

**Materials:**

- Red Construction paper
- Aluminum foil
- Stapler
- Scissors
- Glue stick
- Crayons

**Directions:**

1. Run off masters
2. Pre-cut rectangles of aluminum foil.
3. Children cut out ornament.
4. Children glue and fold over their piece of aluminum foil to the top of their ball.
5. Cut out page stripes.
6. Write name on cover. I have my students write their name in an ABAB pattern with crayons.
7. Sequence book.
8. Staple book stripes to the left on the ornament.
9. Trace at least one ornament.
10. TRACE the number and WRITE the number.
11. I have my students add dash-dot details above and below the booklet on the ball.
12. After everyone is done, we clean up and sit on our Circle of Friends carpet and read our booklet in English and Spanish, then the children take it to their backpacks.
