Long Word Trivia

cTeachWithMe.com

While I was doing research for 100-Day, I wanted to find out what the longest words were. Over a dozen sites seemed to be copying each other. Here are a few of my personal favorites.

Antidisestablishmentarianism (28 letters)

According to Funk & Wagnall's New Standard Dictionary of the English Language, this word means: "A doctrine of opposition to disestablishment (withdrawal of state patronage, support, or exclusive recognition from a church)". It is said to have been used once by British Prime Minister William Ewart Gladstone (1809 - 1898).

Floccinaucinihilipification (29 letters)

This is found in the Oxford English Dictionary, and means "the action or habit of estimating something as worthless".

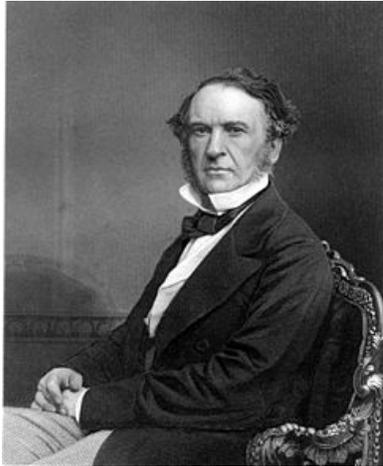

Supercalifragilisticexpialidocious (34 letters)

Antidisestablishmentarianism (28 letters)

According to Funk & Wagnall's New Standard Dictionary of the English Language, this word means: "A doctrine of opposition to disestablishment (withdrawal of state patronage, support, or exclusive recognition from a church)". It is said to have been used once by British Prime Minister William Ewart Gladstone (1809 - 1898).

Floccinaucinihilipipification (29 letters)

This is found in the Oxford English Dictionary, and means "the action or habit of estimating something as worthless".

Supercalifragilisticexpialidocious (34 letters)

From the Disney movie *Mary Poppins*. You say it when you have nothing else to say.

**Bababadalgharaghtakamminapronnkonnbronntonnepr
onnt-
uonnthunntrovarrhounawnskawntooohoordeenthu
rnuk
(100 letters)**

This word is on the first page of *Finnegans Wake* by James Joyce, and is a symbolic thunderclap representing the fall of Adam and Eve. *Finnegans Wake* is a work of comic prose that is one of the most difficult works of fiction in the English language. (It is said that other 100-letter words are also included in the book.) It took Joyce seventeen years to write it.

**Lopadotemachoselachogaleokraniroleipsanodrimhypotrim-
matosilphiparaomelitokatakechymenokichlepikeossyphophat
topesteralektryonoptekephalliokiglopeleiolagoiosiraiobap
hetraganopterygon (182 letters)**

The English translation of a Greek word, which means, "*a goulash composed of all the leftovers from meals of the last two weeks*".
