The
Butterfly...

The
Butterfly...

The butterfly is flying **above** the flower.
She is going to lay eggs.

The butterfly is flying **above** the flower.
She is going to lay eggs.

The eggs are lying **on** the leaf.
The eggs will hatch into caterpillars.

x 2

The caterpillar is crawling **under** the flower.
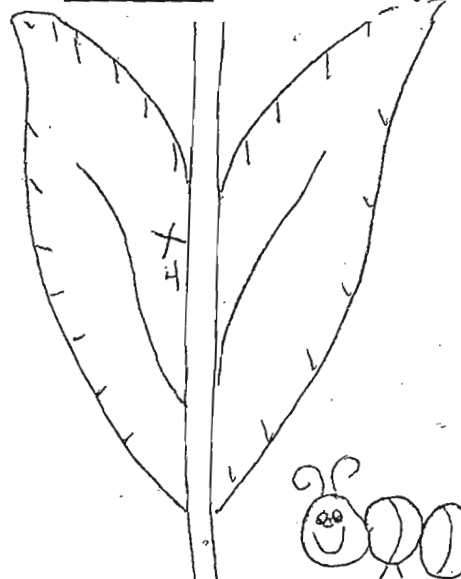

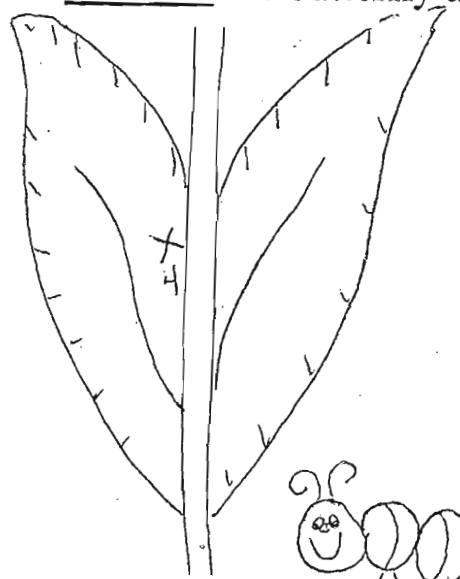

The caterpillar is crawling **under** the flower.

X 3
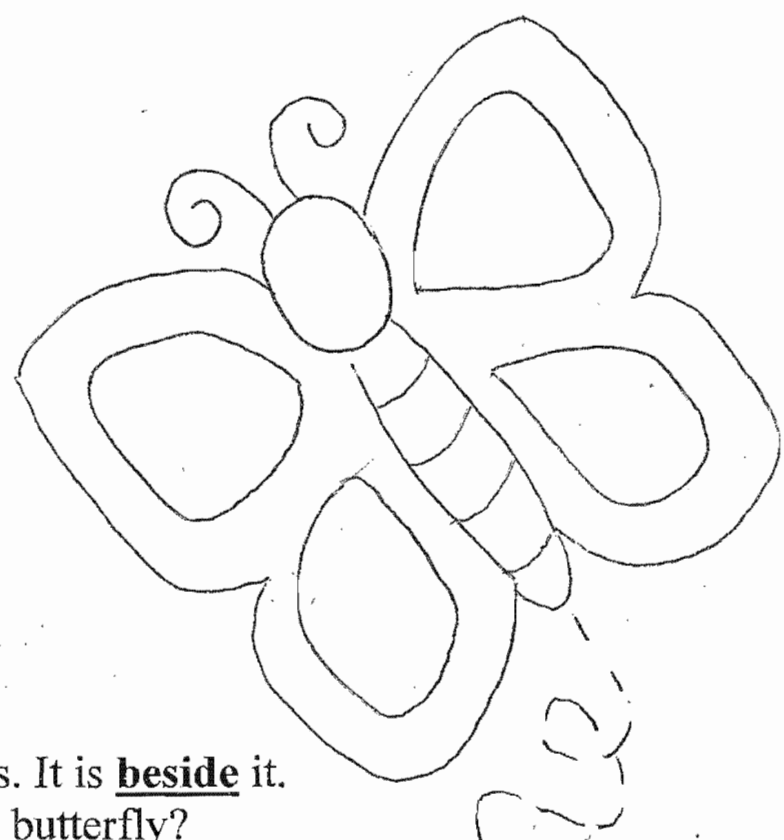

X 3

The eggs are **between** the butterfly and the caterpillar.
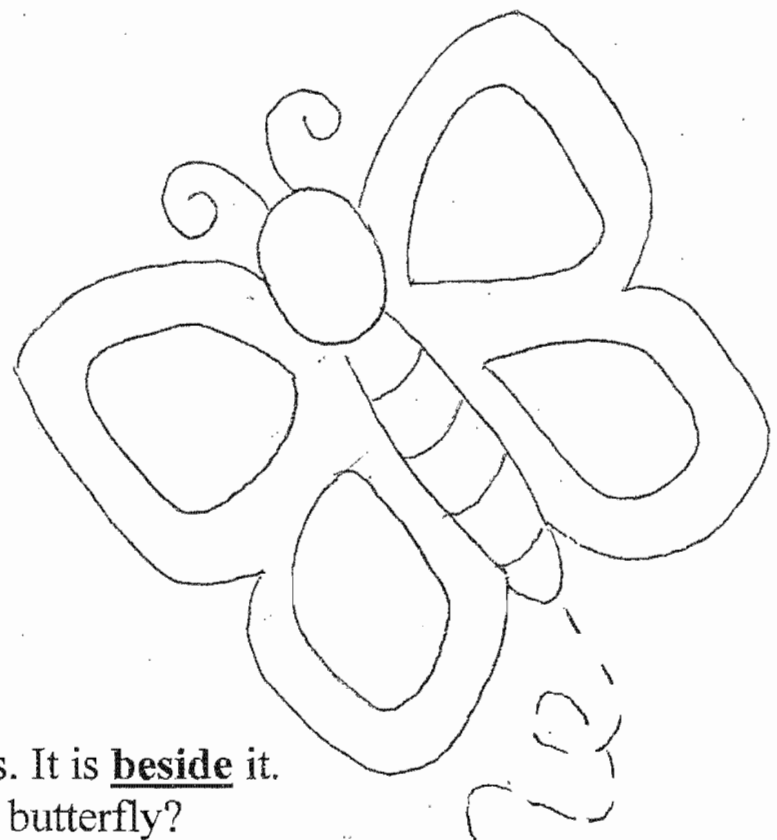

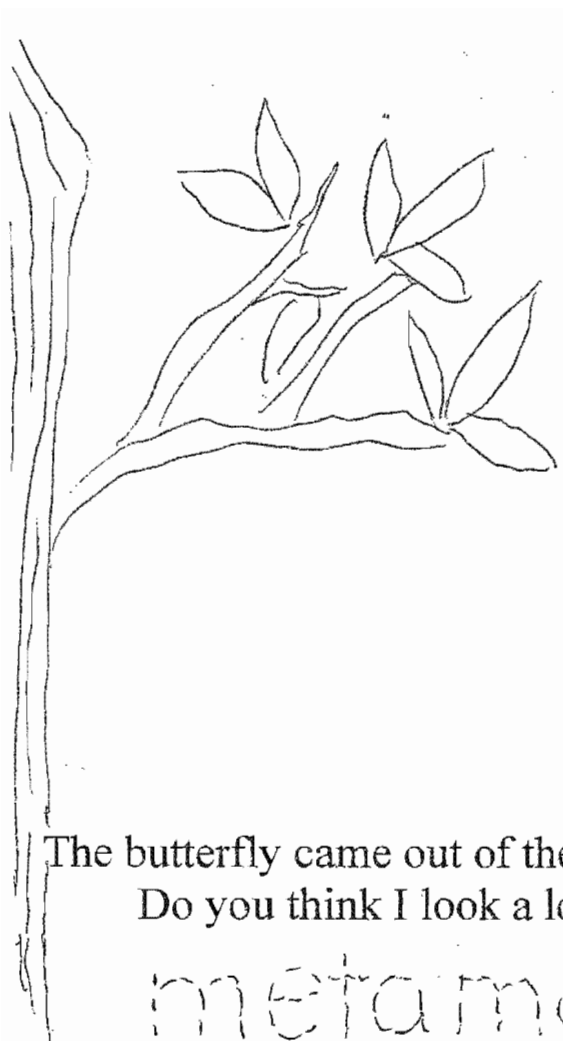

The butterfly came out of the chrysalis. It is **beside** it.
Do you think I look a lot like the butterfly?

metamorphosis
