

Caught *in* a web of learning my uppercase letters!

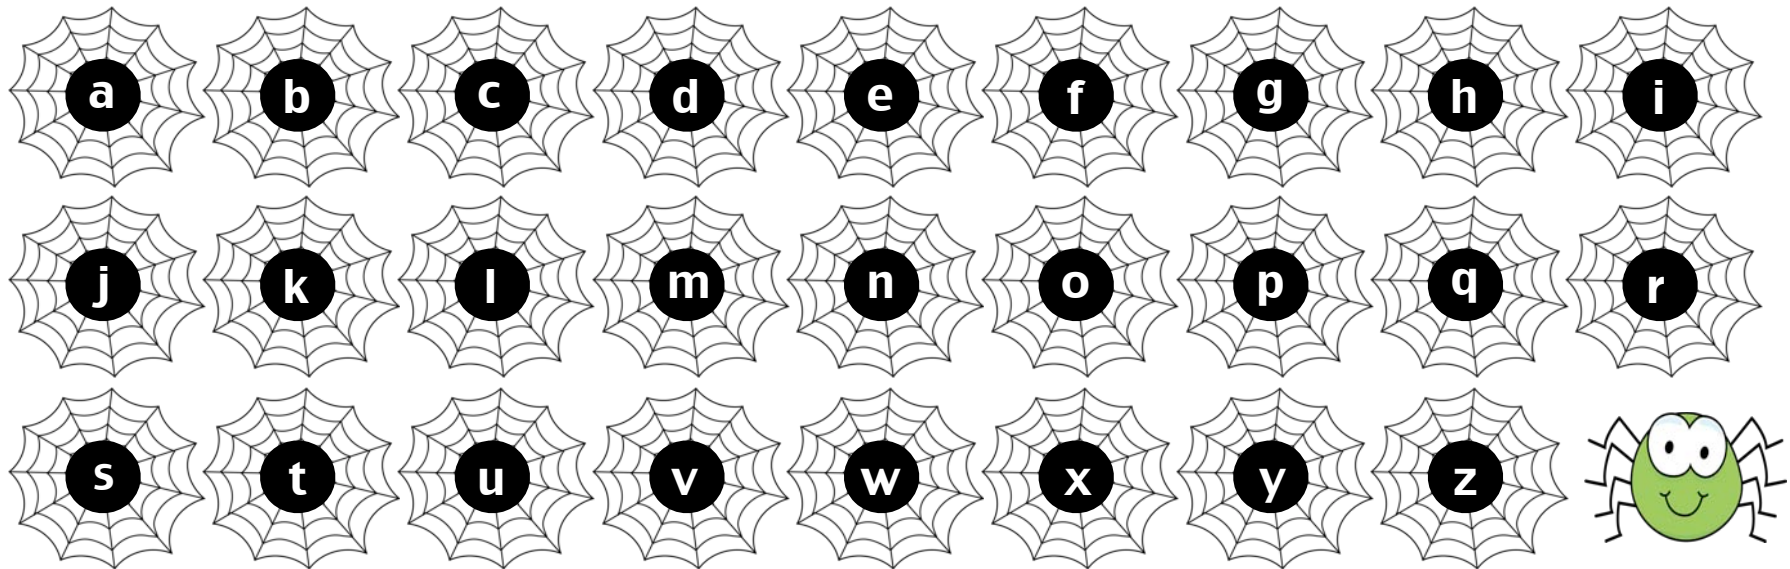

Caught *in* a web of learning my uppercase letters!

Run off and trim. Give each child a spider ring or piece of candy corn. Call out a letter; students place their ring or candy corn over the appropriate letter. You can tell at a glance who's having difficulty. Later use it as an assessment tool and circle any letters that the student does not know. Send the "bookmark" home and have parents work one-on-one with their child.
