Different:

Did you watch the Tournament of Roses Parade? If so, write about what you liked about the parade, what your favorite floats were, something you learned that you didn't know.

If you did not watch the parade, write about a parade you have seen.

Would you ever want to be in a parade? Why or why not? What would you do in the parade?

Pretend you have unlimited funds to design a float. What would your theme be, the title of your float, what it would look like, who would ride on it etc.

If you could be in a band that marched in a parade, what instrument would you play? Why? What would your uniform look like?

There's a saying that goes: "Don't rain on my parade." What do you think that means?
