

The Shapely Wheeled School Bus

By Diane L. Henderson

To the tune of: *Wheels On The Bus*

The wheels on the bus are circles circles circles

The wheels on the bus are circles

As they go around!

The wheels on the bus are squares squares squares

The wheels on the bus are squares

And they go clunk clunk!

The wheels on the bus are rectangles rectangles, rectangles

The wheels on the bus are rectangles

And they go kerplunk!

The wheels on the bus are triangles, triangles, triangles

The wheels on the bus are triangles

And they slip and slide.

The wheels on the bus are ovals, ovals, ovals

The wheels on the bus are ovals

And they zip & glide.

The wheels on the bus are hearts, hearts, hearts

The wheels on the bus are hearts

And they rise & fall.

The wheels on my bus are shapely, shapely, shapely

The wheels on my bus are shapely

And I know them all!
