The Farmer In October Manipulatives

- Run off these pages, laminate and cut them out.
- Put a piece of magnet strip or Velcro on the back of the pieces.
- Pass them out to your students.
- As you read the story, when you come to the picture on the page, the child holding that picture puts it on the flannel/white board.
- After the story, jumble the pictures and see if your students can sequence them in the correct order.
