Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

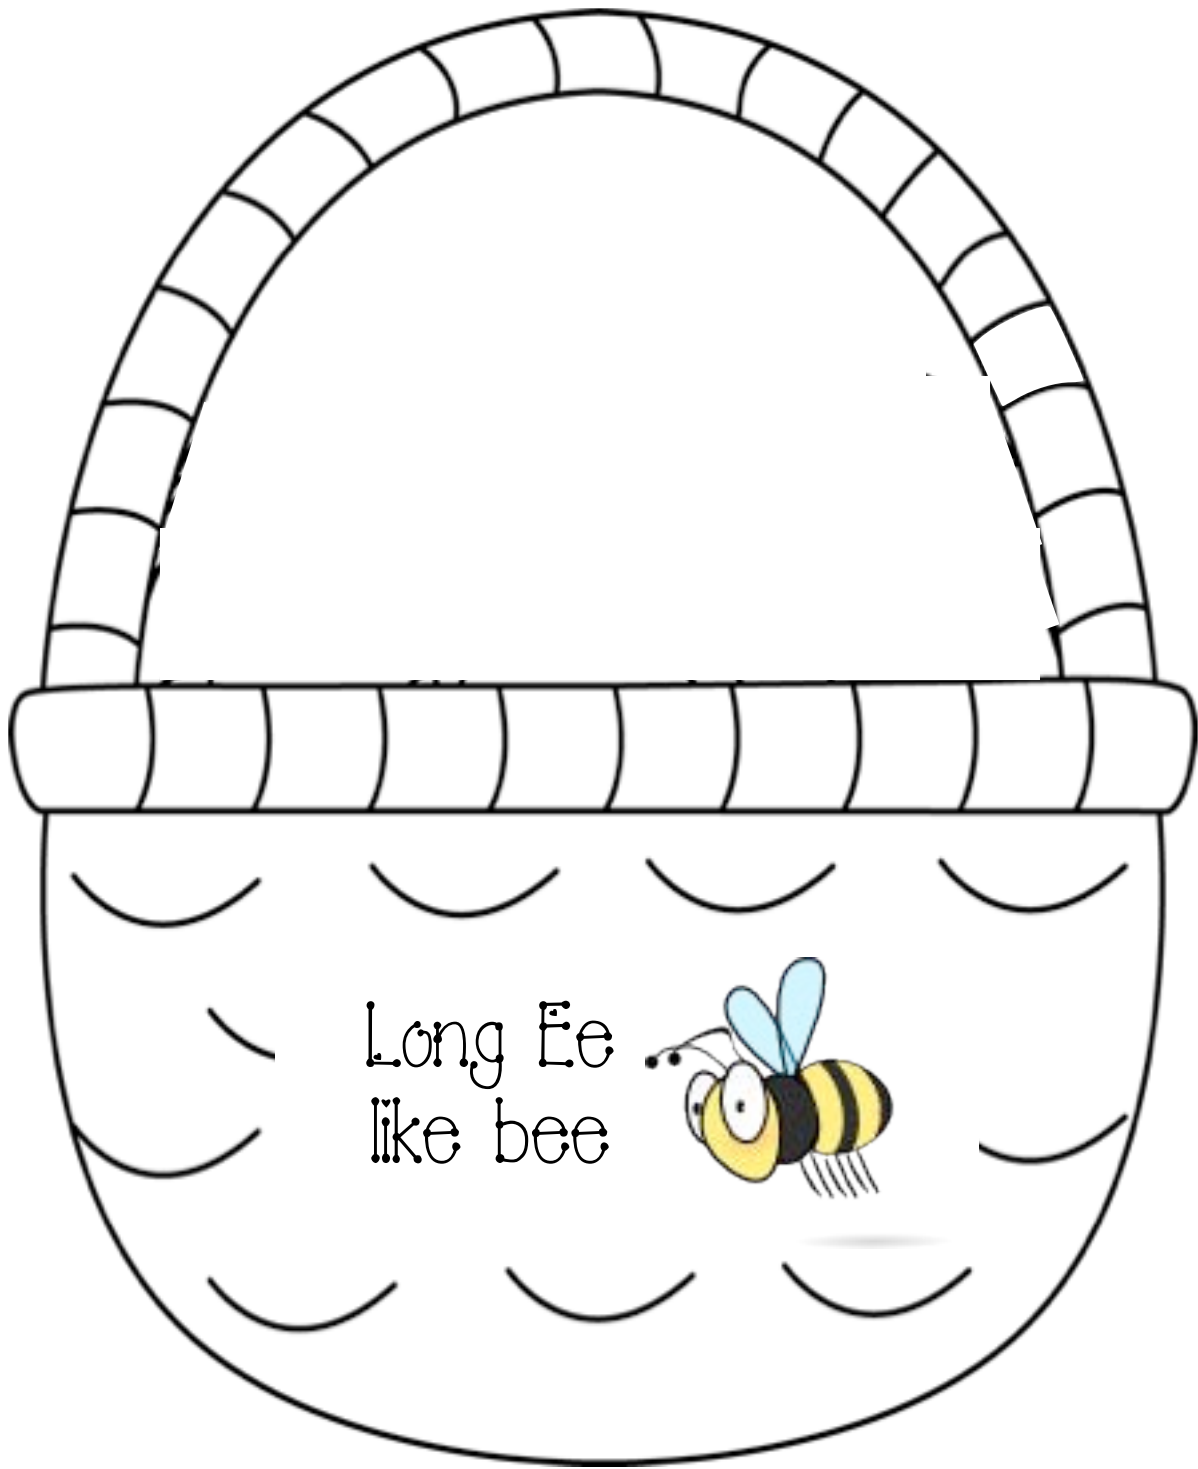

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

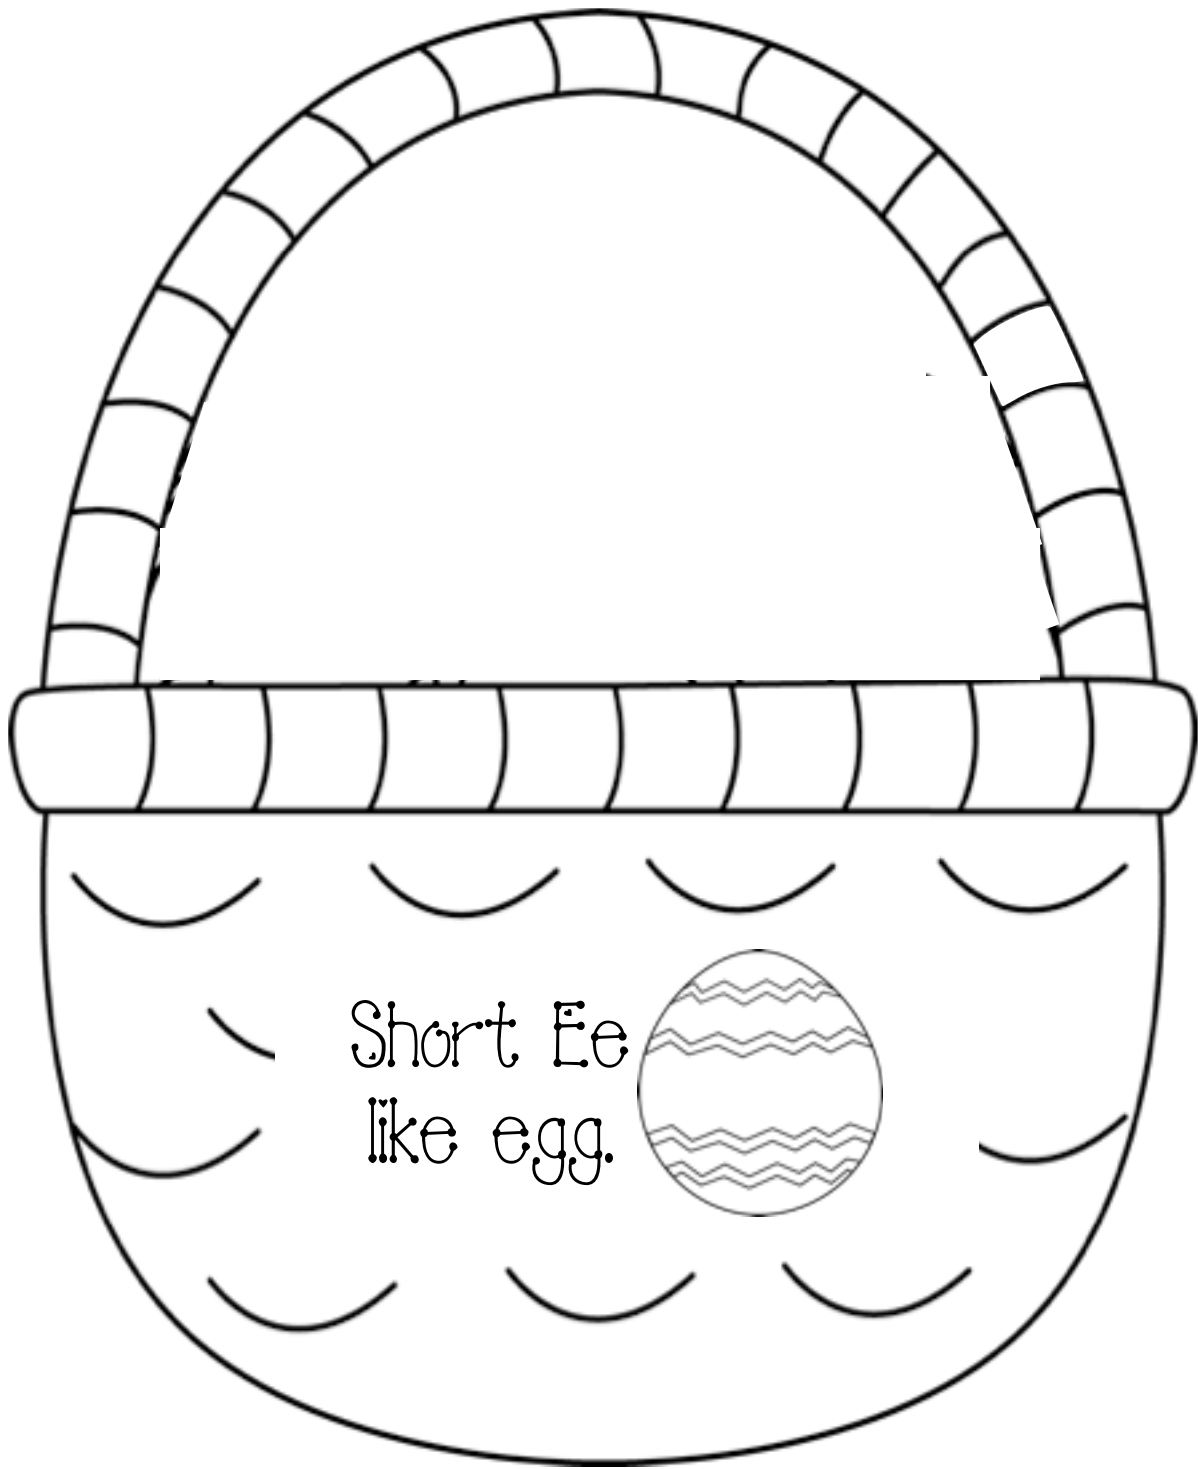

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

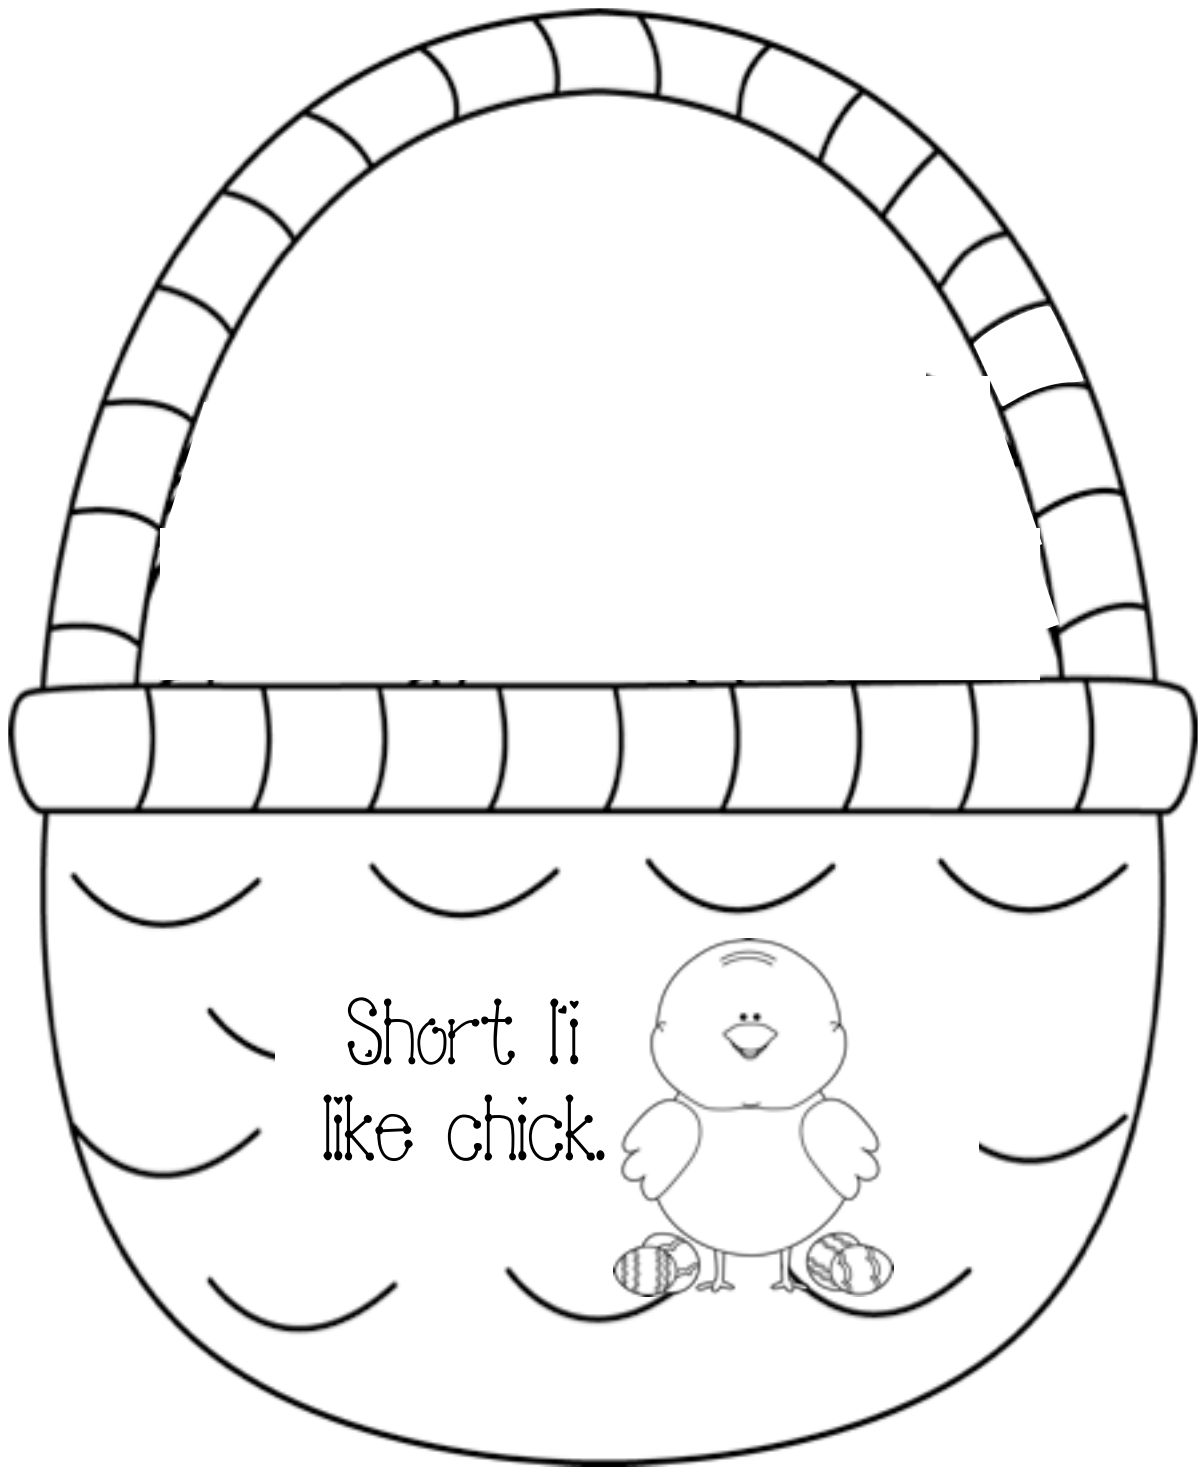

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

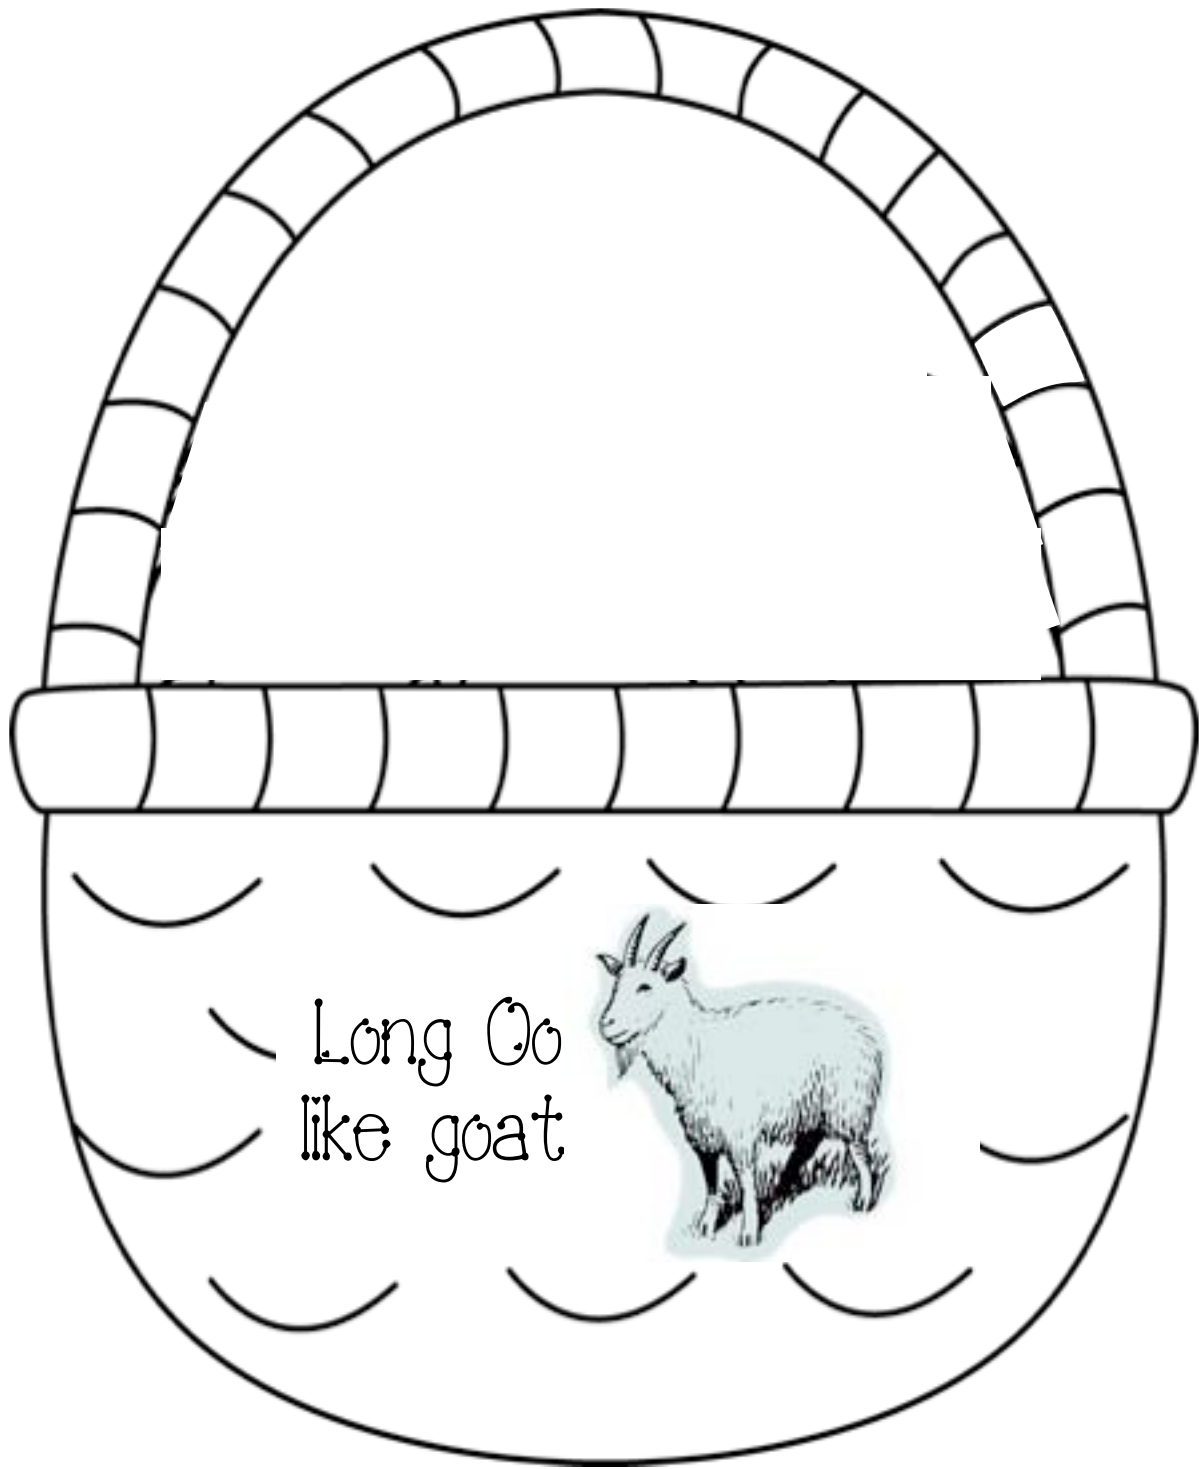

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

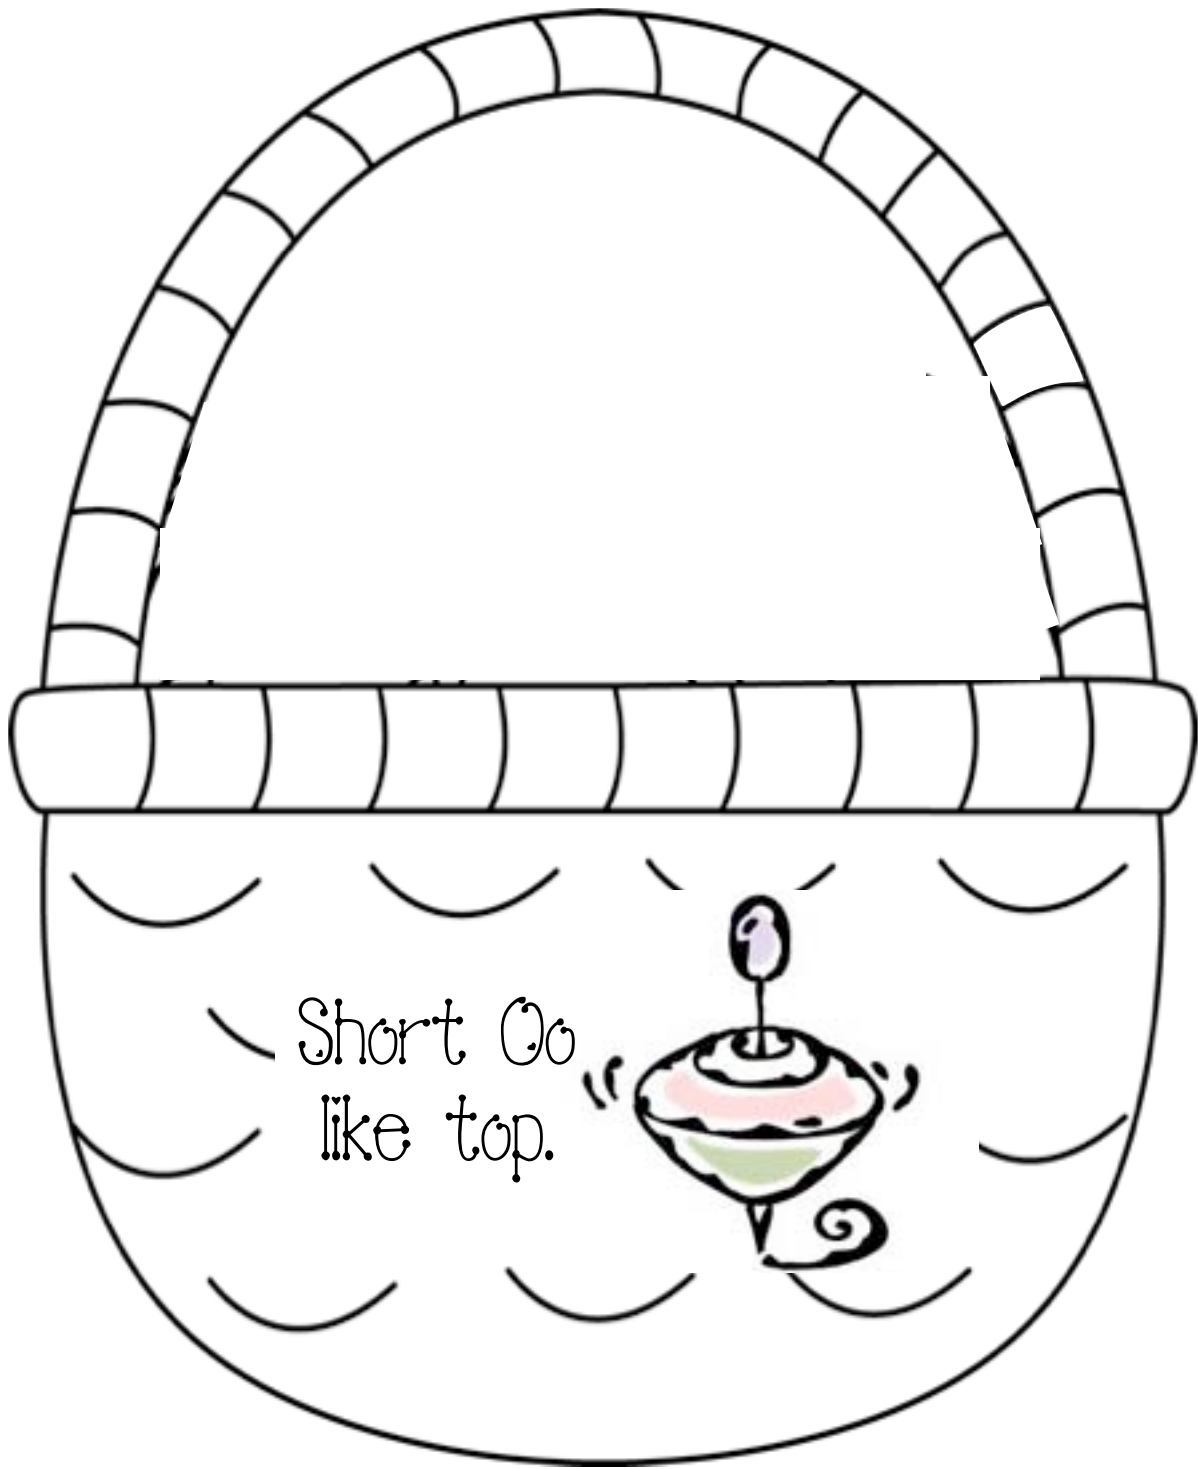

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

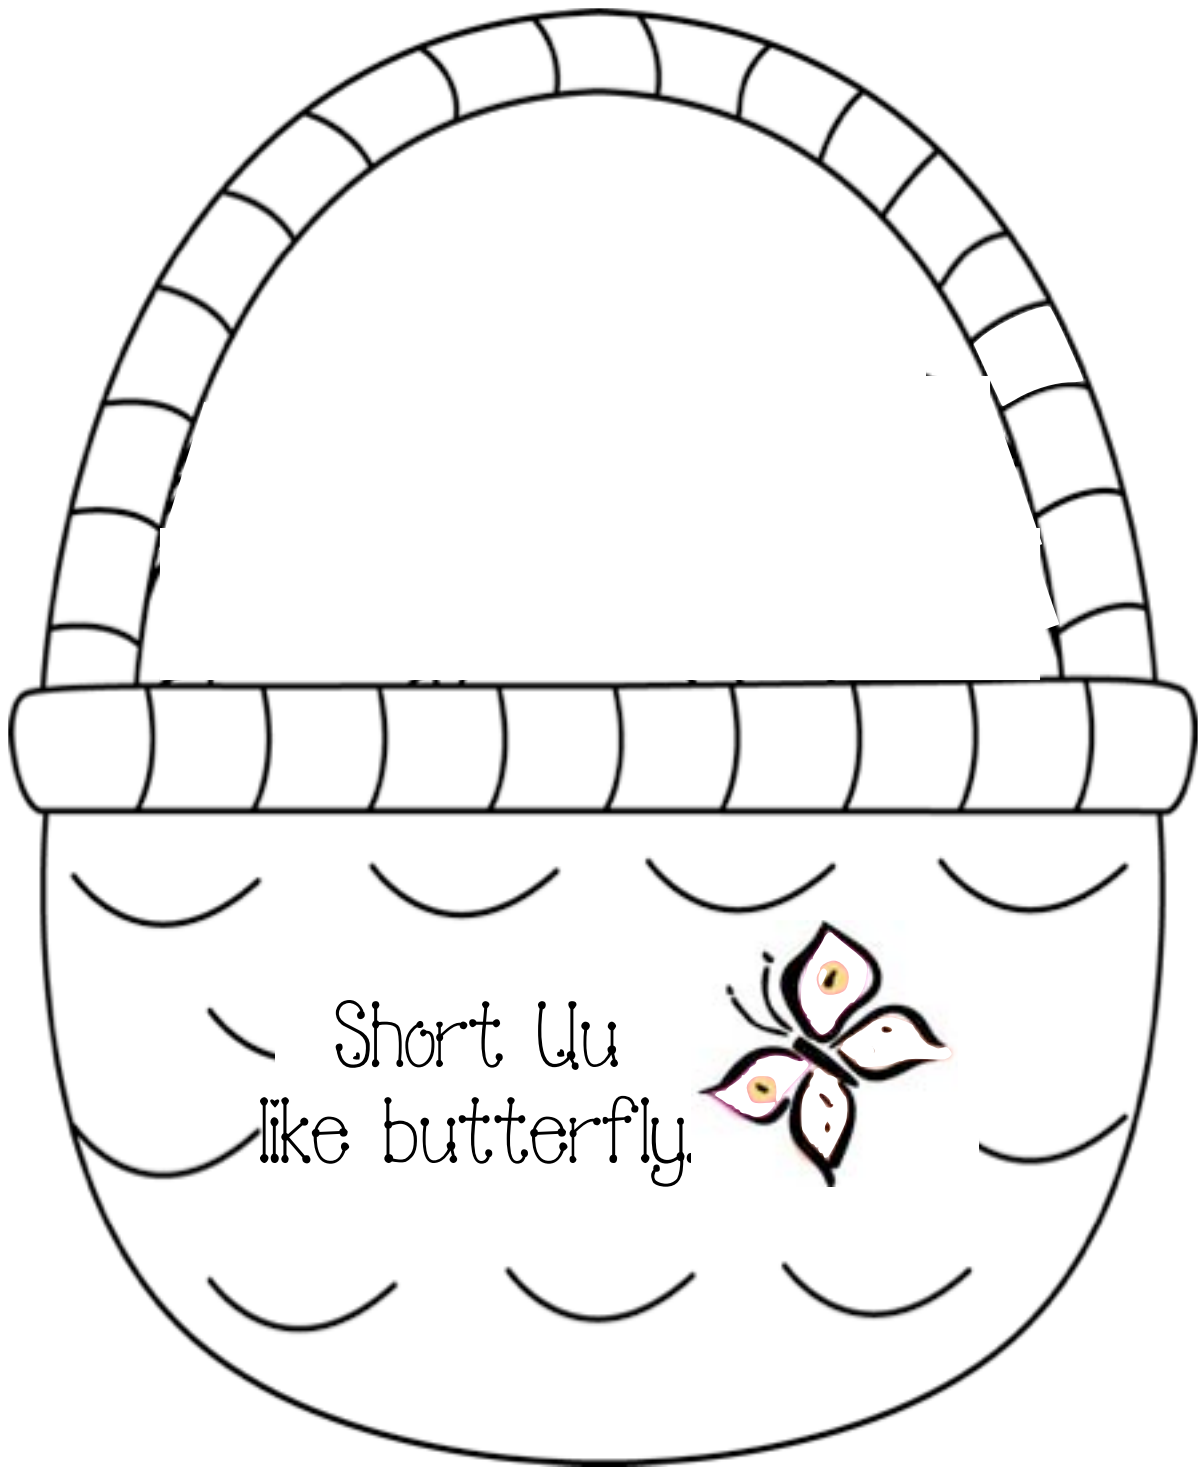

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

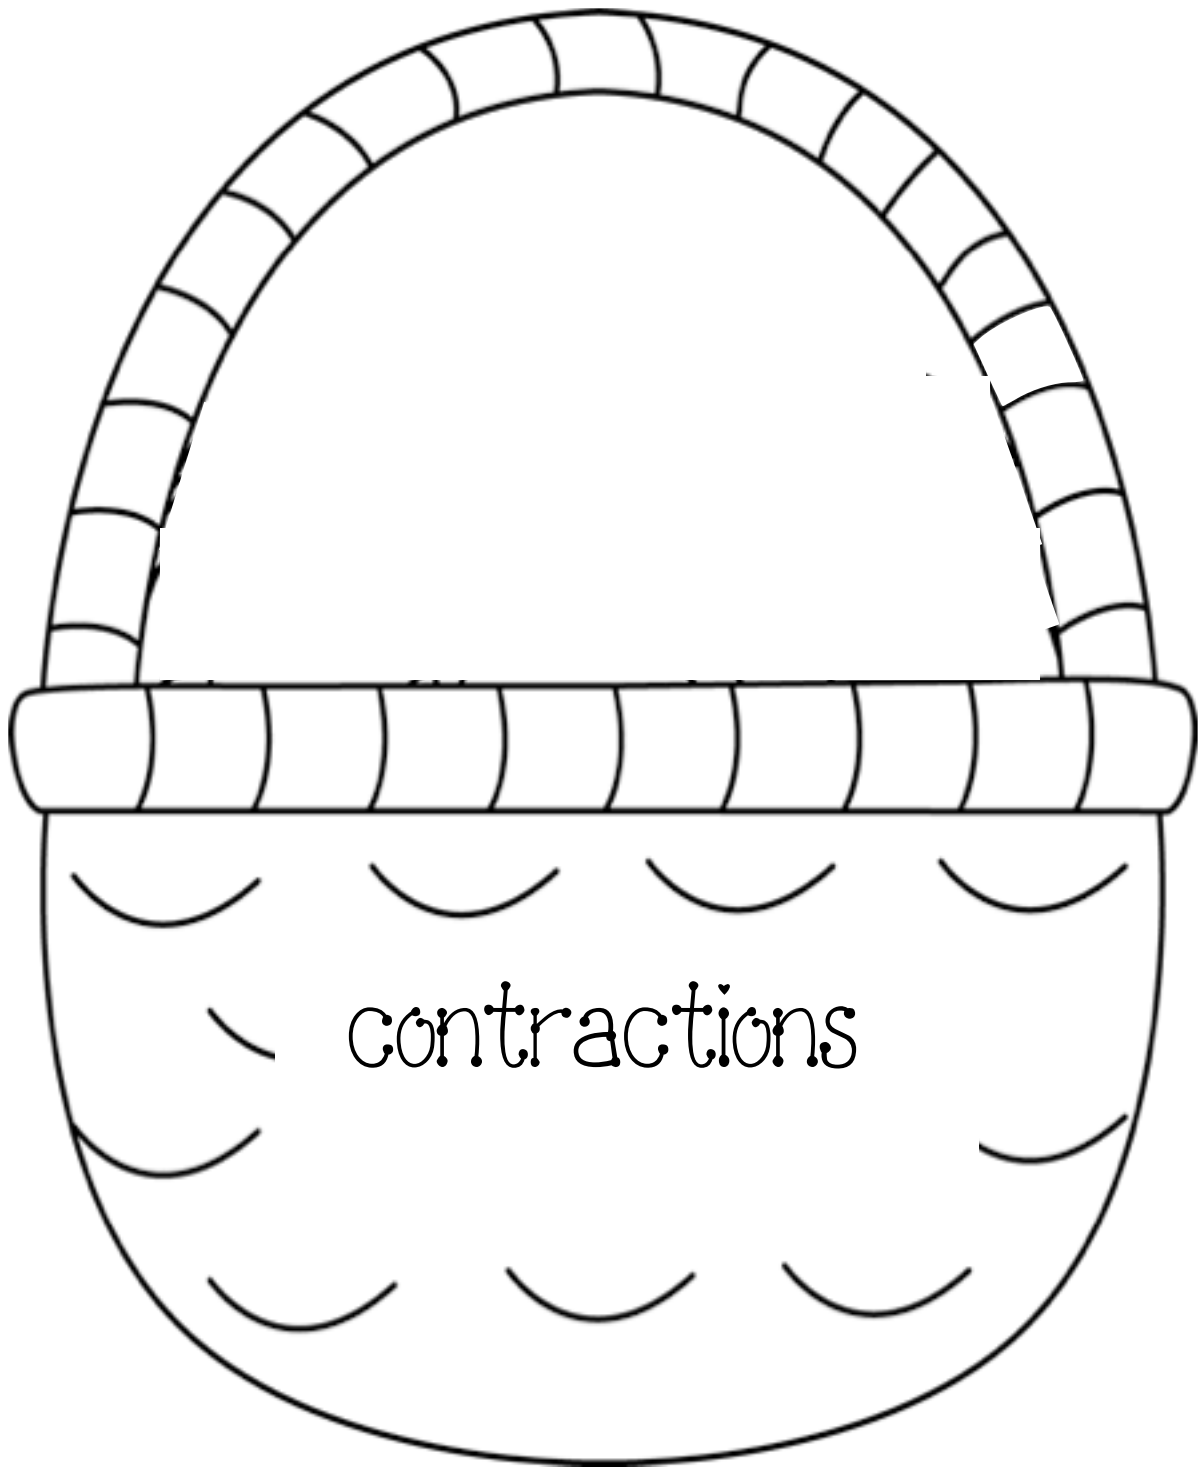

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

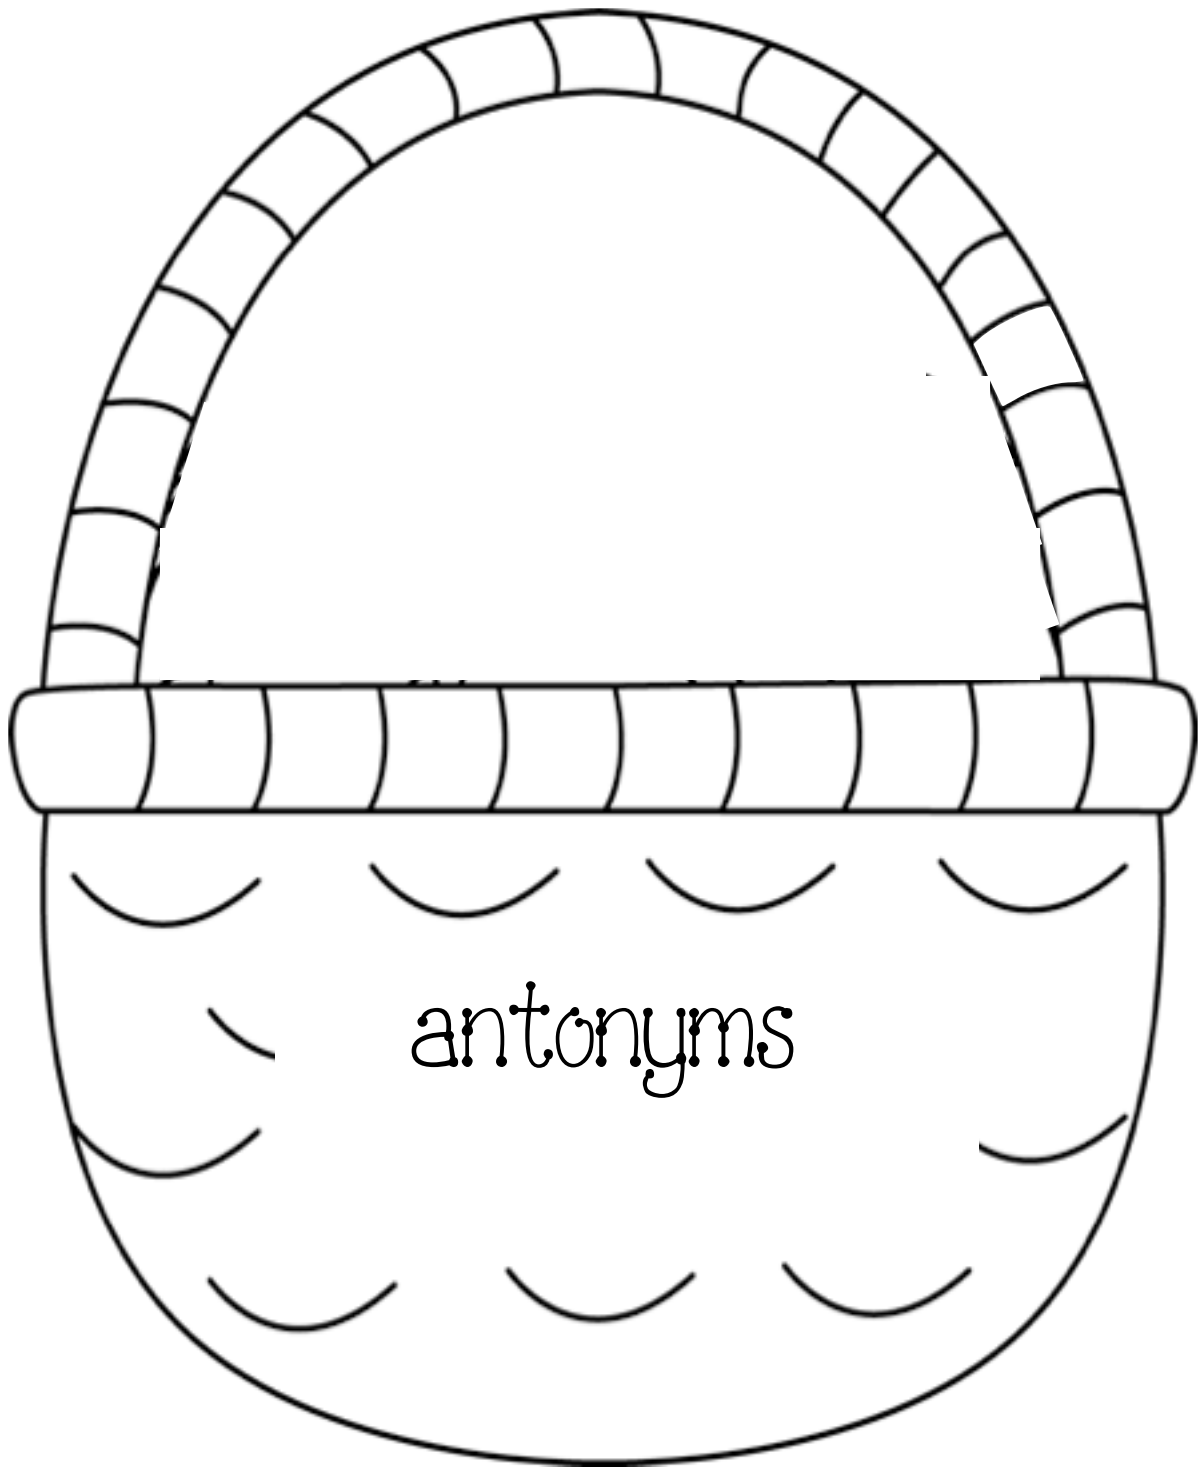

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

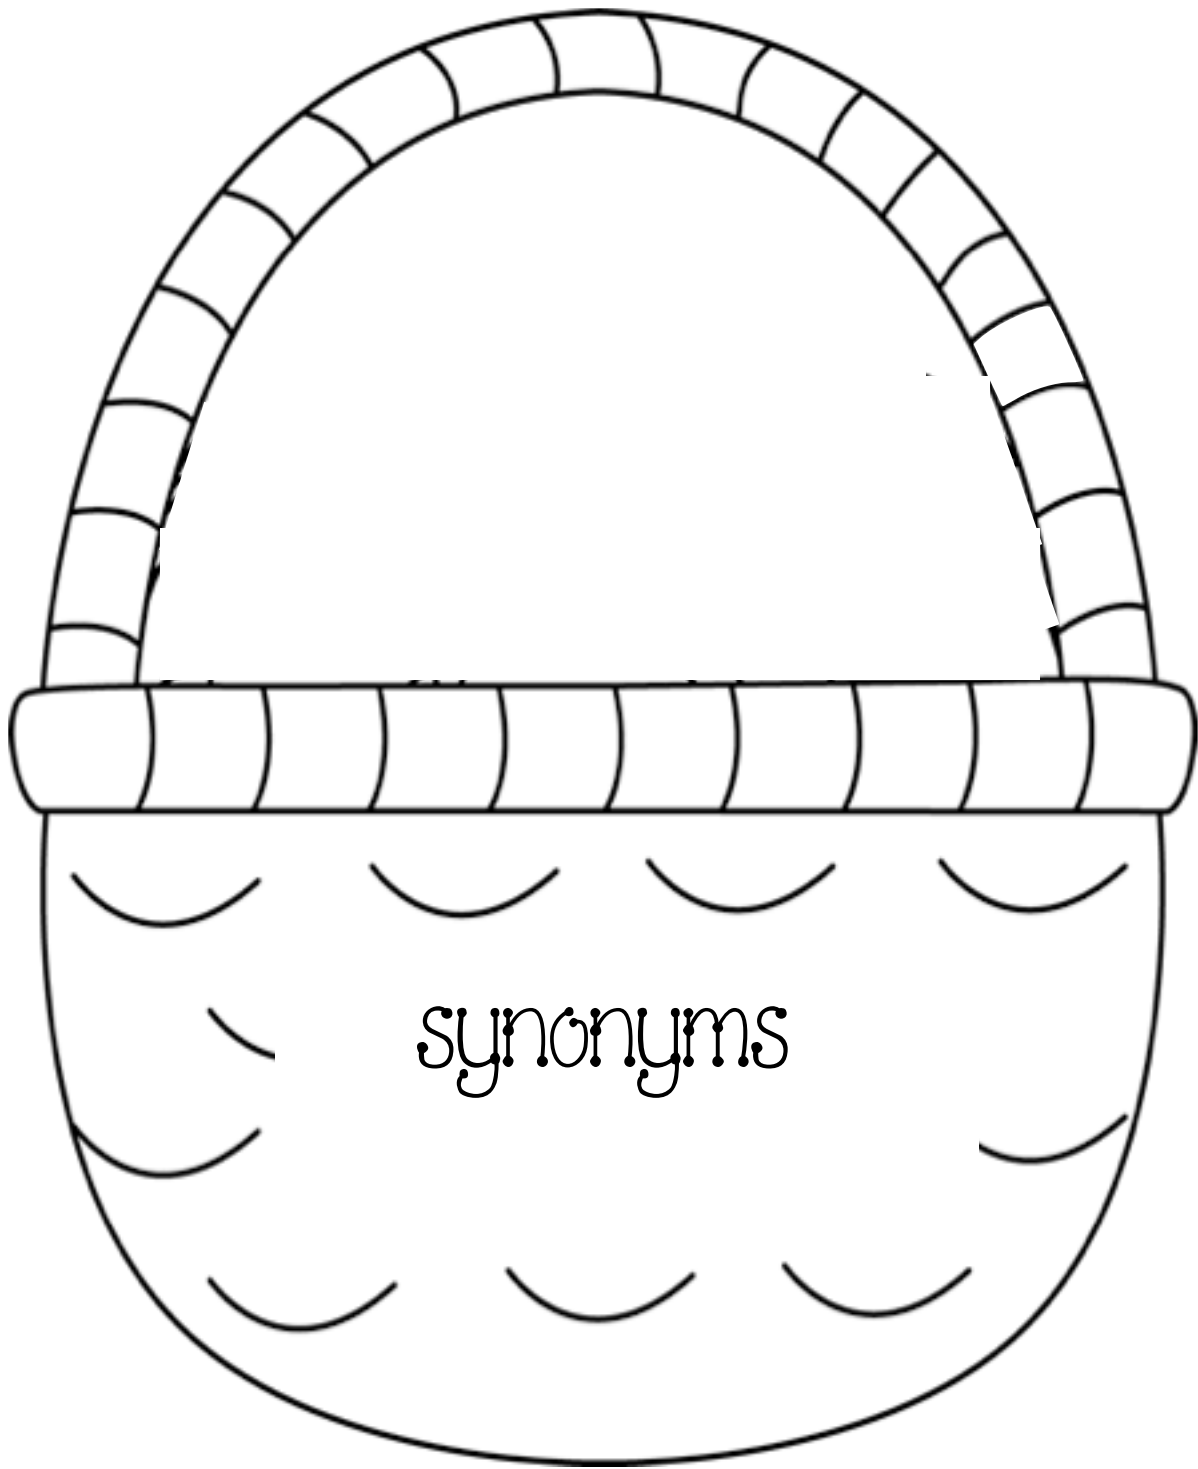

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

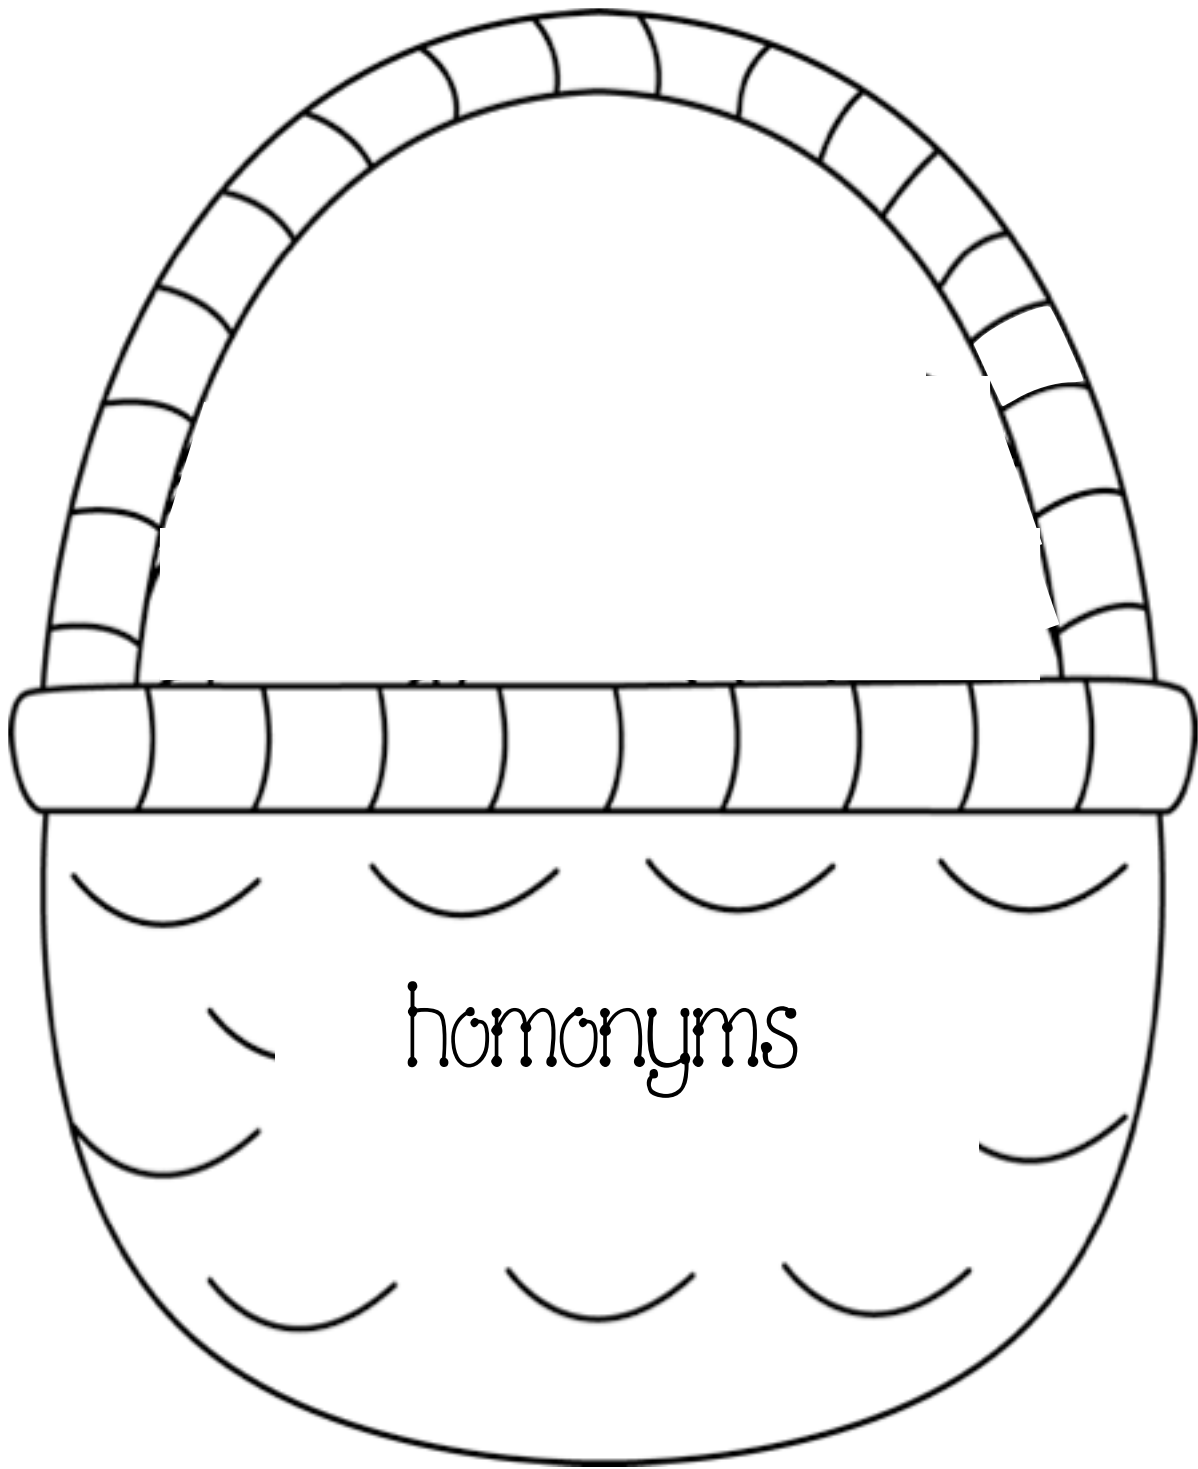

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

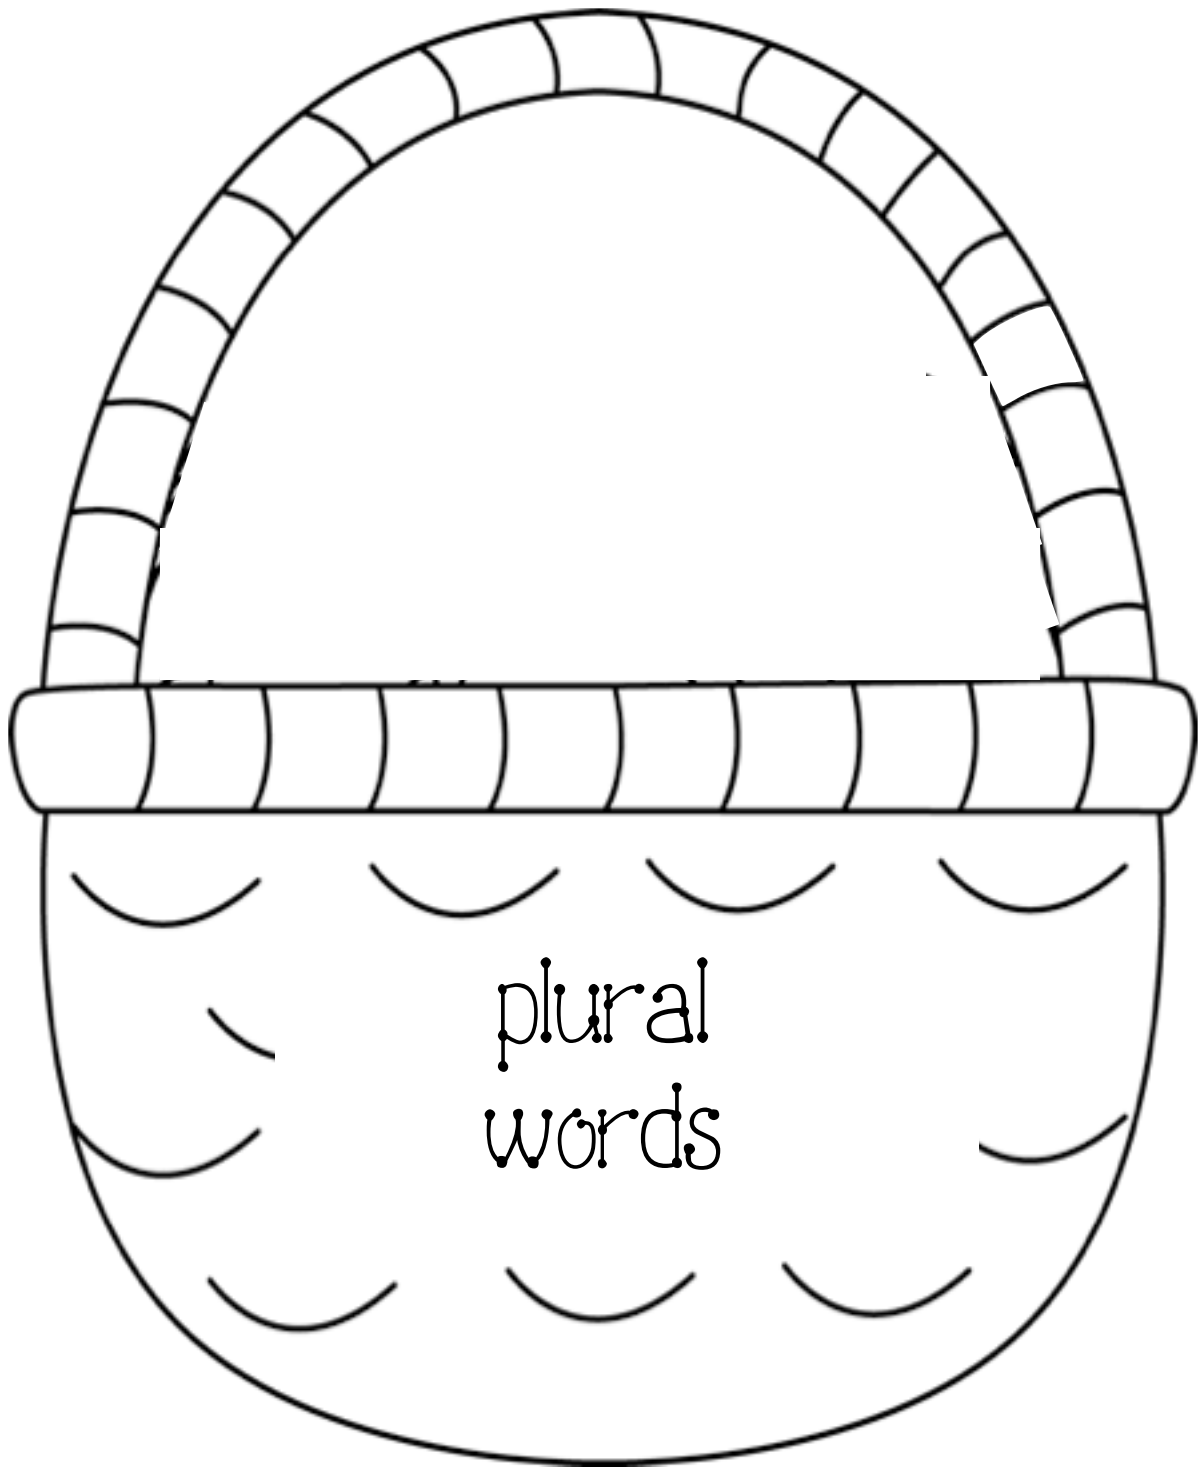

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

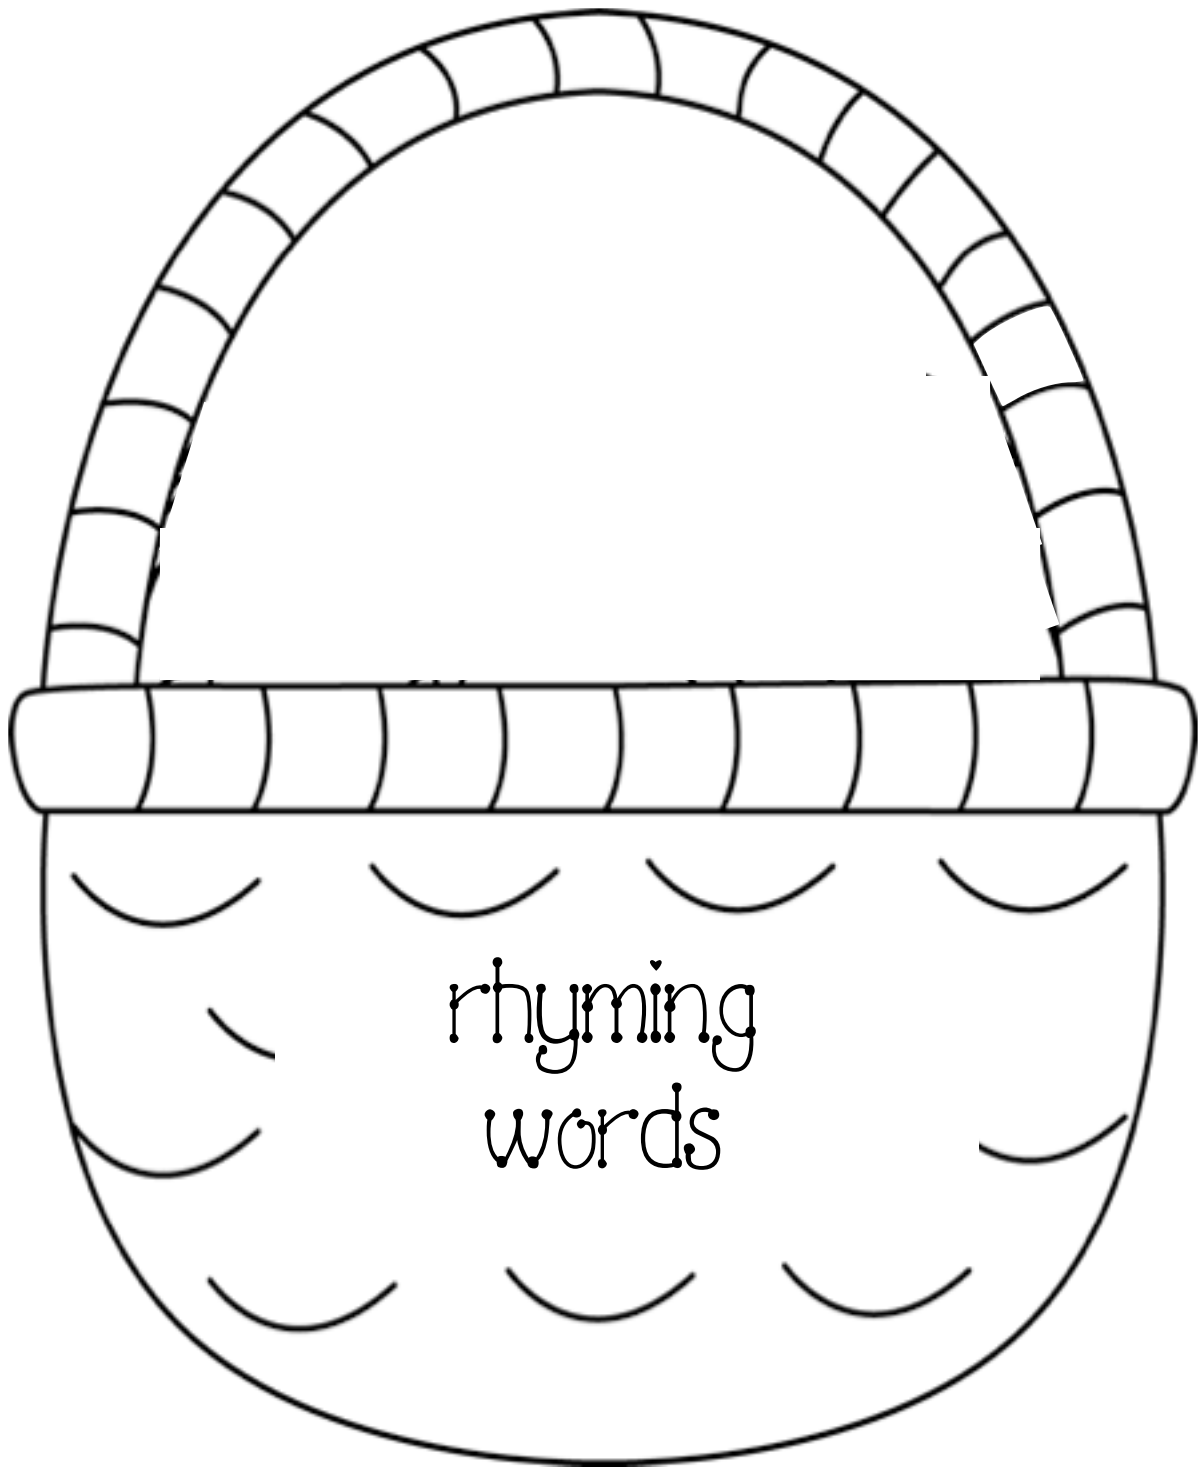

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

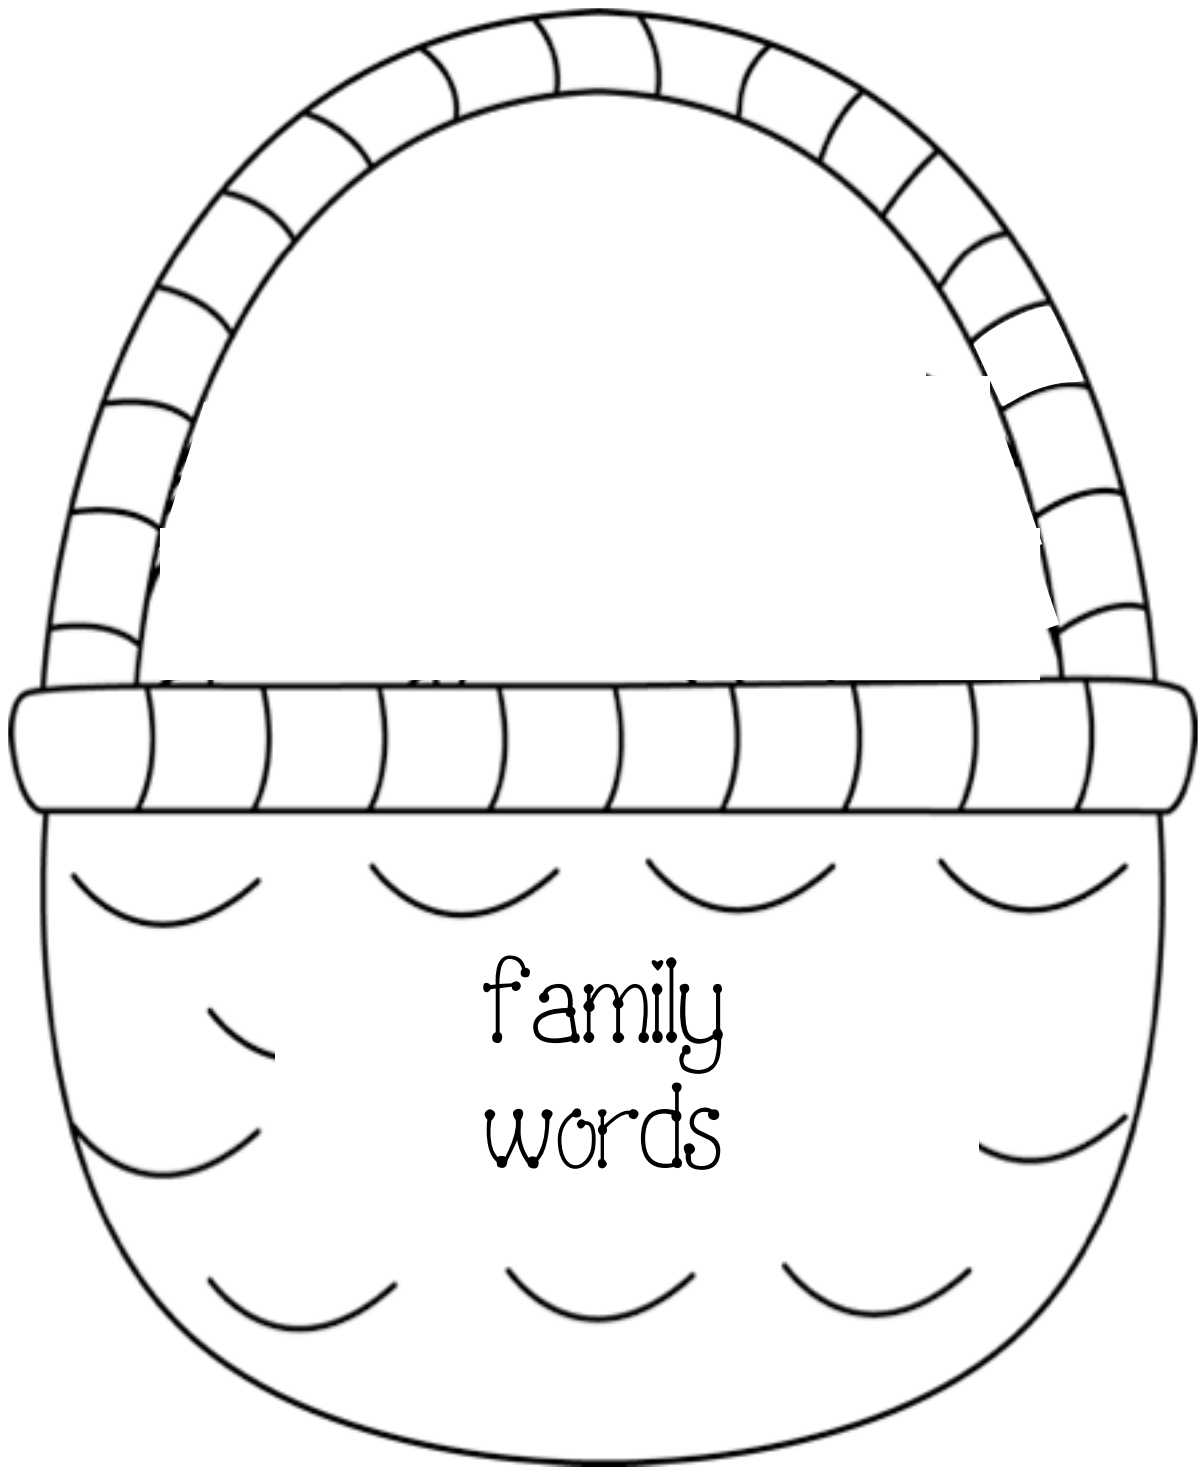

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

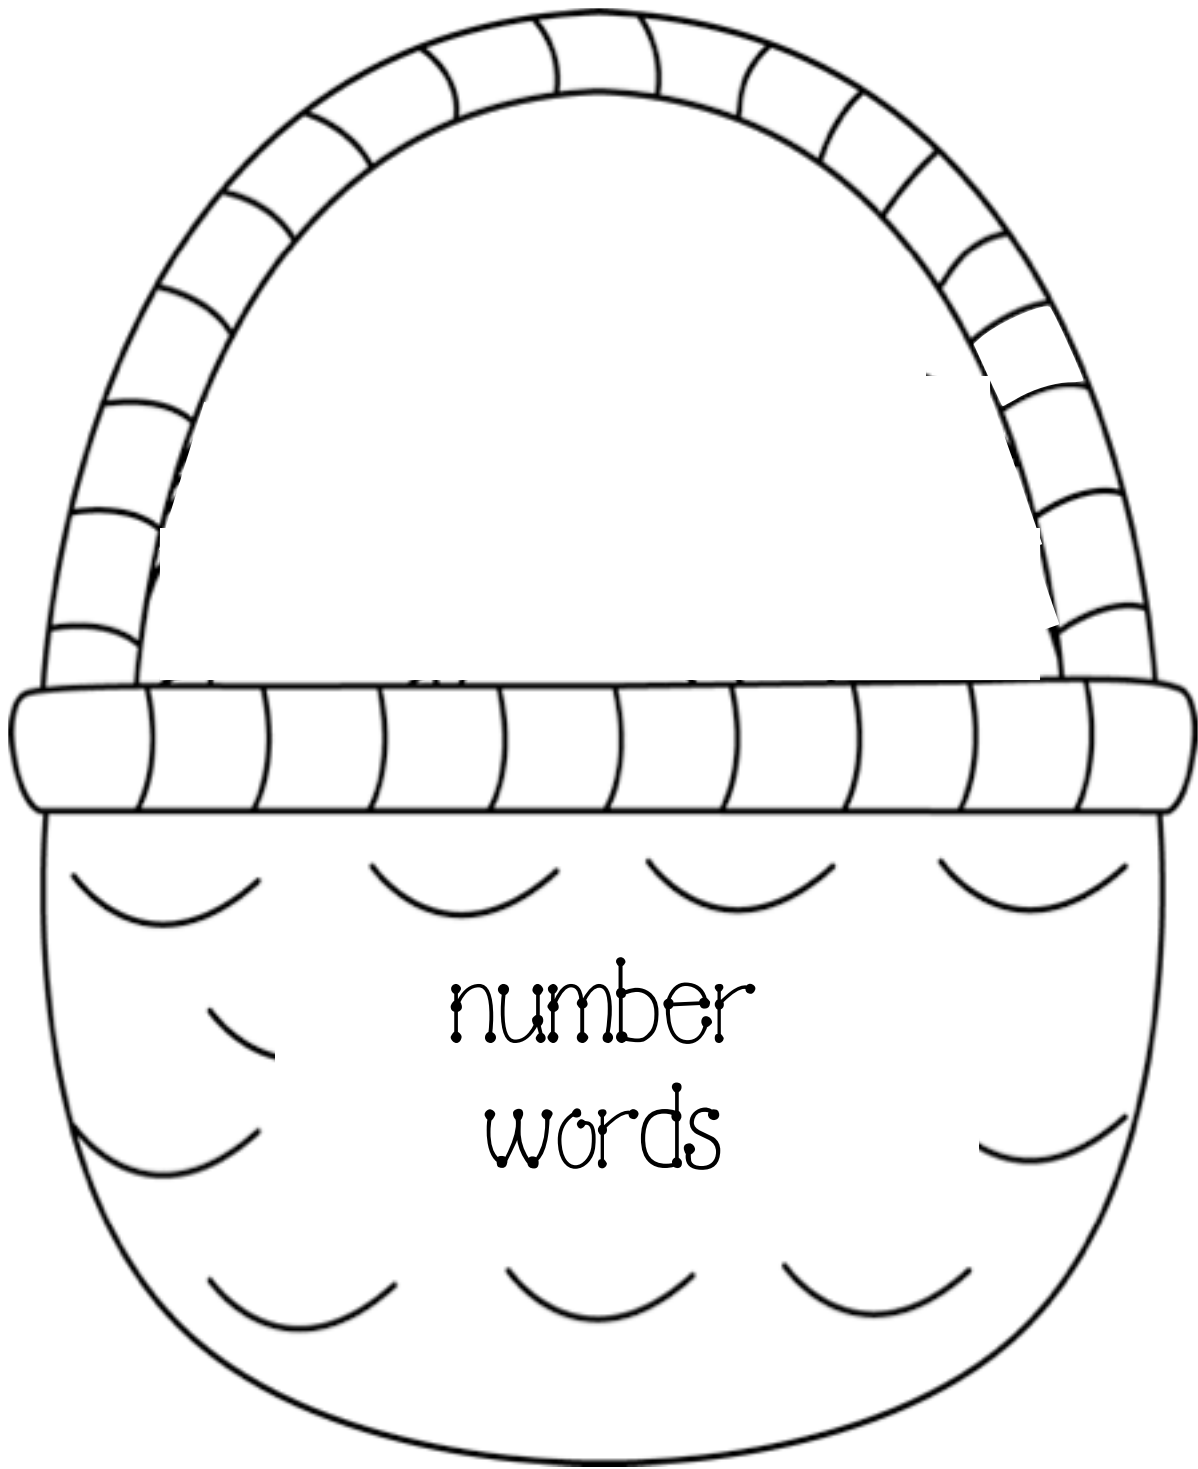

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

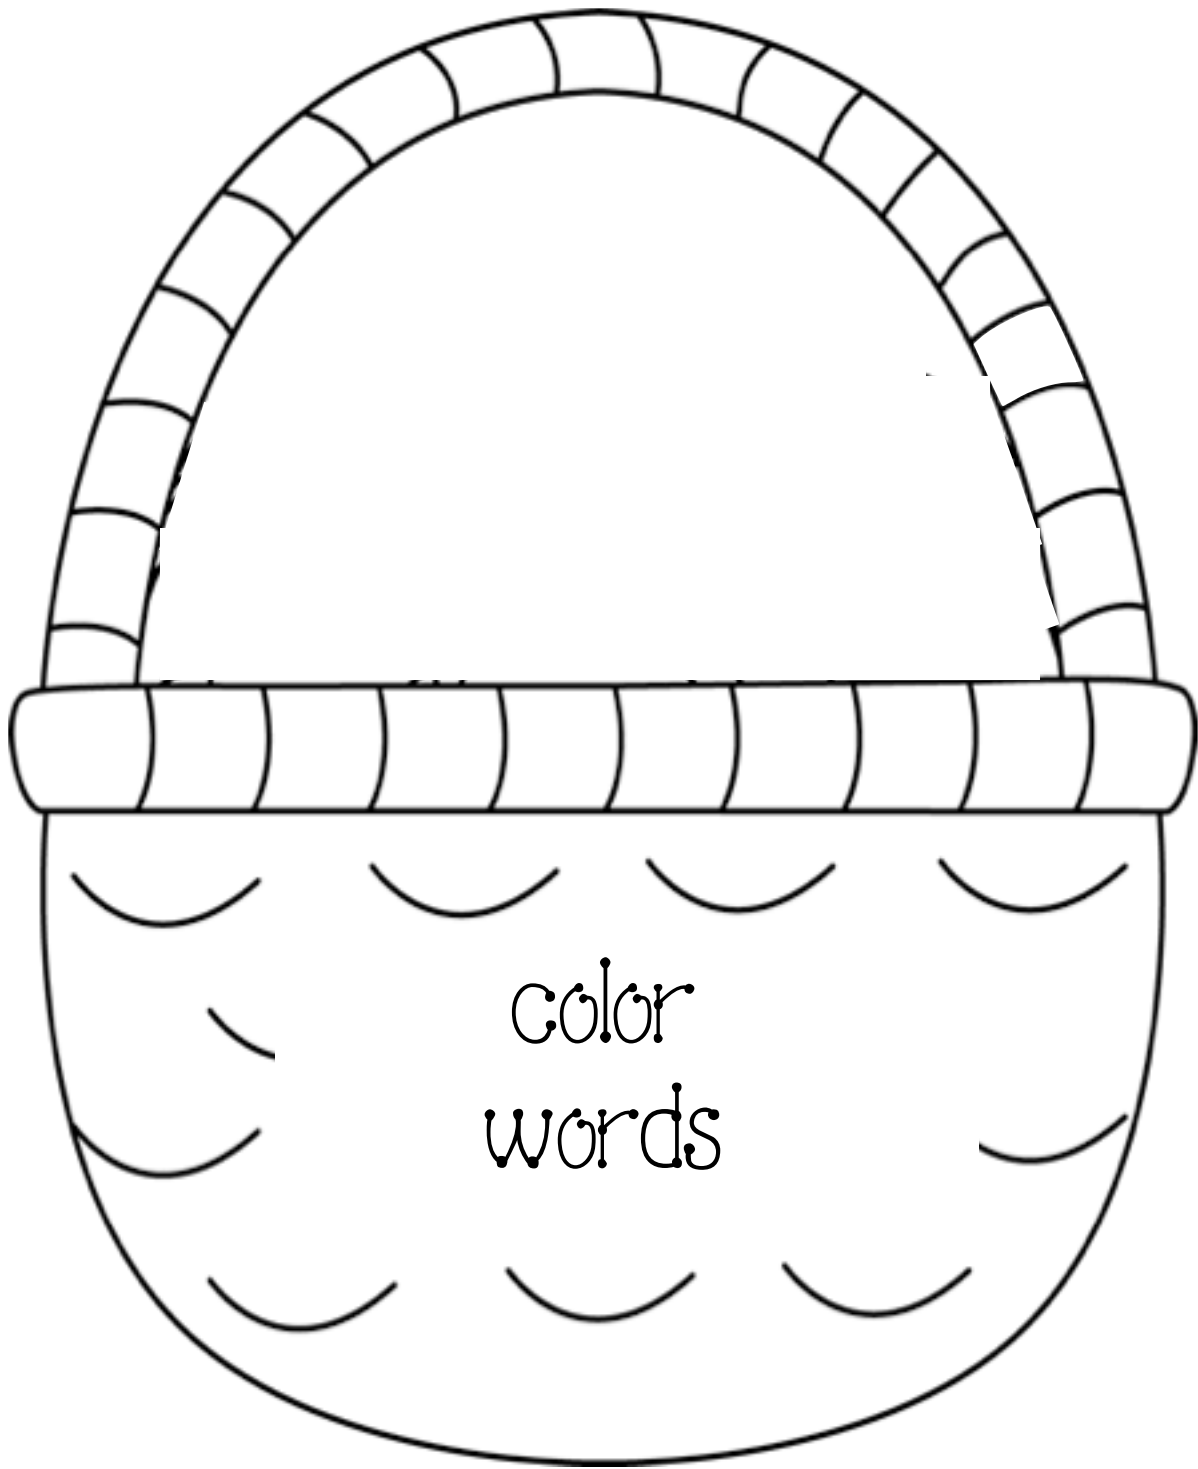

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

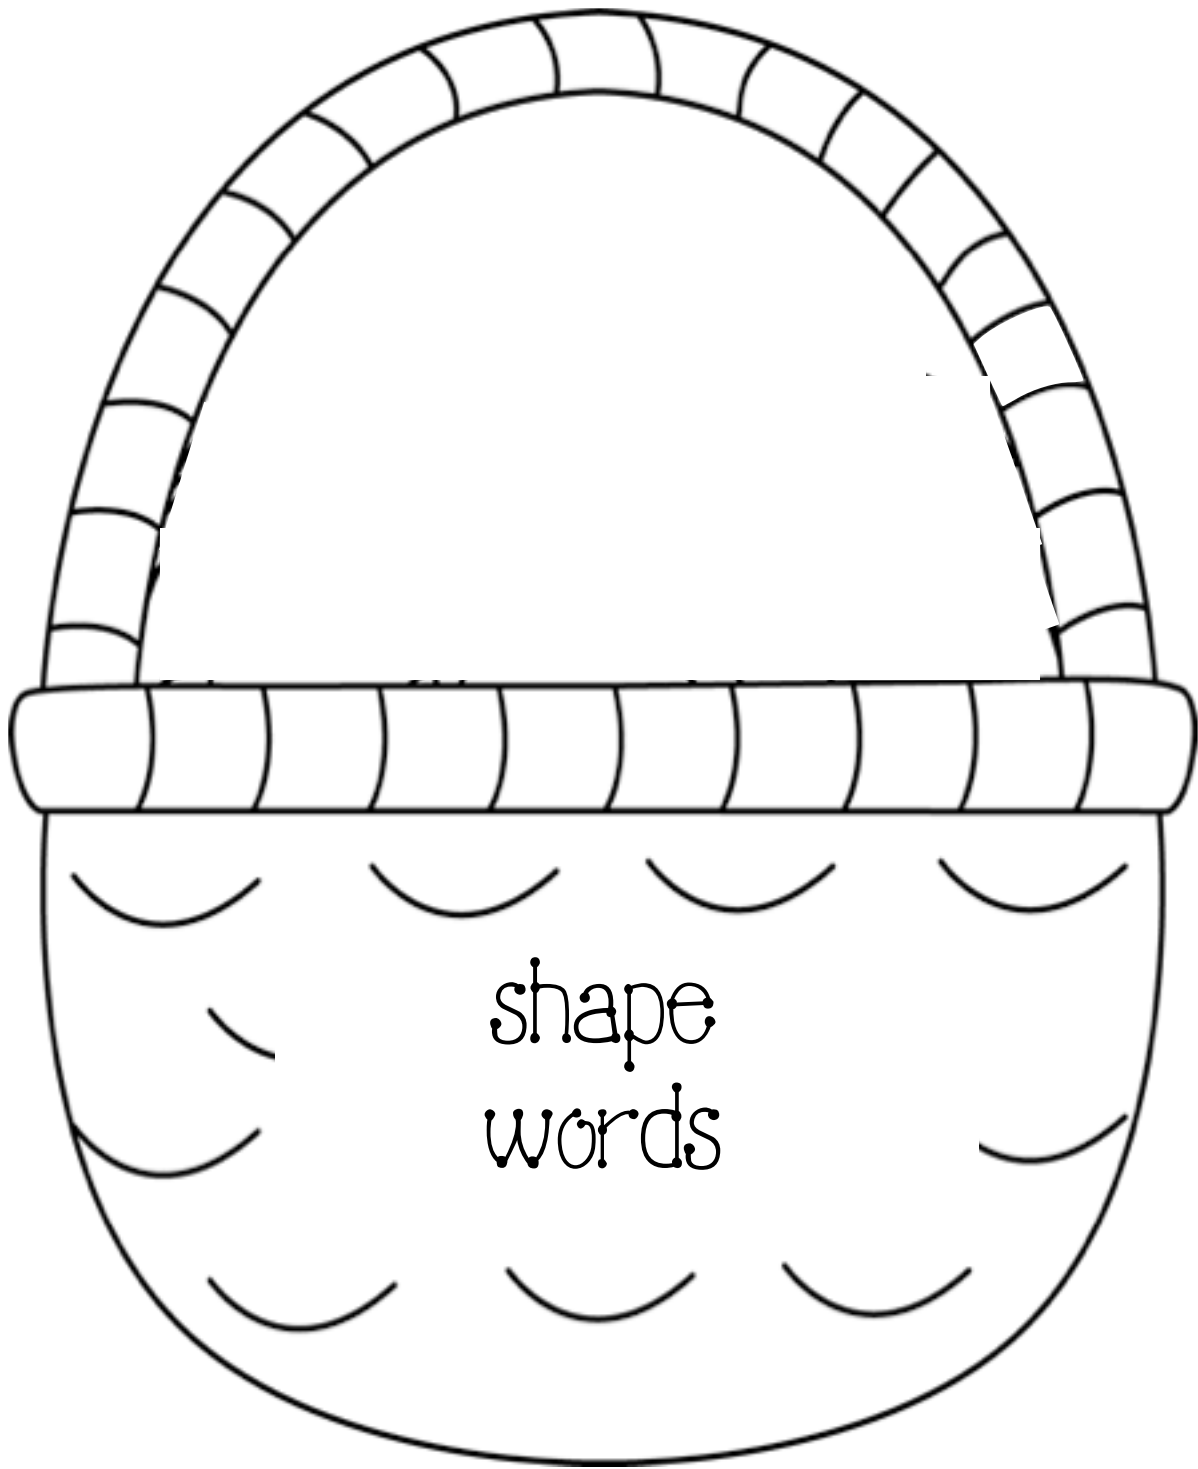

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

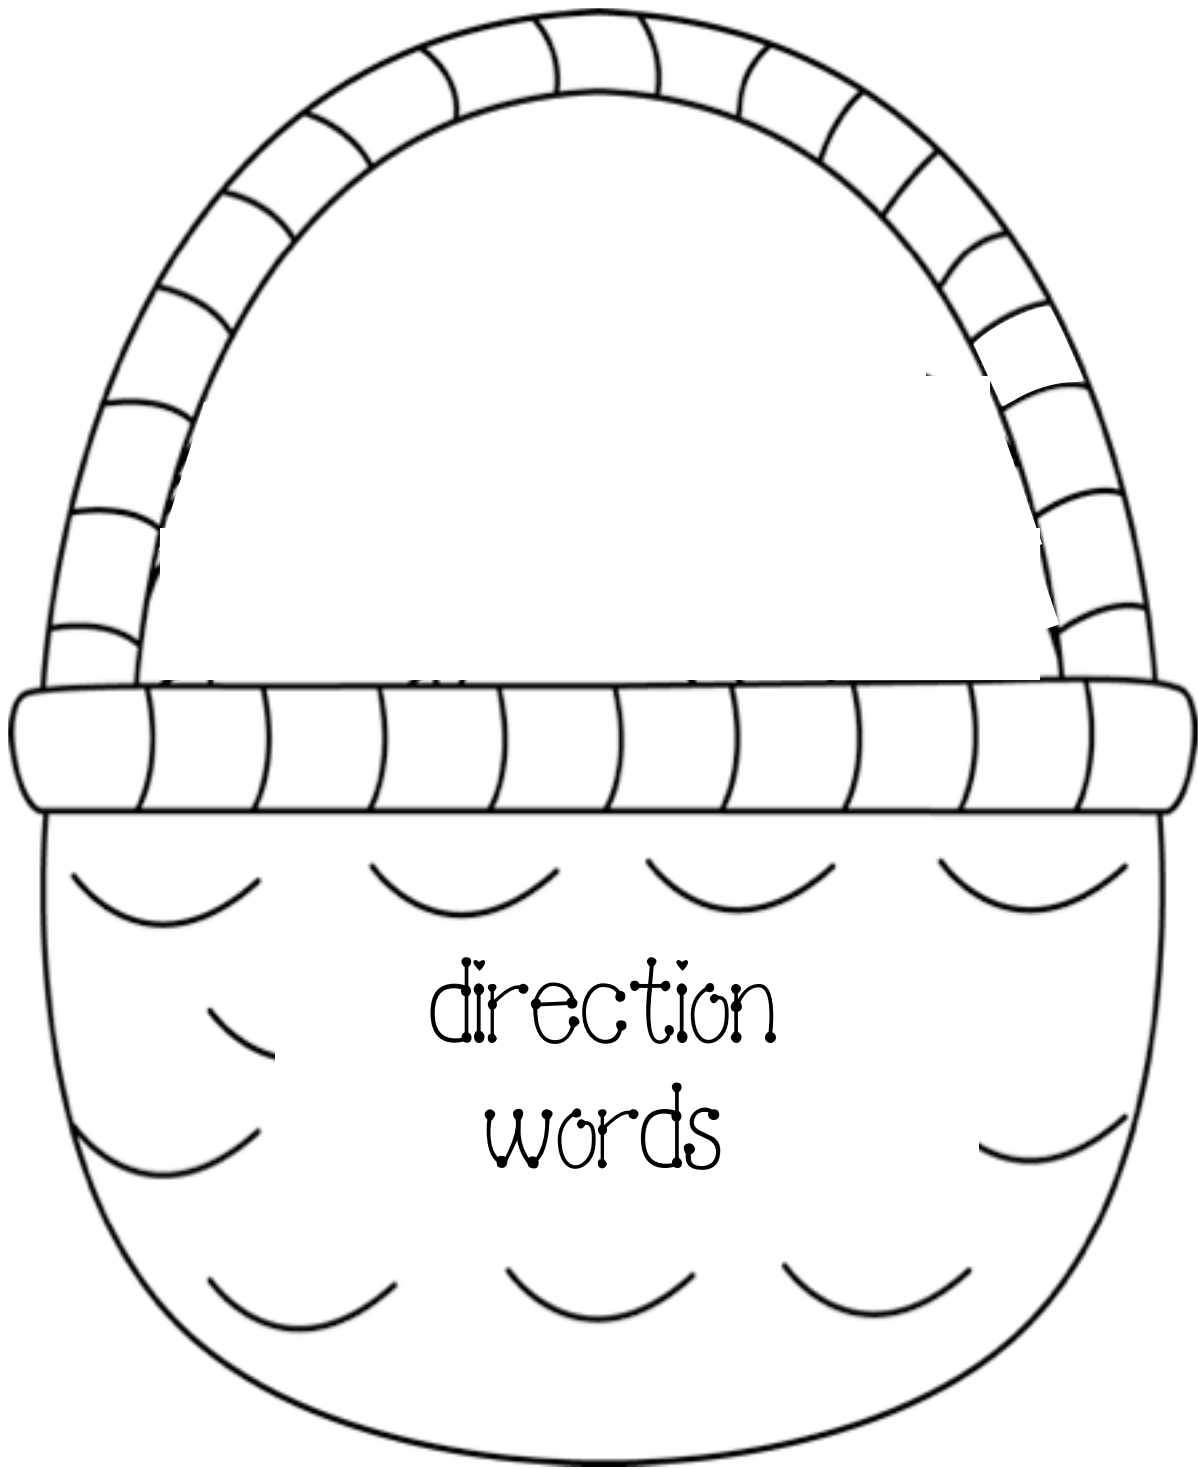

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

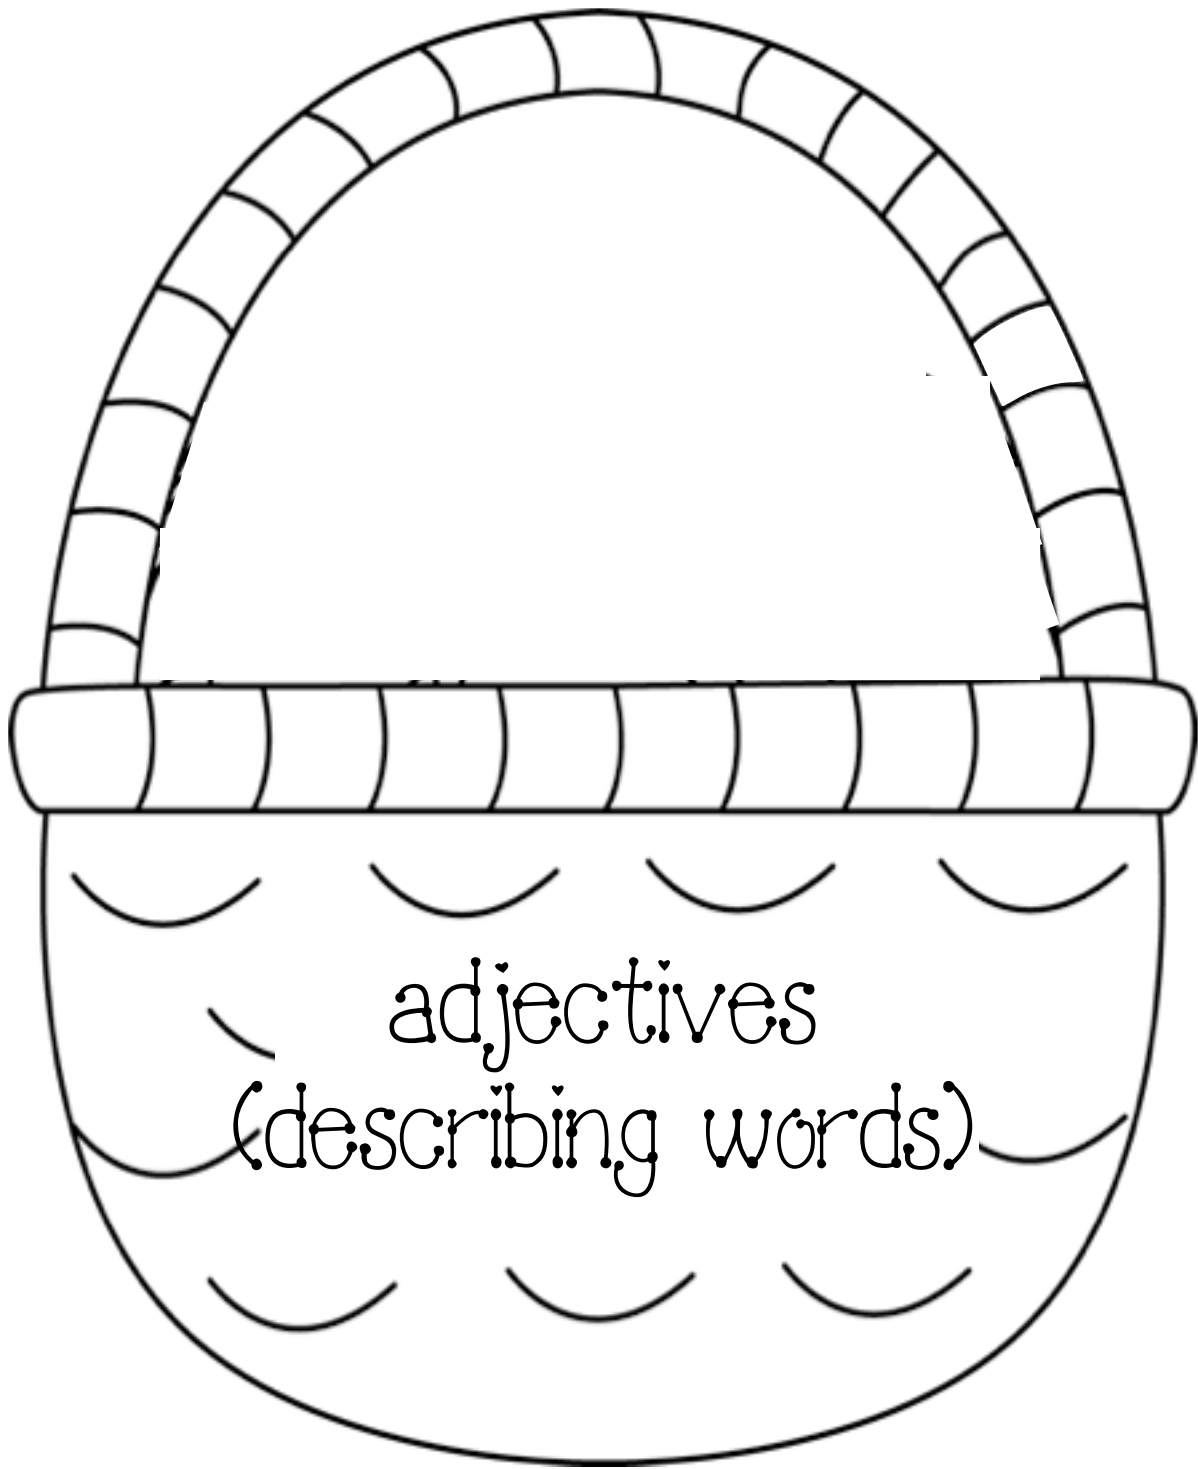

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

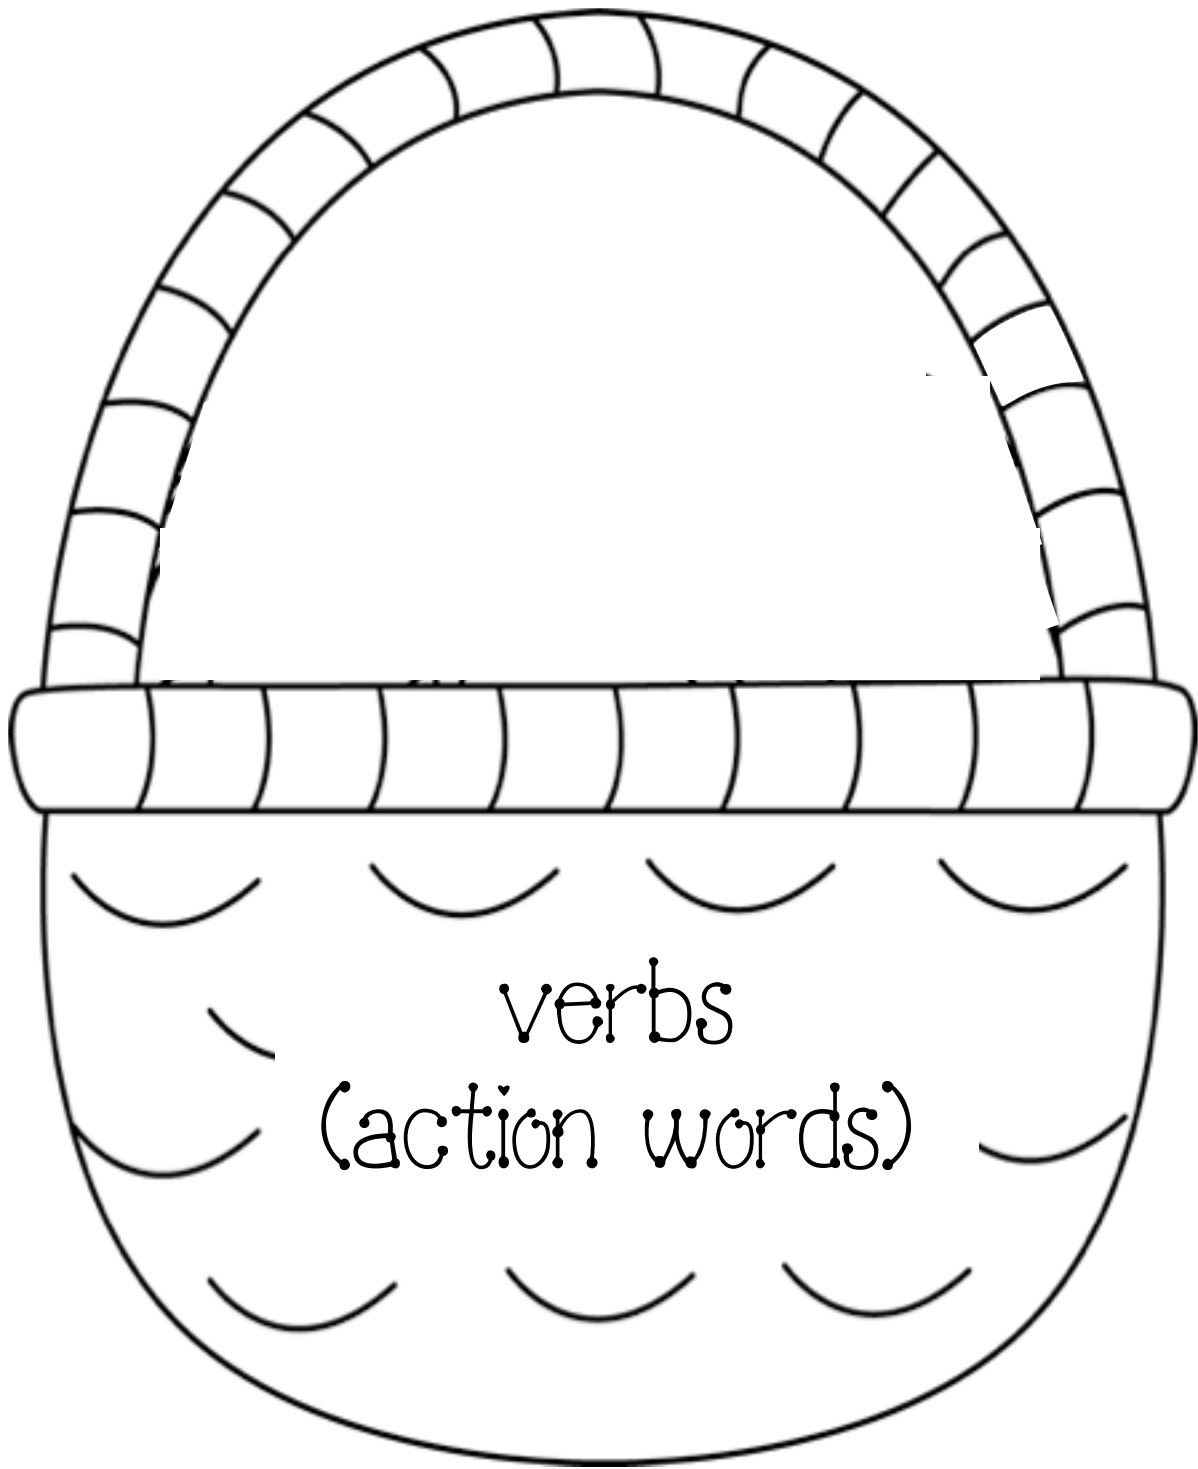

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

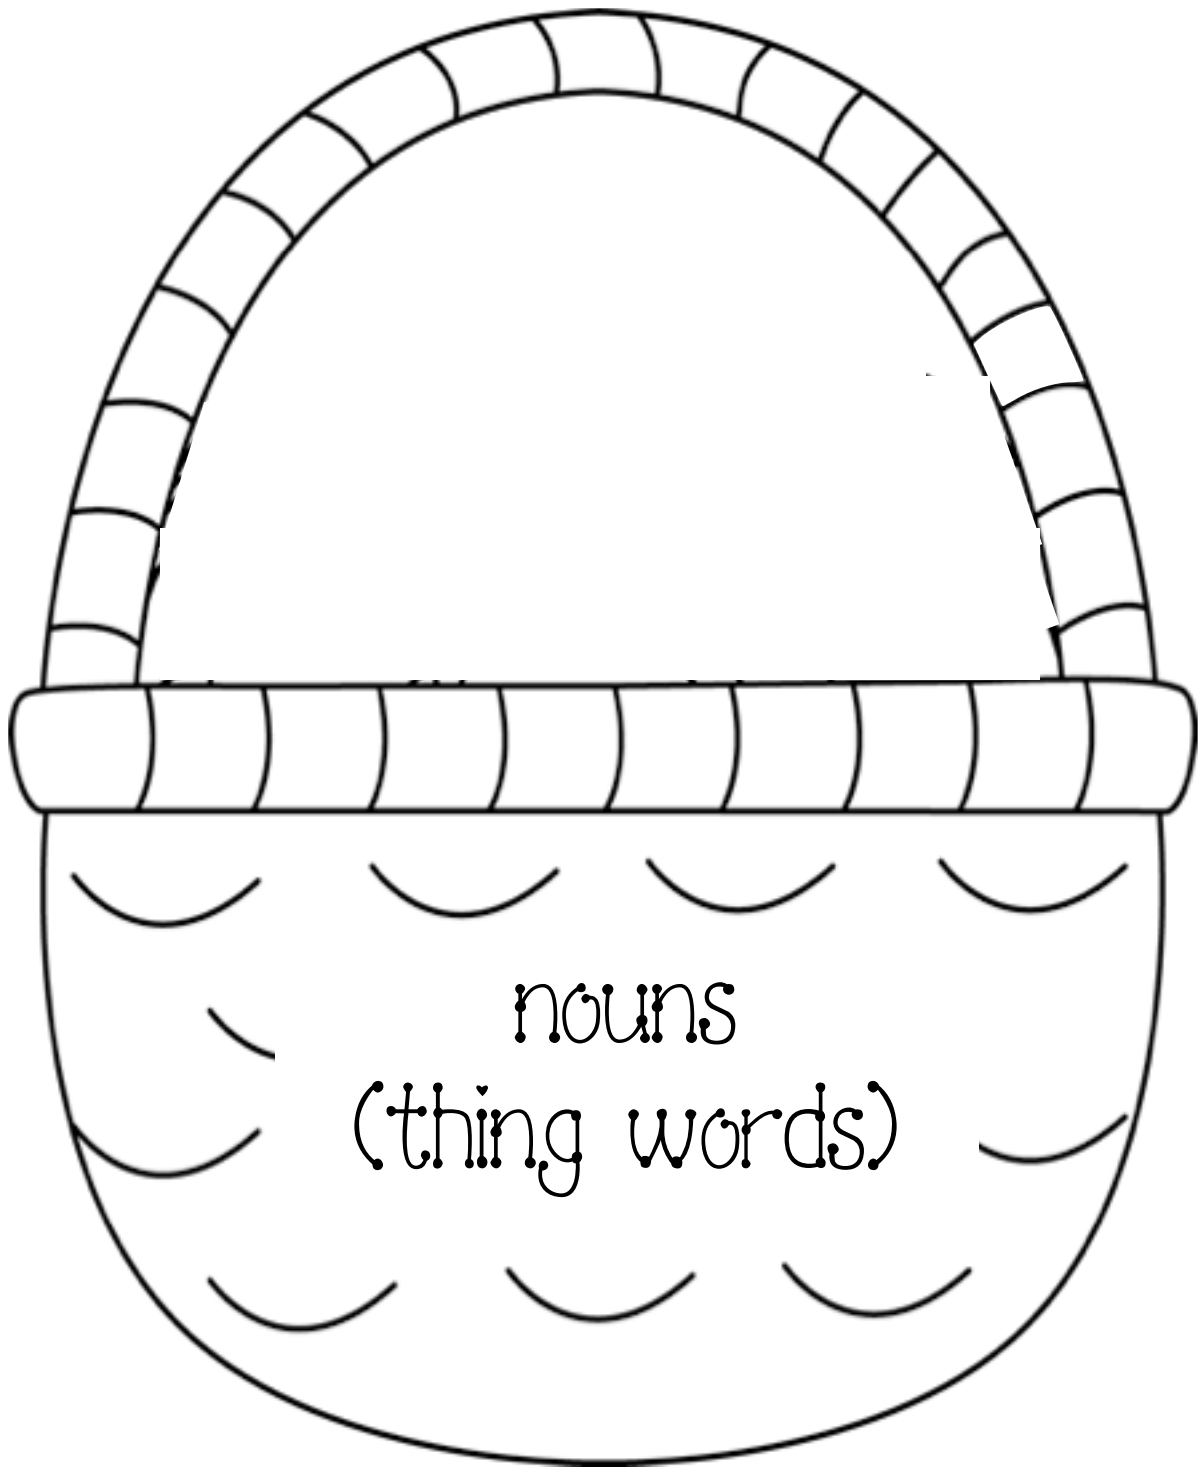

Students sort the long and short vowel sound cards by putting them in their matching baskets.

Run off the baskets on brown construction paper.  
Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.

Students sort the long and short vowel sound cards by putting them in their matching baskets.

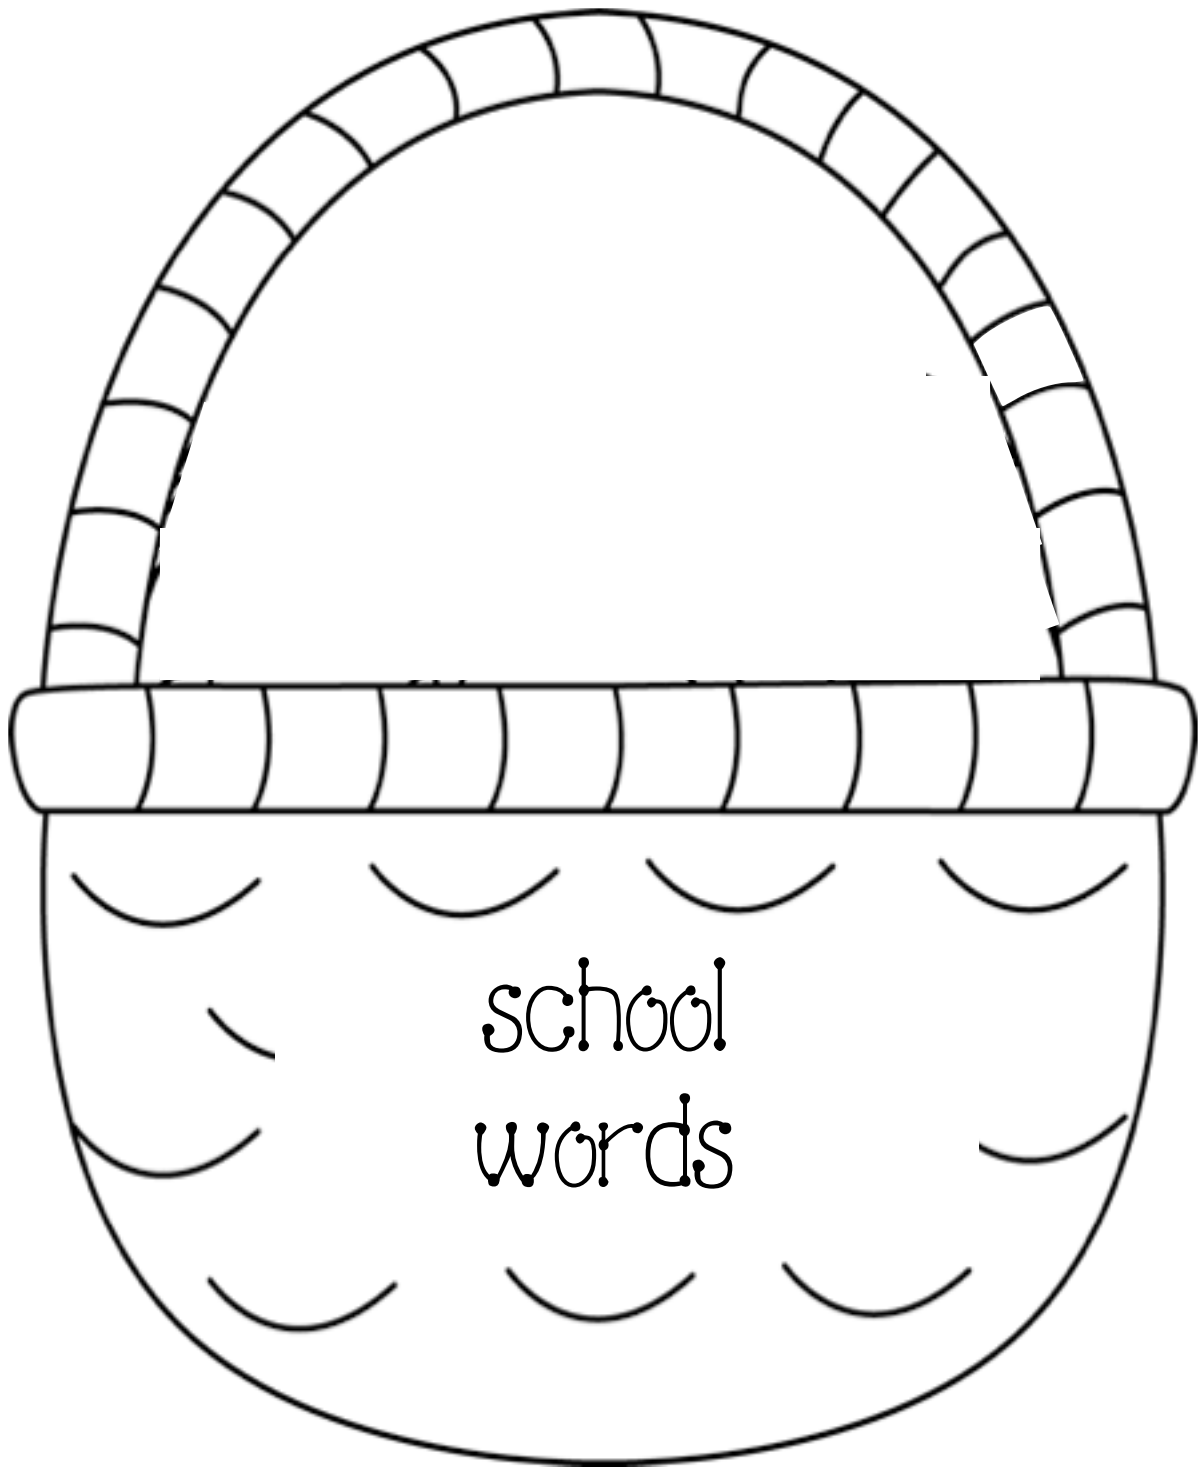

Run off the baskets on brown construction paper.

Laminate & cut out.

Fold a piece of scotch tape over the inside rim of the basket  
and fasten it to the rim of a large cup.
