

My Alphabet Wheel

Turn and Learn Alphabet Wheels

©TeachWithMe.com

Beginnings letter sounds: A-Z

Materials:

- Card Stock
- Scissors
- Brass Brads
- Construction paper

Directions:

- Run off yours on cardstock and laminate for a class set.
- Run off a set for students on copy paper and the front wheel on construction paper.
- Each wheel has two circles.
- The front “My Alphabet Wheel” and the bottom with a set of letters and pictures.
- There are 5 wheels in all.
- The square and triangle on the top circle wheel need to be cut out so that the letter and picture show.
- Place the wheel circles on top of each other.
- Poke a hole in the center with a protractor and fasten them together with a brass brad.
- Turn and Learn!
