

The spin wheel is a large circle with a white background and a black outline. In the center, the text "Winter Spin & Write" is written in a black, serif font. Below this, a large black snowflake is followed by the text "January & February" in the same serif font. The perimeter of the wheel is decorated with various winter-themed illustrations: a white dog holding a pink heart labeled "LOVE", a penguin, a child building a snowman, a child sitting in a snowdrift, a child with a blue balloon, a child on a sled with two others, a child on a red inflatable ring, a child in winter gear, a child holding a banner that says "M.L.K.", a polar bear, a child sitting on a red chair holding a green cup, a child on a sled, two red hearts, a gift bag with a pink heart and the words "WITH LOVE", a portrait of Abraham Lincoln, and a portrait of Thomas Edison. The wheel is intended to be spun and used for writing exercises.
