

Cute little apples  
hanging from my tree.  
I made them  
with my fingerprints;  
they're a special part of me.  
The 10th one will be the last,  
listen now  
and I'll count them fast!  
1-2-3-4-5-6-7-8-9-10

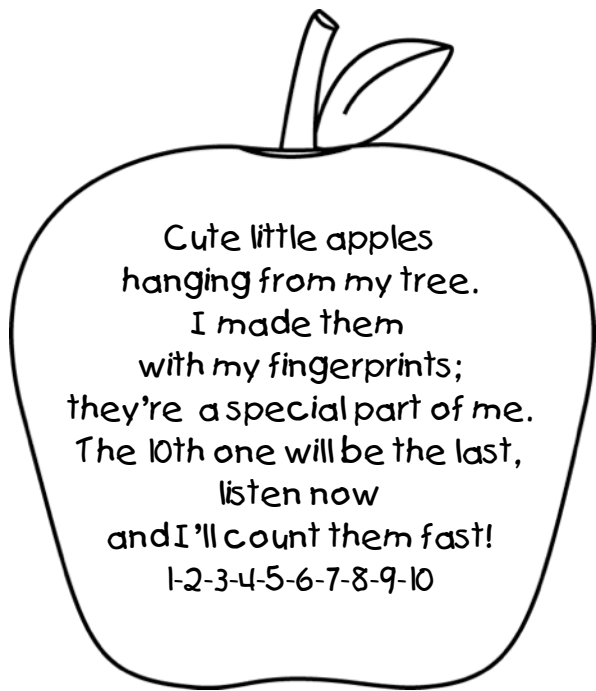

Kid

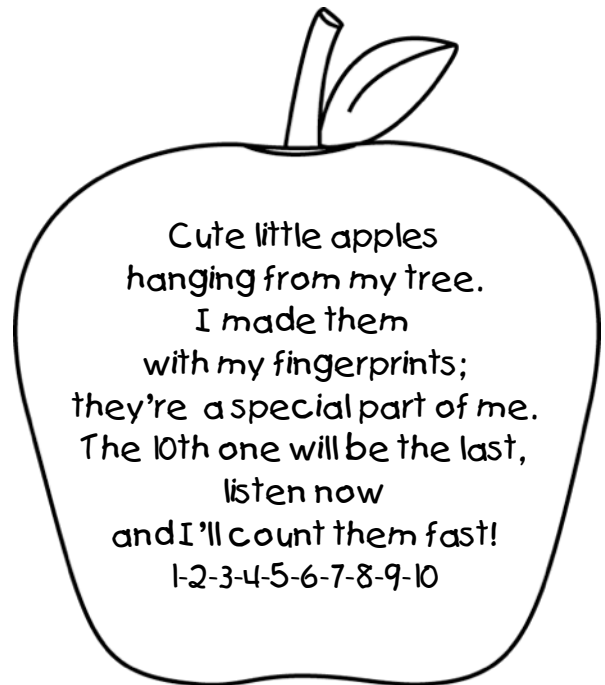

Apple treetop.  
Run off on green  
construction paper.  
Students trim  
and glue it on top  
of their  
"arm-hand trunk"
