Dear New Student,

You are going to LOVE being in Mrs. Henderson's 2nd grade class.

She reads awesome stories and even does math and science magic tricks!

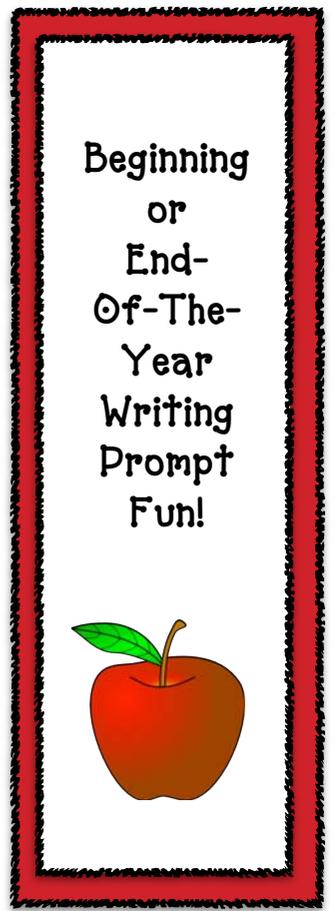

You'll get to learn and do all sorts of really cool stuff like dissecting a cow's eye!

We also went on a field trip to see butterflies, which was my favorite unit.

I hope you have a super year as you sail into second!

There are lots of ways to make an Award Folder Holder. This is one of my samples, featuring a few of the options that I chose to include. Because students design this award, everyone's will be different. You simply decide what things you want your students to do, and then give them a few days to work on it. They arrange things however they want.

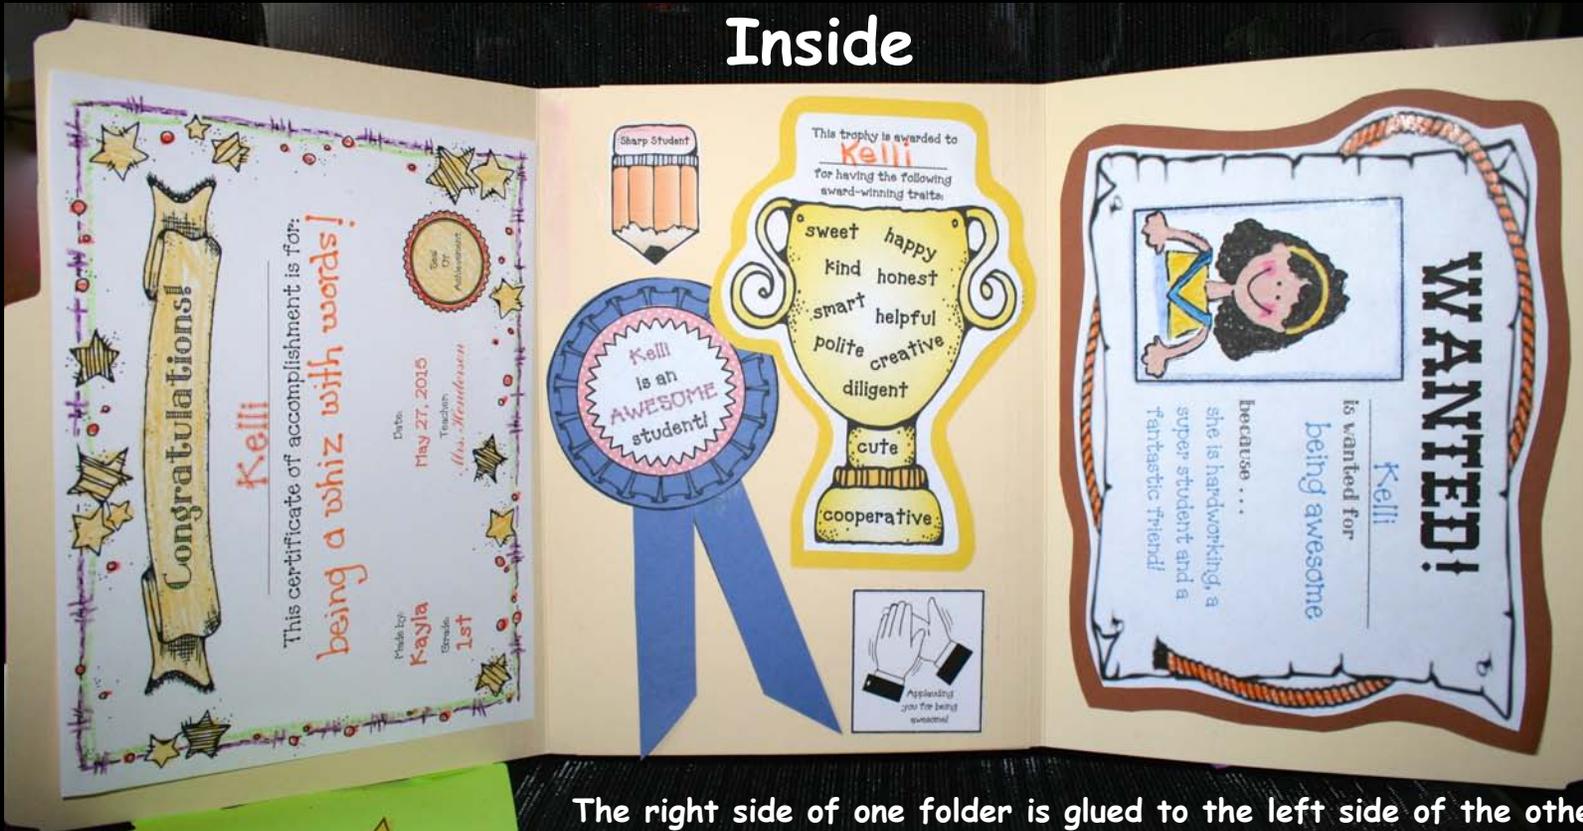

Inside

The left side also flips open to reveal the full inside pages shown on the next page.

I glued 2 folders together for this award.

Inside

The right side of one folder is glued to the left side of the other to make a tri fold Award Folder.

I folded the pennant tabs over and glued them so that the flag will flip over to reveal the certificate I made. I glued the pencil over the tabs to hide them.

The pennant flips over.

This is another option students can choose to include in their Award Folder Holder. A fun way to compliment the award winner, while practicing the use of adjectives.

Incorporate technology into the Award Folder Holders with "word art". I explain how and give you 8 quick, easy and fun sites with "word cloud generators". It's another super-fun option to add pizzazz.

Create a word art balloon. Students can choose this as one of the cover options for their Award Folder Holder.

Add a ribbon or yarn string for a 3D touch.

They can do this by hand or use one of the word cloud programs explained in the packet.

Run the bows off on a variety of colors. Students trim and add to the neck of their balloon. For that finishing touch, add a photo to the center.

Teachers could also make a balloon for each of their students and display them in the hallway with one of these posters.

Dear Family,

To celebrate all we have accomplished this year, we are making awards for our classmates.

I am making a special award for my friend

Kelli

As part of our award, we are attaching a candy treat. Kelli's 3 favorite candies are: Rollos, Sweet Tarts and Starbursts.

I'd like to buy just ONE for them. Would you please give me a job, so that I can earn a dollar. Afterwards, could you please take me to the store to purchase this little gift?

I need to return it to school in a Baggie, with the attached tag that I'm going to color, on or before

Friday, May 21st

Thanking you in advance.
Love,

Kayla

Students pick a partner to make an award for and then interview them to collect some data, which they use to incorporate into their award.

The Dollar Store sells an entire aisle of boxed & packaged candy.

You might want to make a list of everyone's favorites on the board to help with spelling.
