Puzzle Count by 1's

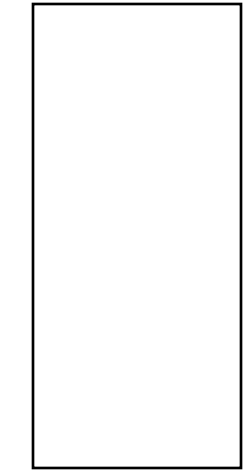

cTeachWithMe.com

Run this template off  
on white construction  
paper and laminate.  
Students can lay their  
puzzle pieces on this  
grid.

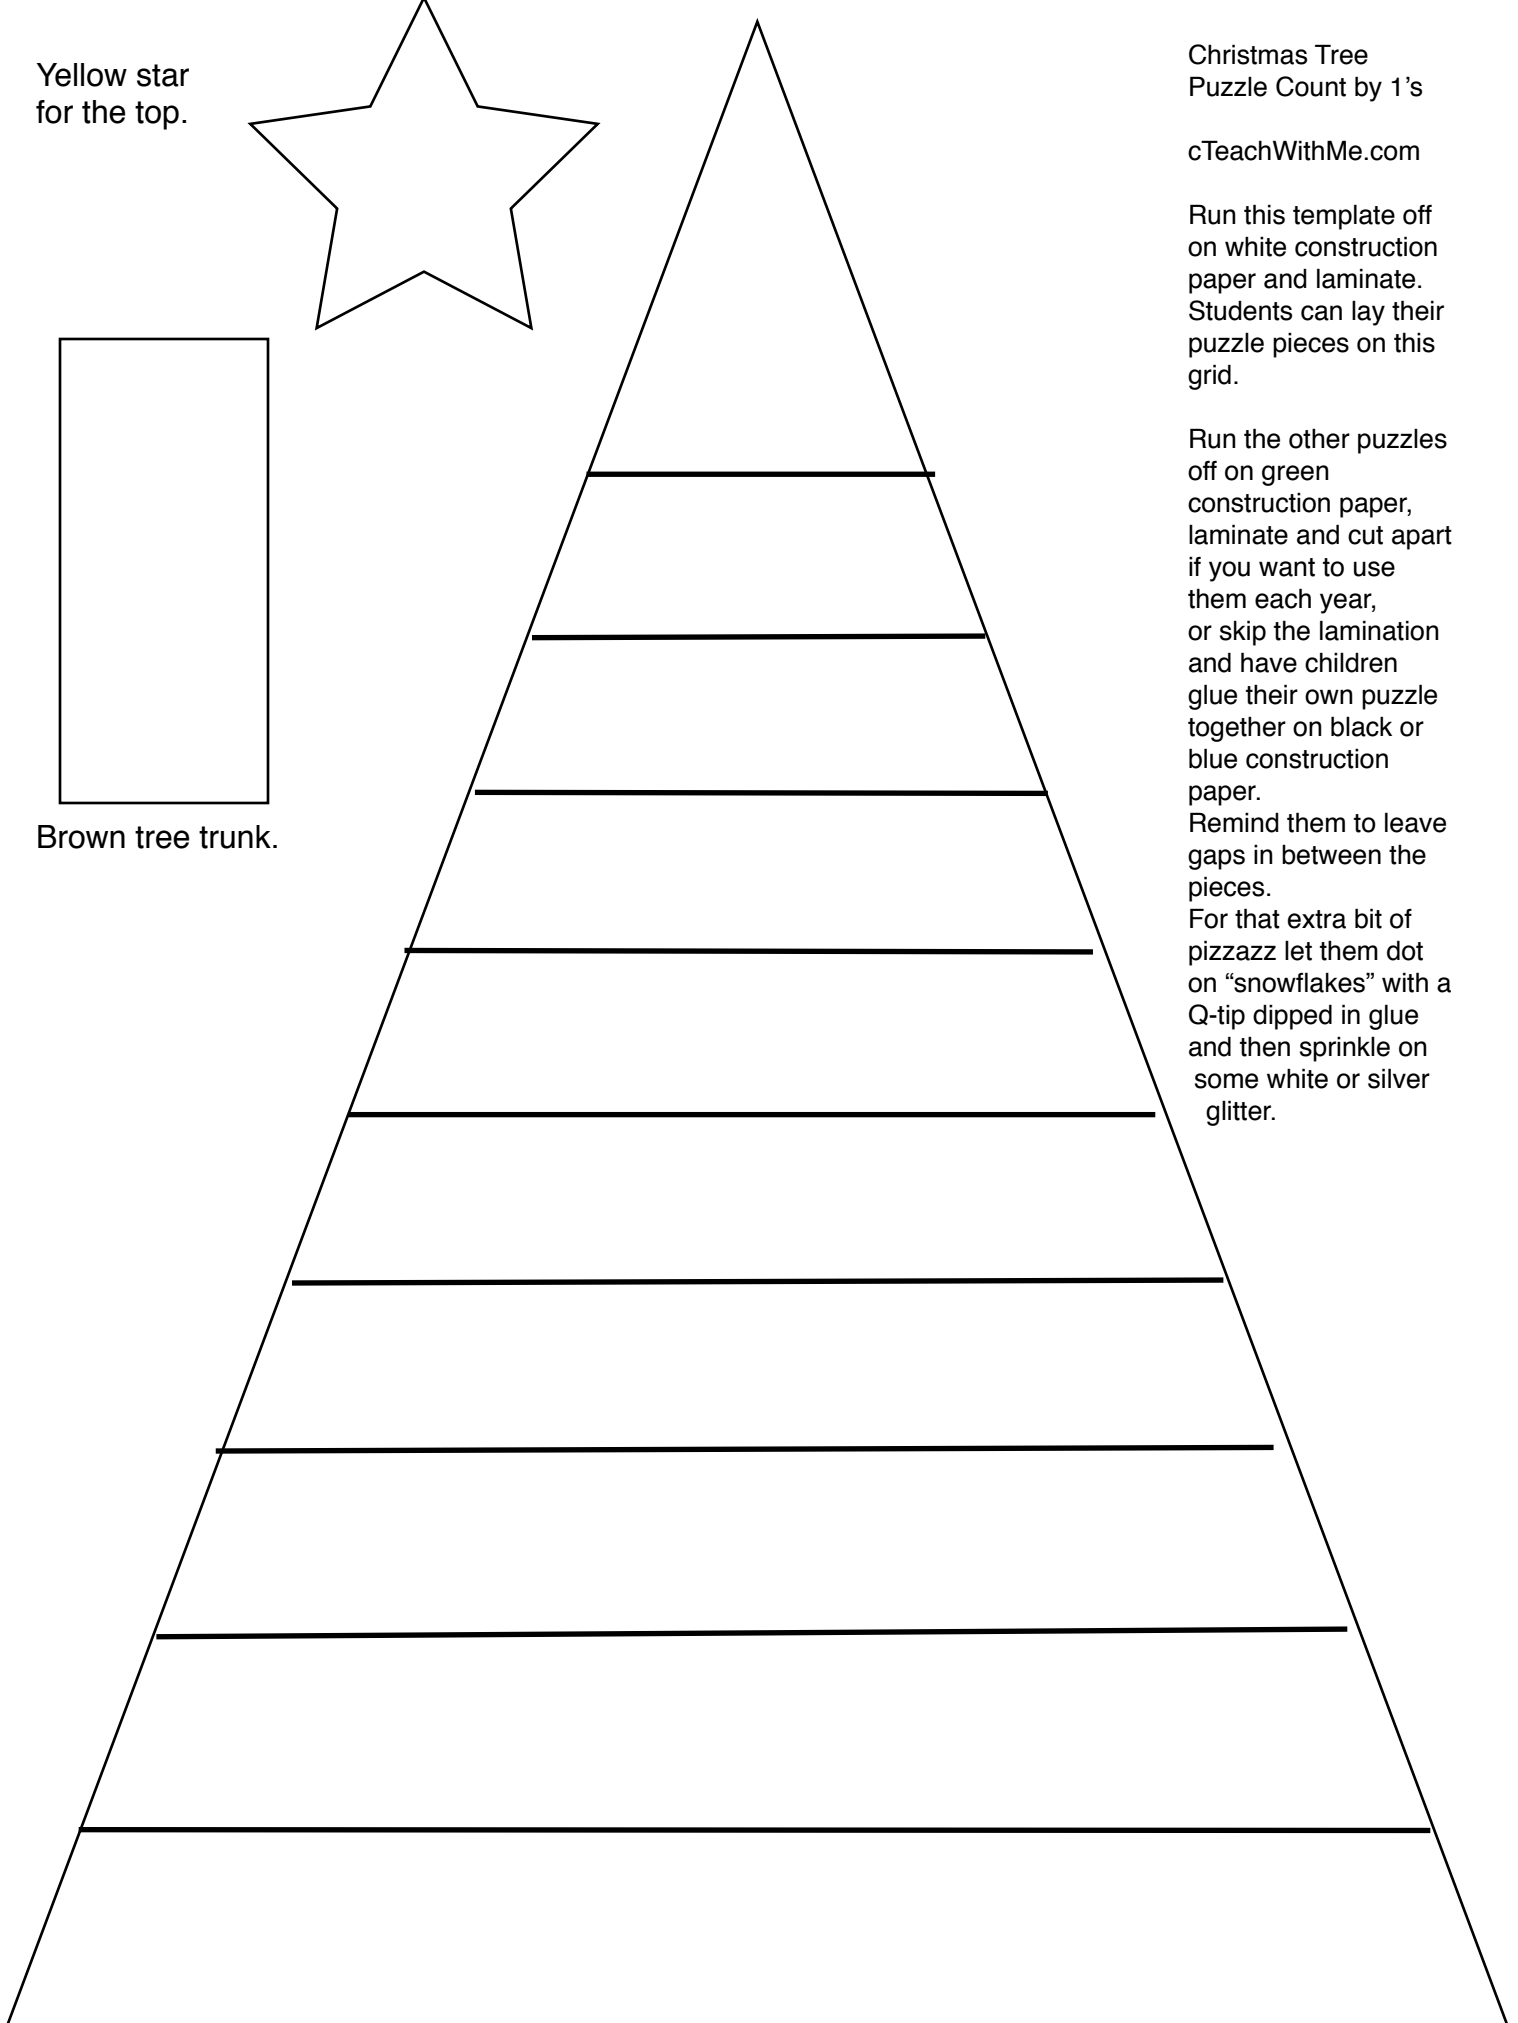

Run the other puzzles  
off on green  
construction paper,  
laminate and cut apart  
if you want to use  
them each year,  
or skip the lamination  
and have children  
glue their own puzzle  
together on black or  
blue construction  
paper.

Remind them to leave  
gaps in between the  
pieces.

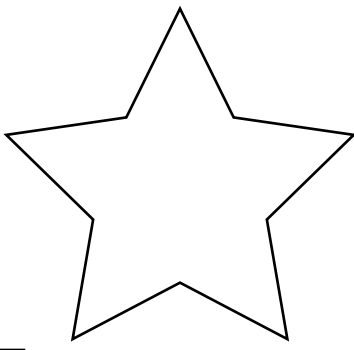

For that extra bit of  
pizzazz let them dot  
on "snowflakes" with a  
Q-tip dipped in glue  
and then sprinkle on  
some white or silver  
glitter.

Make a template or run off on green construction paper, laminate and cut apart if you want to use them each year or skip the lamination and have children glue their own puzzle together on black or blue construction paper.

Have students write a word that begins with each letter.

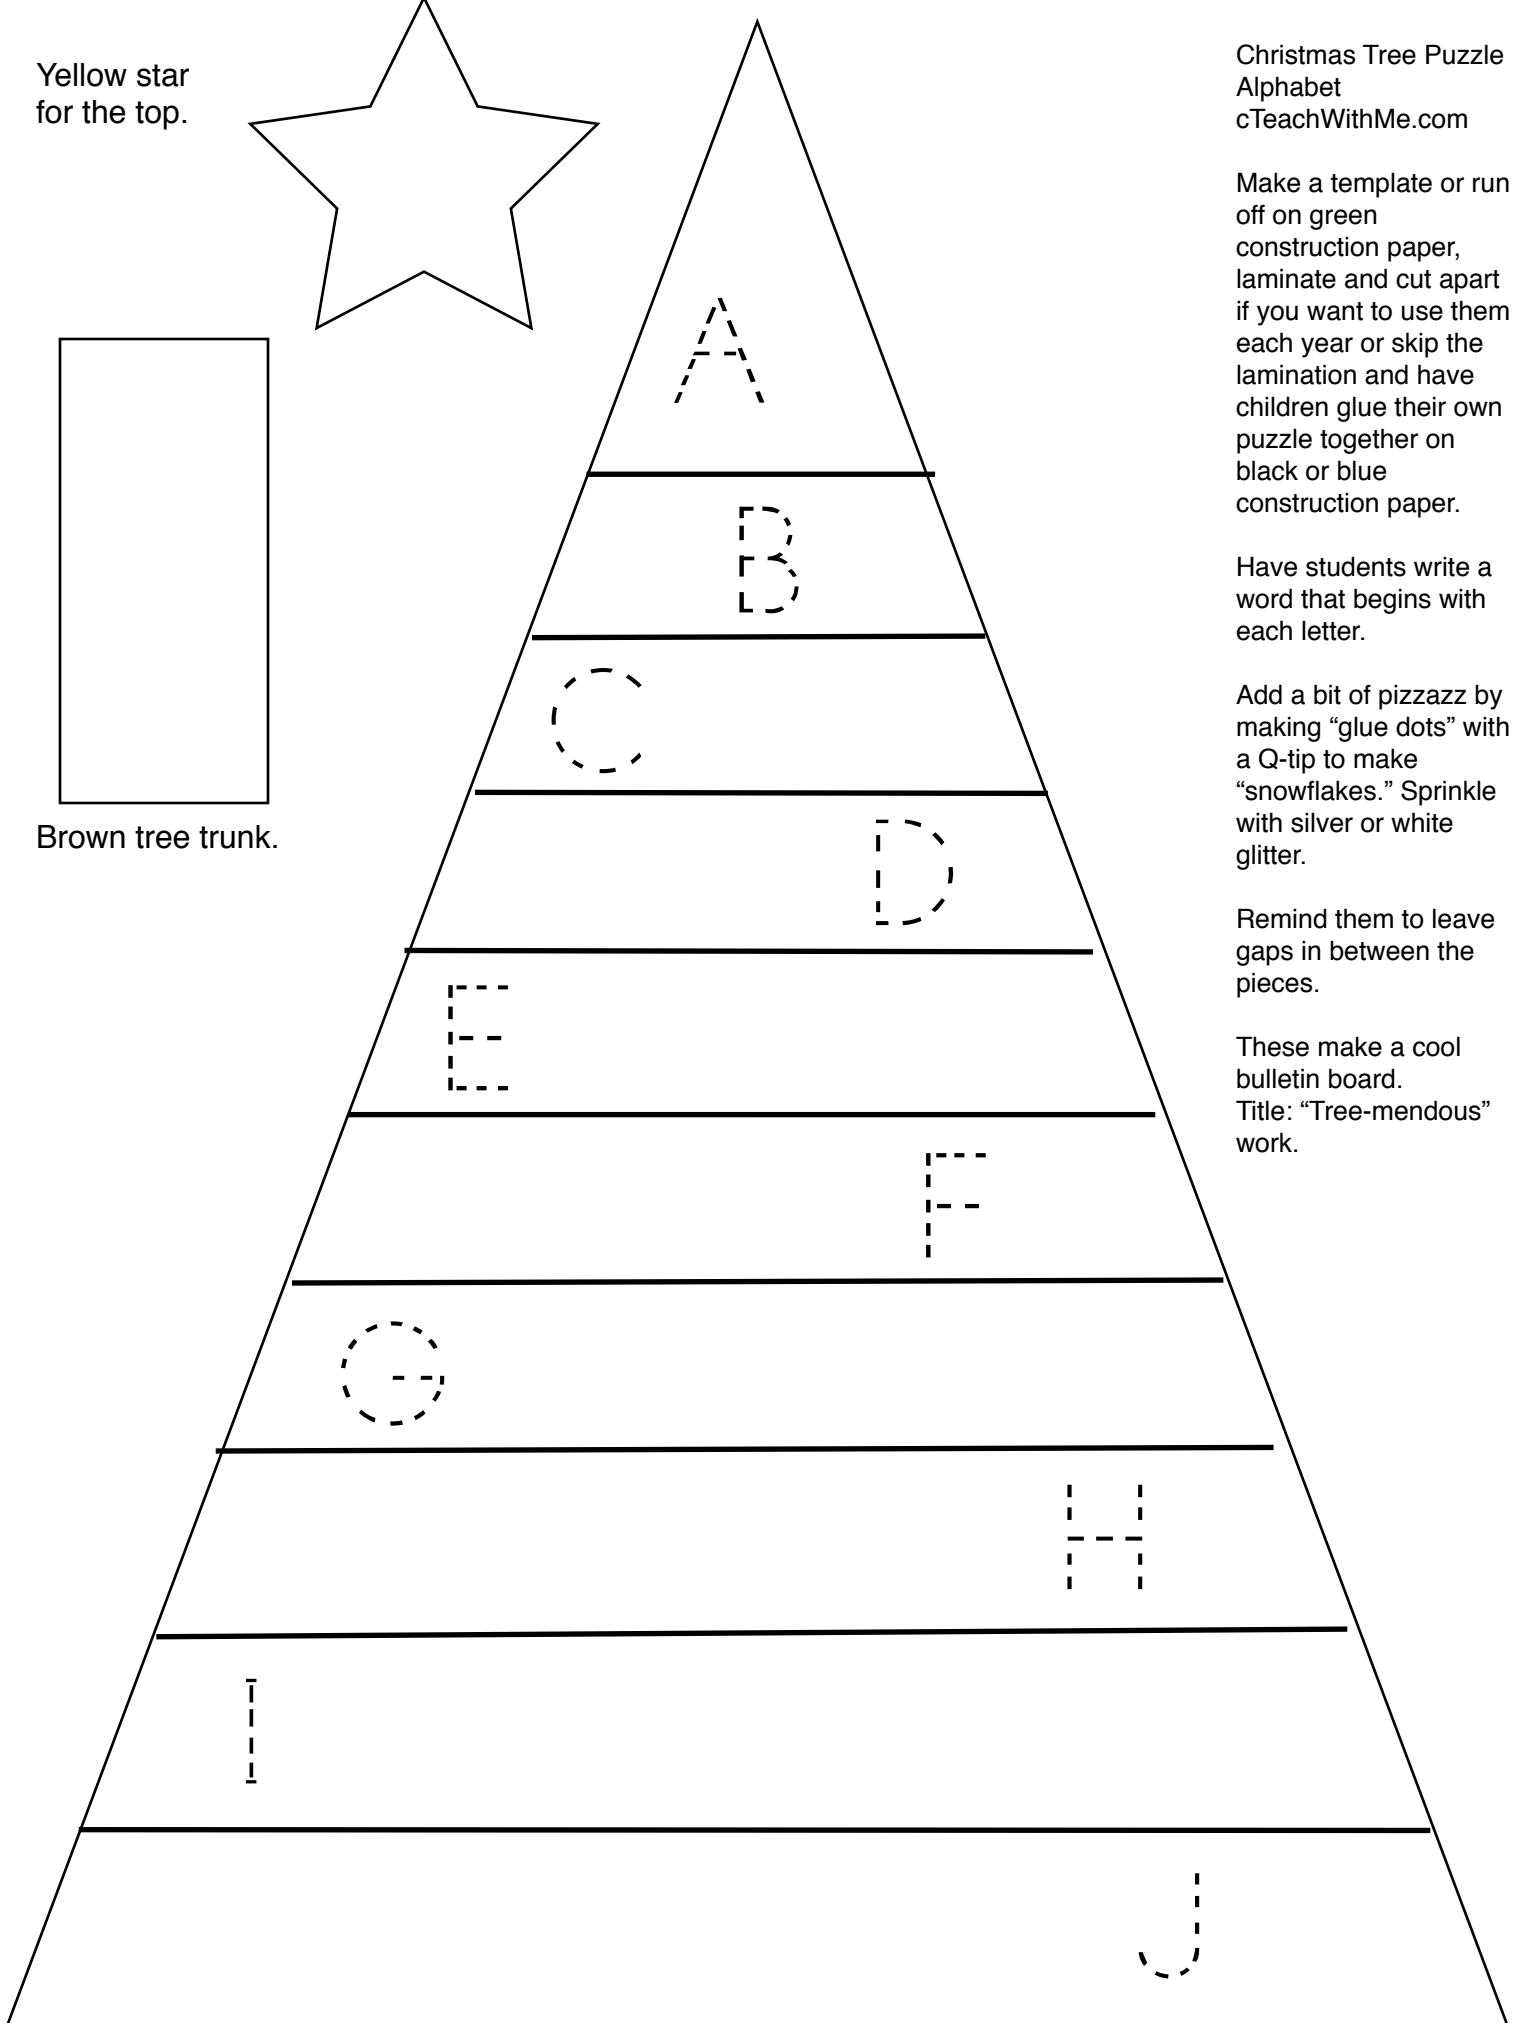

Add a bit of pizzazz by making "glue dots" with a Q-tip to make "snowflakes." Sprinkle with silver or white glitter.

Remind them to leave gaps in between the pieces.

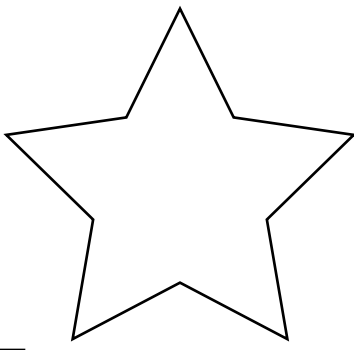

These make a cool bulletin board.  
Title: "Tree-mendous" work.
