

Run the word pumpkins off on white or beige construction paper.

Trace and cut a pumpkin out of every color of construction paper to match the color words.

Glue a green stem to 10 multi-colored pumpkins.

Laminate them.

Make a set of multi-colored stems to match the color words.

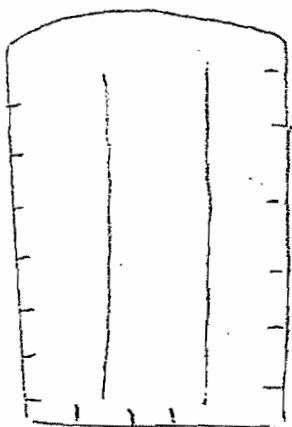

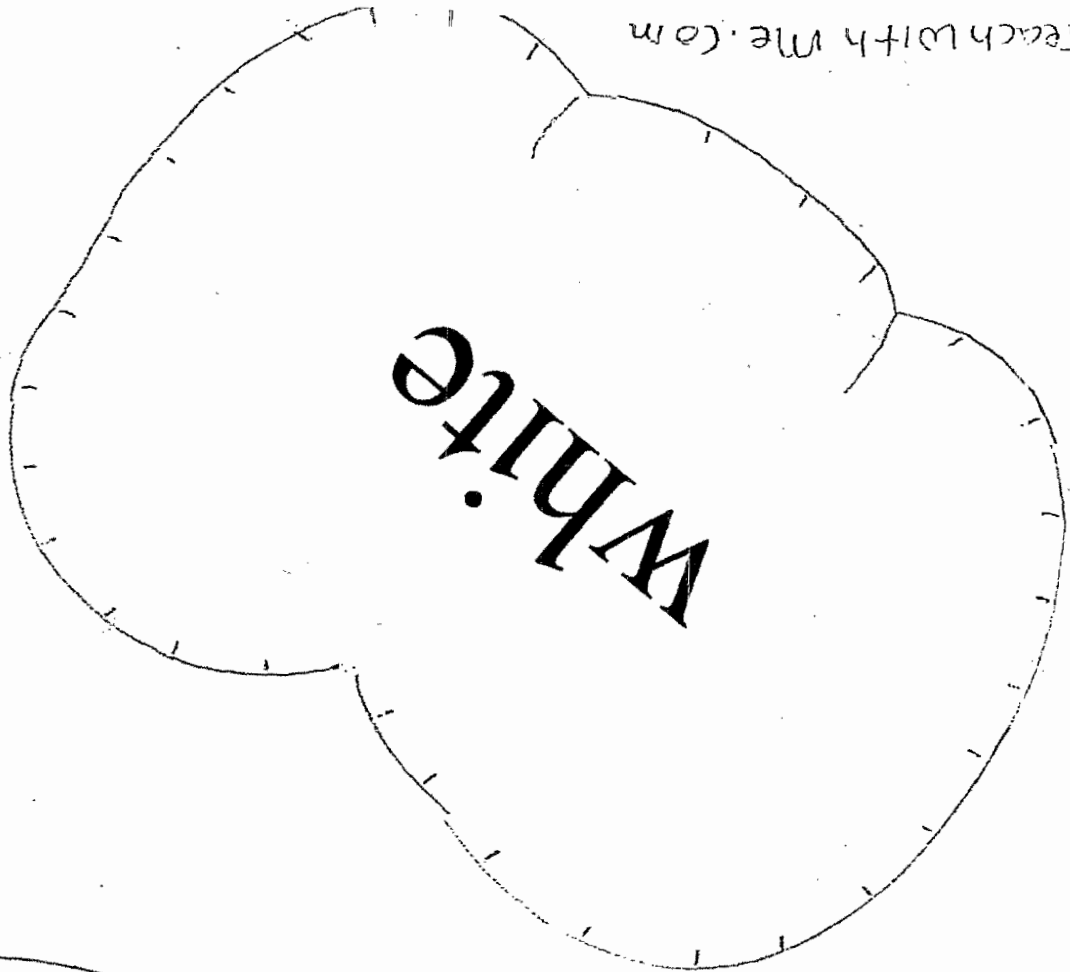

Cut and laminate them.

Put a Velcro dot on them with a matching Velcro dot on the beige/white color word pumpkins..

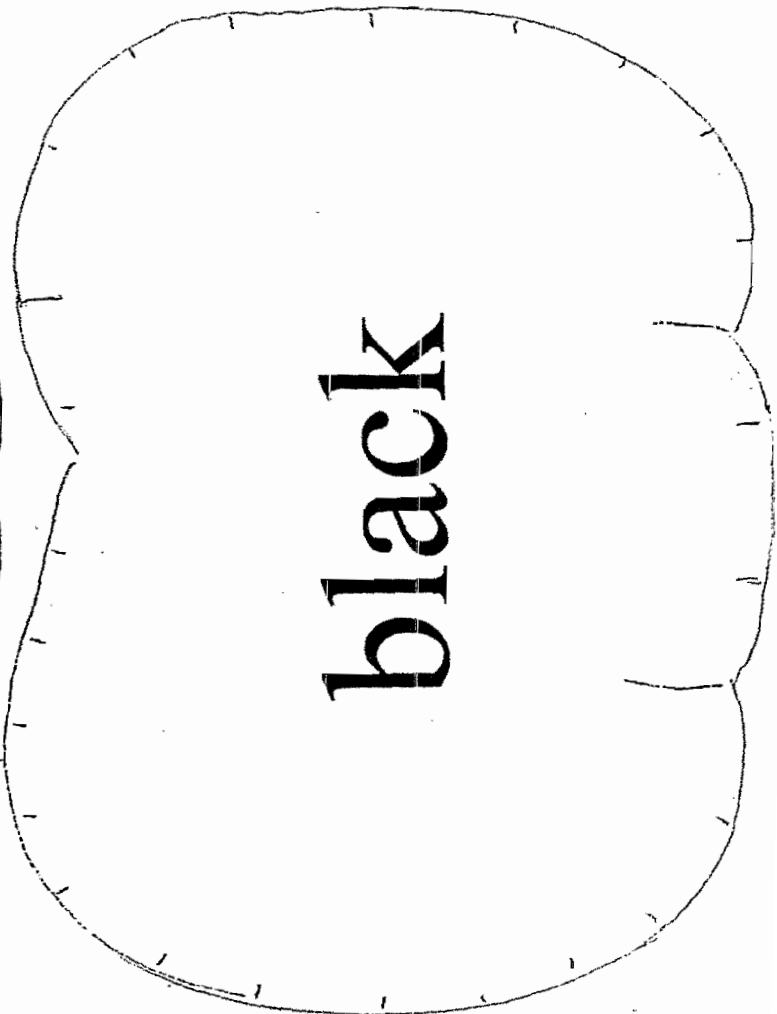

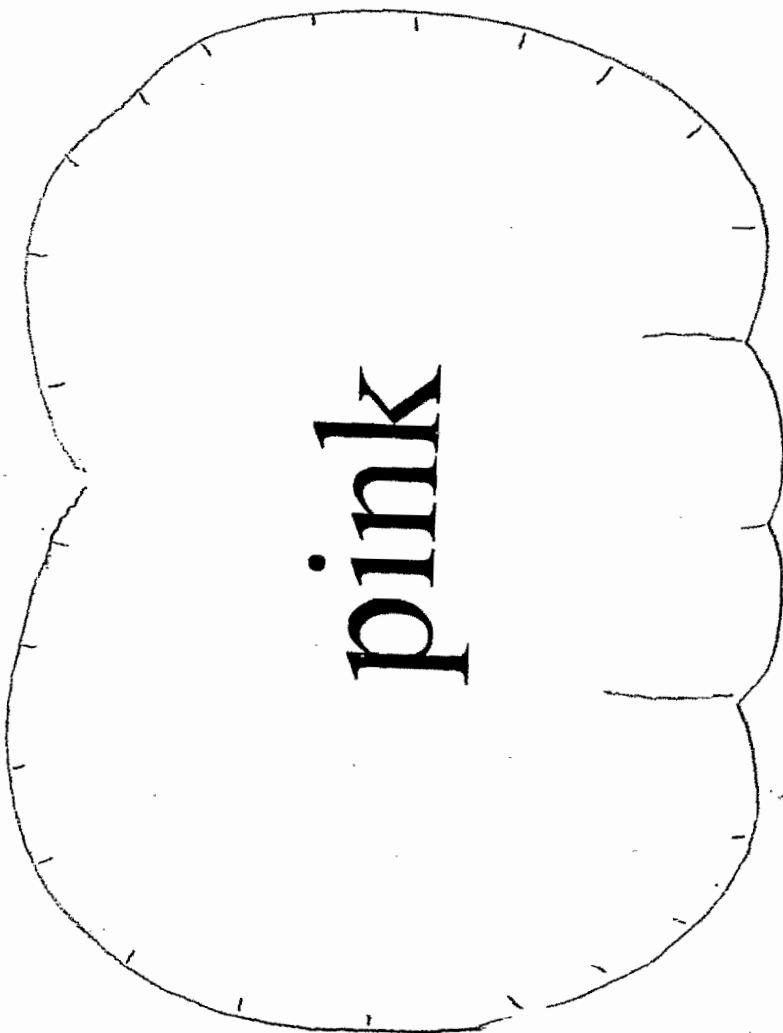

Students can now match the stem to the color word pumpkin as well as the colored pumpkin to the color word pumpkin.
