## CVC Word Bingo Bonanza

©TeachWithMe.com

### **Directions:**

- There are 9 sets of 20 cards using 225 CVC words!
- Run each set off on a DIFFERENT color of construction paper.
- To give your cards more pizzazz, add a star or smiley sticker to the center “free” space.
- Laminate them.
- Cut the cards out.
- Make an extra white set to cut into pieces.
- There are 25 words per set.
- Because of the FREE space, there are only 24 words used on each card.
- Glue the white pieces onto the matching color construction paper for each set of CVC Bingo Cards.
- These pieces will be the cards that you draw so that students can put their “markers” on their bingo cards.
- Keep the pieces in Snack Baggies.
- Put the matching Snack Baggie in a file folder with the matching set of CVC bingo cards.
- Each week play with a different set of words.
- Dried beans are an inexpensive “marker”.
- Run off an individual page to send home with each child so they can play at home with a parent. They can cut up one card and child can play with the other. The object here is simply to look for the word and put a marker on it, filling up their entire card.
- Another way to use these cards is to run off a set of words on two different colors of copy paper.
- Laminate the paper and cut out the words.
- Put the set of colors in two different Snack Baggies.
- Children choose a partner and take turns rolling the dice.
- If they roll an even number they get to take a CVC word tile out of their bag, read it and find the matching word on their bingo card.
- If they roll an odd number they lose their turn.
- You could also play that if they roll an even number they get to place 2 CVC word tiles on their bingo card. If they roll an odd number they get to place 1 CVC word tile on their bingo card.
- To make things even more interesting, you could add that if they roll a 6 they have to remove 1 of their CVC word tiles from their Bingo card.
