

Fill in your grade.

Write a note to next year's student.

Flip Up

Dear new first grader, You're going to have a "tree-mendous" school year because you'll learn to read! You'll get to visit the zoo and write an animal report.

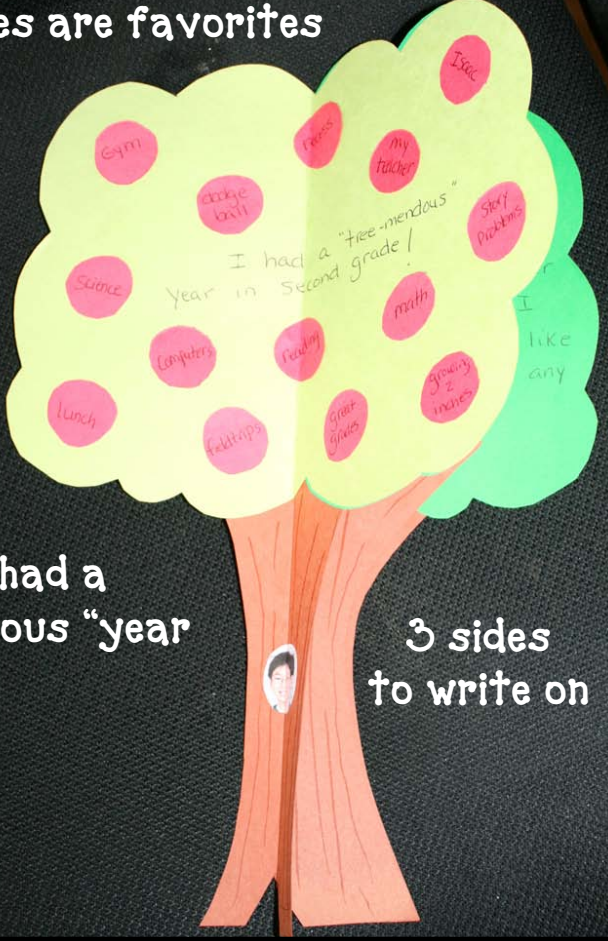

You'll have a lot of fun for 100 Day doing all sorts of interesting math activities. You'll enjoy Hat Day during Dr. Seuss week too. I wish you a tree-mendous year!

year in

Run off on green construction paper.

Students trim and complete the writing prompt of why the new student is going to have a tremendous year in school.

When they have completed their note they “hinge” it to the back of their treetop so that when the front is flipped up their writing will be revealed.

To make this even more personal, have students include their school photo.
