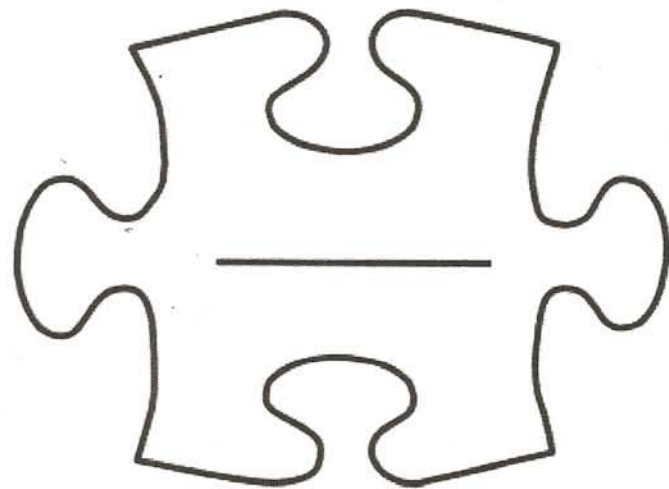

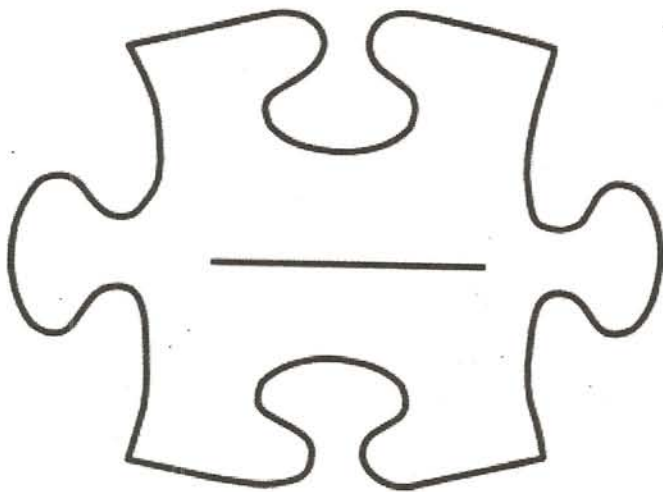

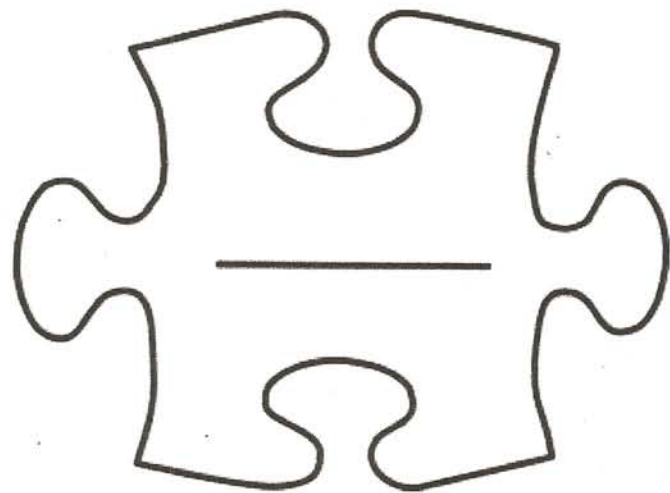

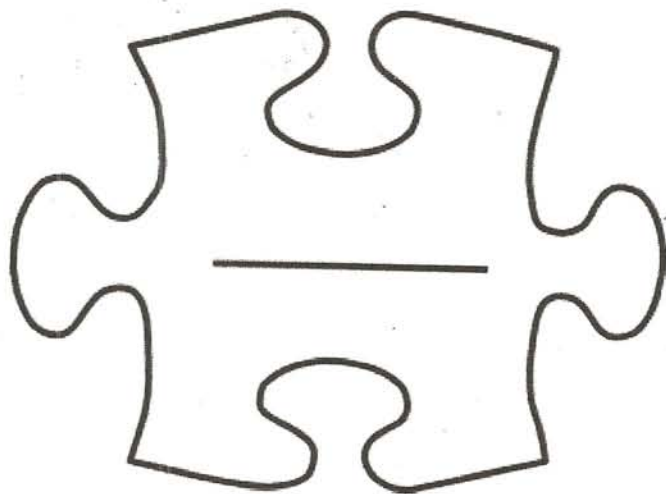

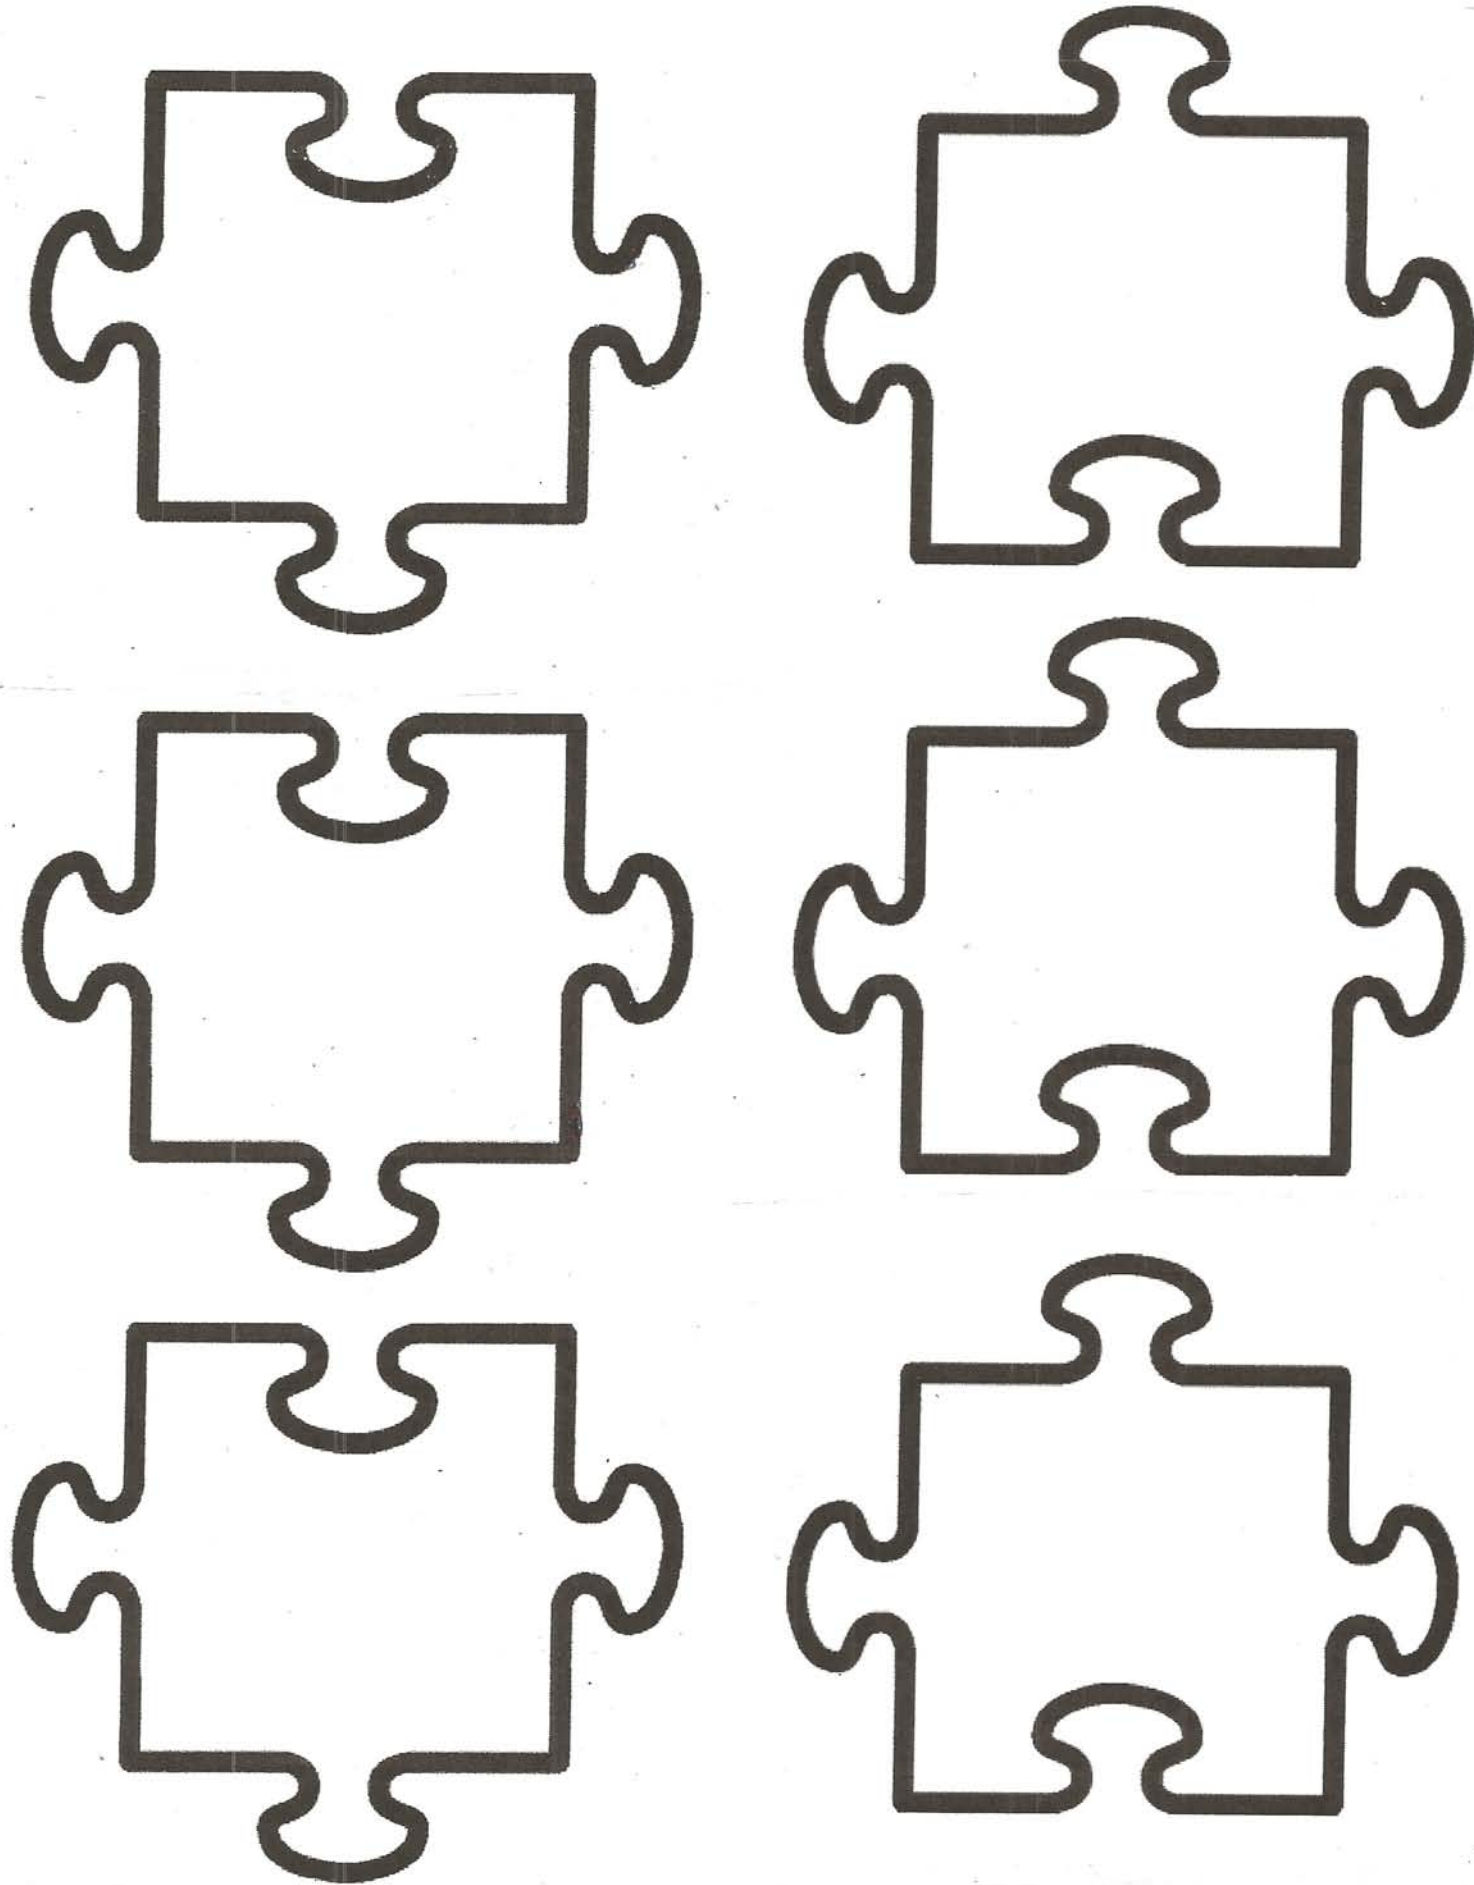

What's missing?
Trace and fill in the letters.

Program with numbers, letters, words, laminate and cut out.
Children fit together and sequence making a long line.
Words can become sentences.
