Hi.

Your child is having difficulty with some of the upper and lowercase letters.

Would you please have them trace the letters and color the pictures to make their learning board more fun.

Later, ask for the various letters and have them point to them.

If they get any wrong, circle those letters, so that you can continue to practice those.

When you are confident that your child knows their letters, please sign and return to me.

Thanks in advance for your cooperation.
