Run off on yellow construction paper; laminate & trim. Students count the seeds, and then match the seed circles to the numbered pumpkins. To make this self-correcting, write the number on the back of the seed circle.

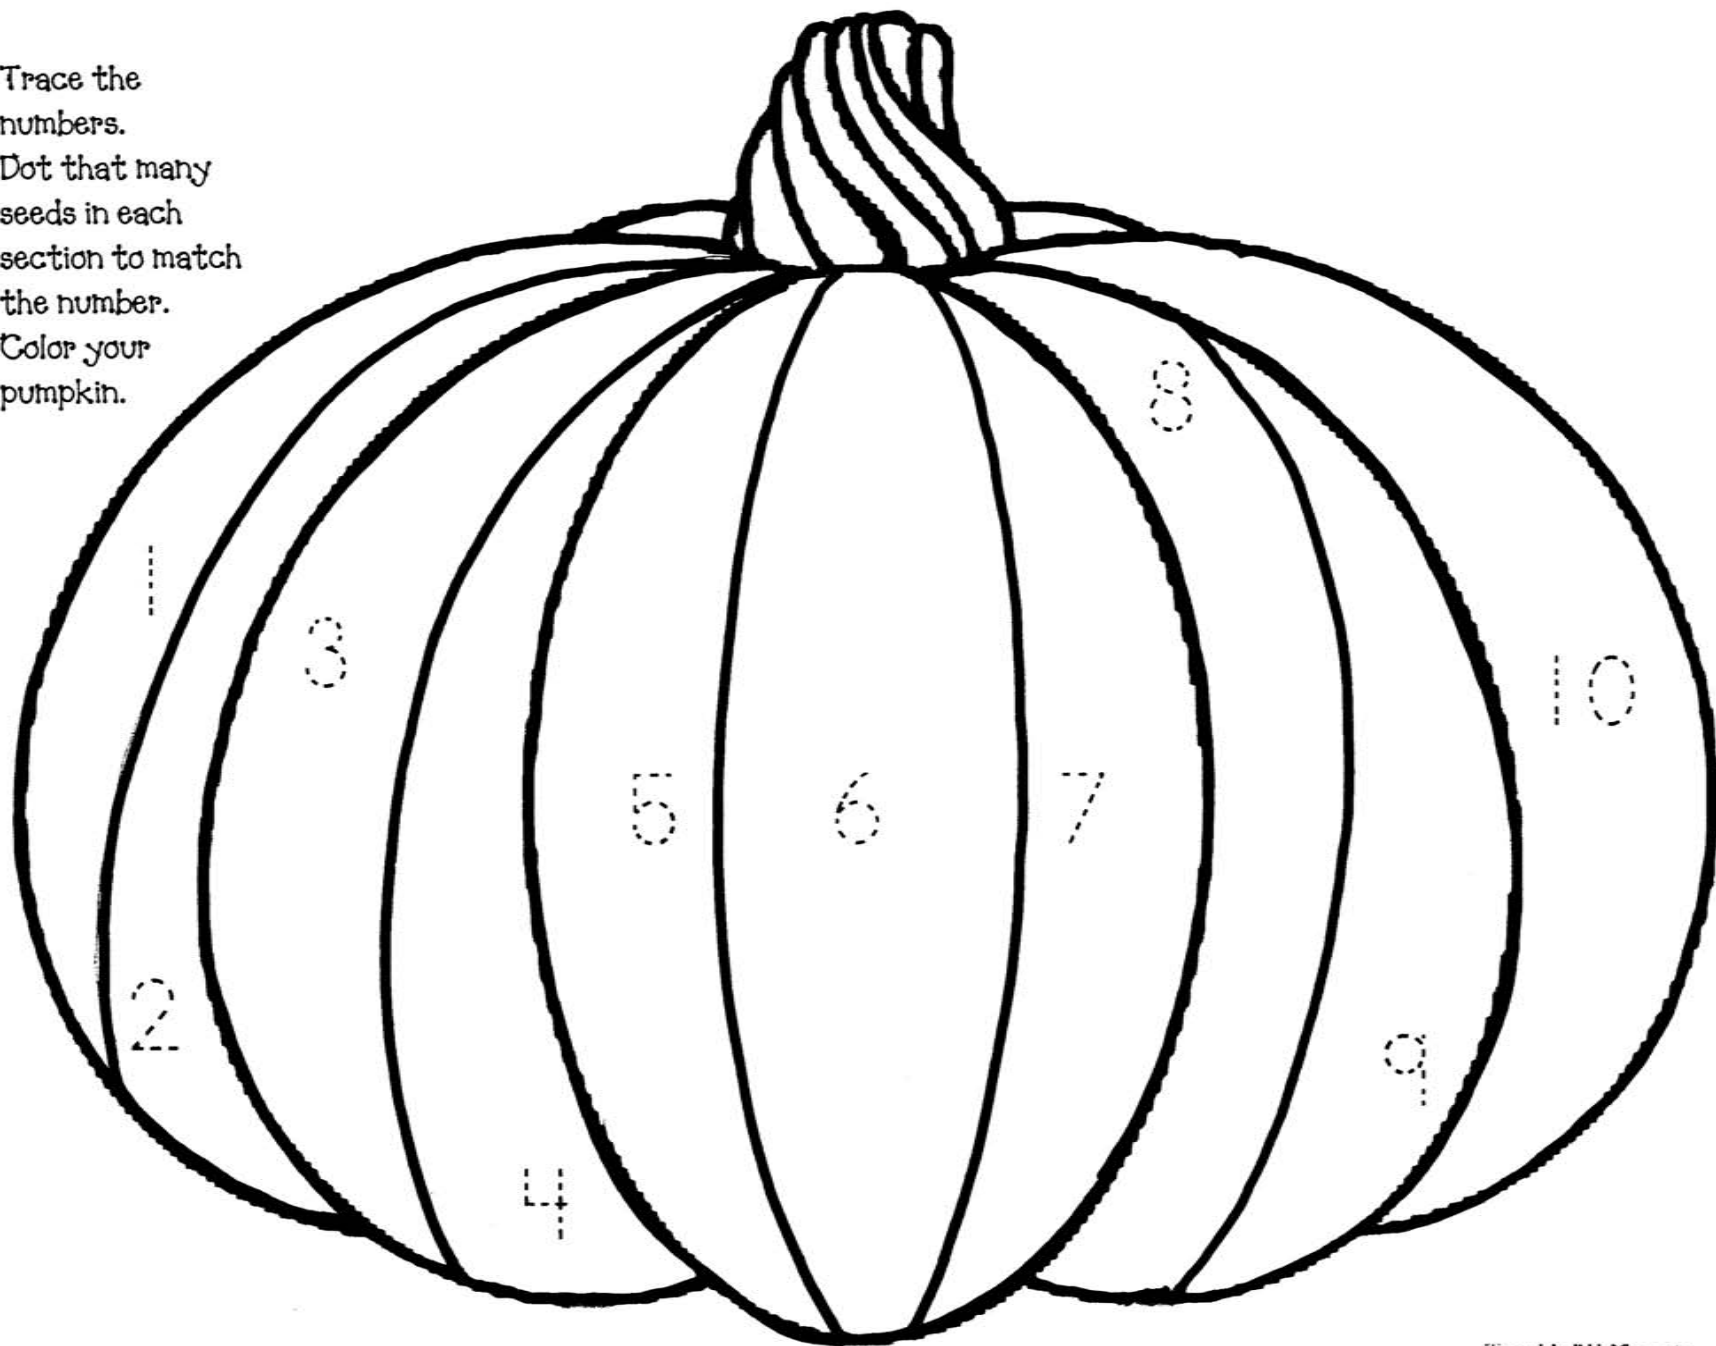

Run off on yellow construction paper; laminate & trim. Students count the seeds, and then match the seed circles to the numbered pumpkins. To make this self-correcting, write the number on the back of the seed circle.

Run off on yellow construction paper; laminate & trim. Students count the seeds, and then match the seed circles to the numbered pumpkins. To make this self-correcting, write the number on the back of the seed circle.

Trace the
numbers.
Dot that many
seeds in each
section to match
the number.
Color your
pumpkin.

Show Me The
Number!**

Show me the number.

A large, empty pumpkin outline with a stem at the top. Inside the pumpkin, there are five lines of text for writing: 'number:', 'number word:', 'tally marks:', 'addition equation:', and 'subtraction equation:'. At the bottom, there is a line of five dashes followed by '<', another line of five dashes followed by '&', a third line of five dashes followed by '>', and a final line of five dashes. Below these lines is the word 'group:'.
