The Shape Of
Apple Annie

Little Apple Annie lived in an orchard.
She was not happy with her shape.
She was always wishing on a star.
I wish I may I wish I might
Have a different shape tonight.
All of a sudden *Poof* one night
Apple Annie got her wish!

She was always wishing on a star.
I wish I may I wish I might
Have a different shape tonight.
All of a sudden *Poof* one night
Apple Annie got her wish!

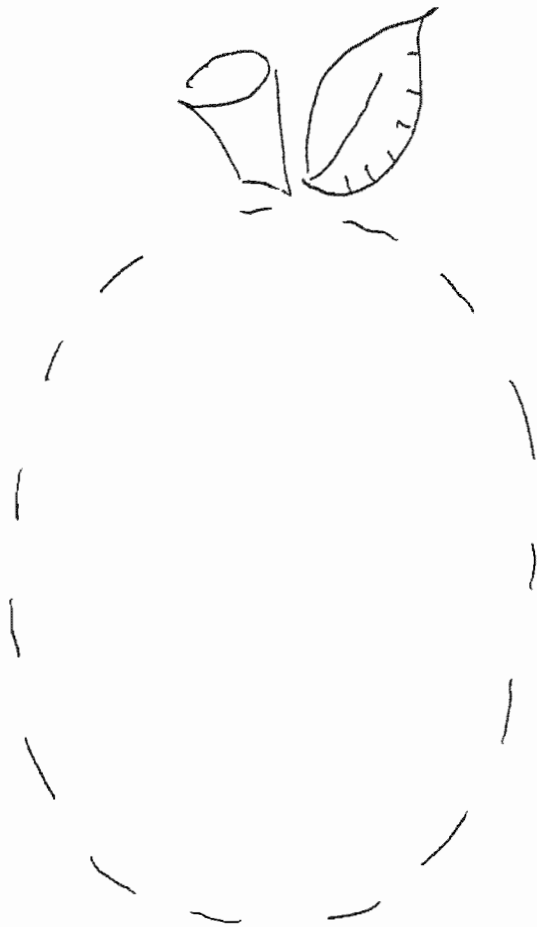

Apple Annie became an oval.

She was still not happy.

I wish I may I wish I might

Have a different shape tonight.

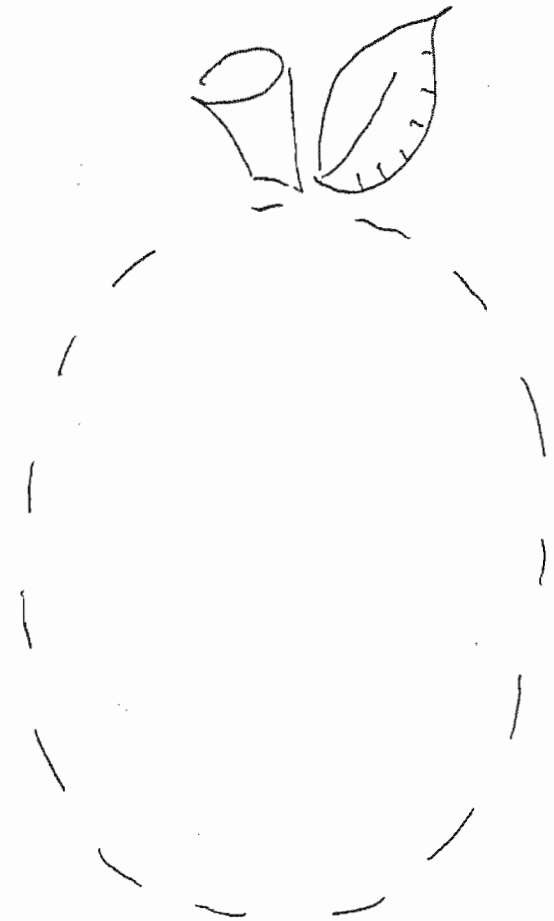

Apple Annie became an oval.

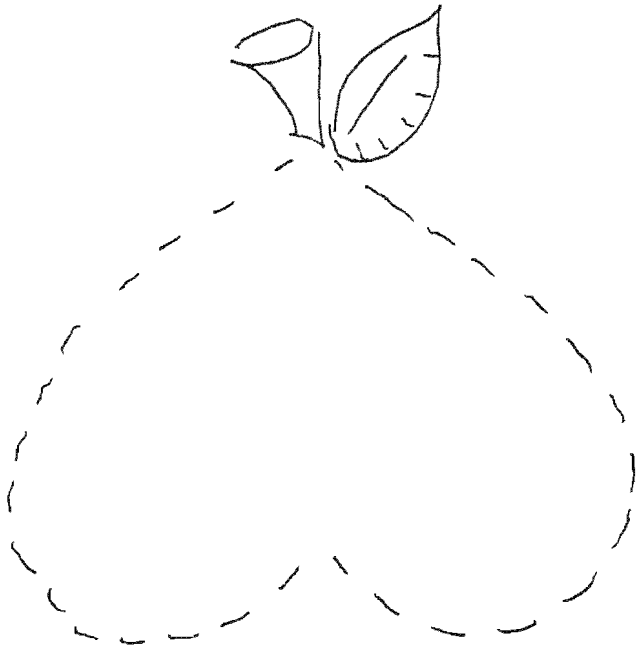

She was still not happy.

I wish I may I wish I might

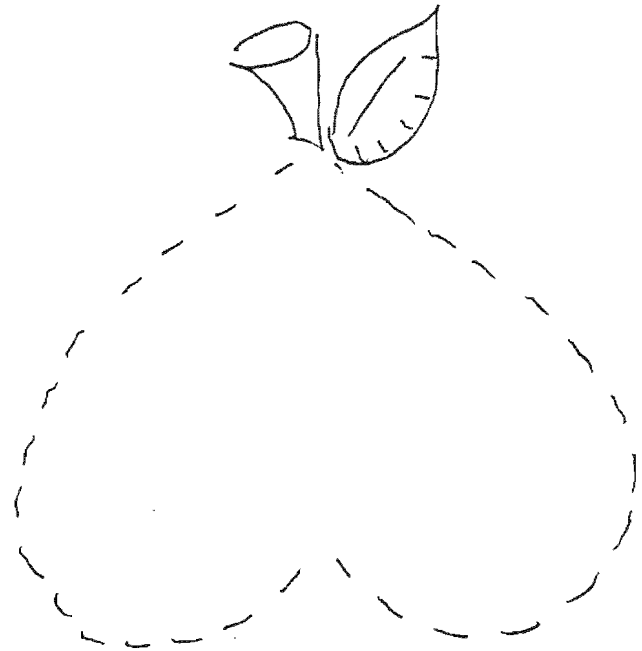

Have a different shape tonight.

Apple Annie became a heart.
She was still not happy.

Apple Annie became a rectangle.

She was still not happy.

I wish I may I wish I might

Have a different shape tonight.

Apple Annie became a triangle.

She was still not happy.

I wish I may I wish I might

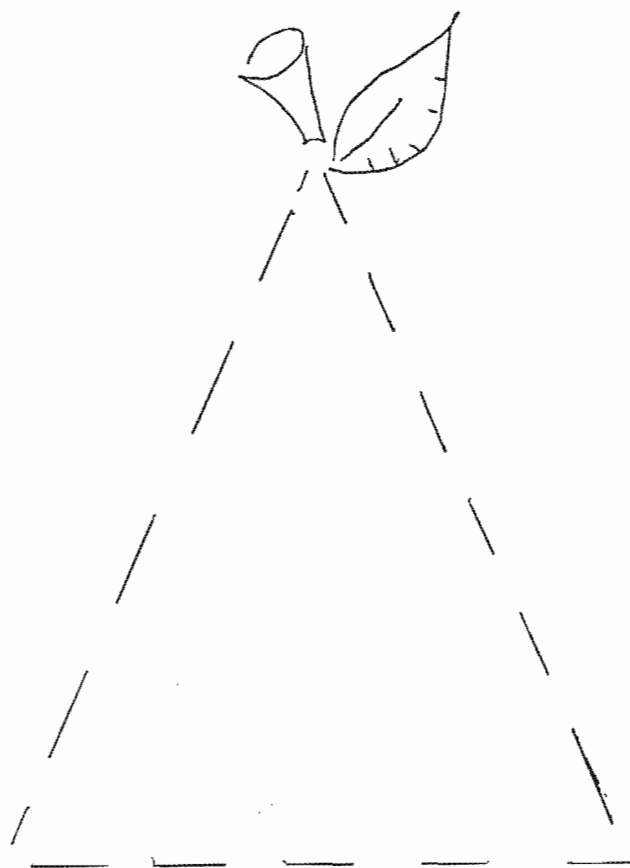

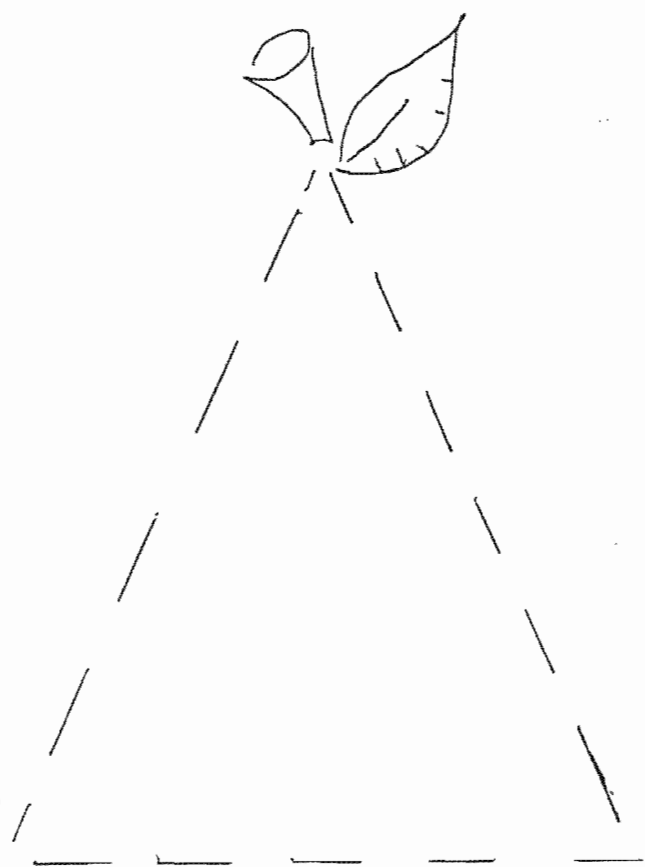

Have my own shape back tonight.

Apple Annie became a triangle.

She was still not happy.

I wish I may I wish I might

Have my own shape back tonight.

Then poof!

Apple Annie was very glad to be back in her APPLE shape.

She realized that the shape she was in, was really the best shape to be in!

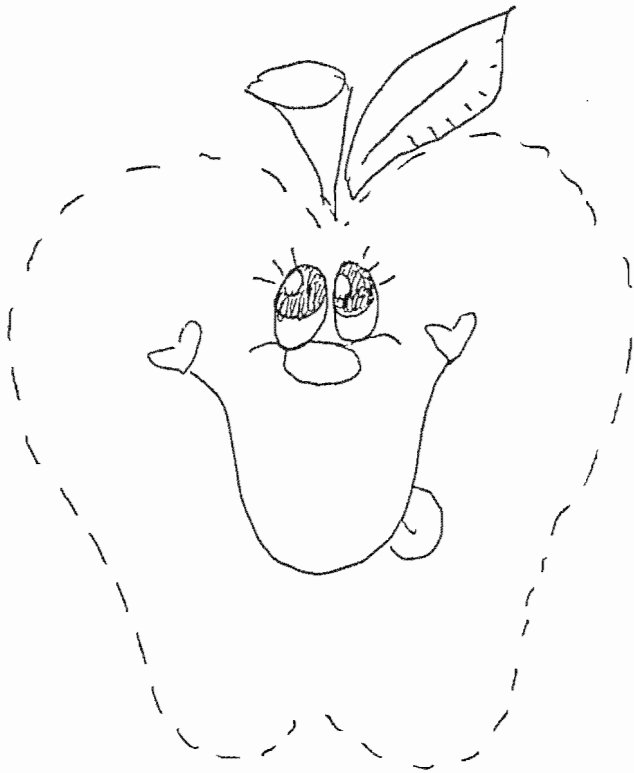

Apple Annie learned that being content is a big part of being happy.

So....

Apple Annie's Advice:

Be the best YOU, you can be.

For you are V-nique and quite bea-V-tiful.
