TeachWithMe.com's **Apple Bytes** November 2011

Welcome to the tenth edition of **Apple Bytes**!

Apple Bytes is *TeachWithMe.com*'s monthly newsletter and teaching packet for subscription members only.

It's a "taste" of the themes for the month. A nice bonus in your mailbox filled with a little bit of this and that.

I design this especially for you, so please let me know what you'd like in the form of skill sheets, helpful forms, borders for stationery, themes, words for word cards etc. diane@teachwithme.com

This month's themes include:

- Thanksgiving
- Acorns
- Pilgrims
- Turkeys
- Scarecrows

Acorn Pomander:

Run off the acorn clipart (4 on a page) on brown construction paper. Students cut out their acorn and write their name on the back. Using a toothpick, poke a hole in the stem and string a piece of fish line or yarn through the hole. Have your students "paint" Elmer's white glue on the stem and top of the acorn.

Buy a bottle of mustard seeds at The Dollar Store (birdseed will also work). Have students sprinkle the seeds on the glue. Let dry. Using the same process, have students "paint" the bottom of their acorn. Buy a bottle of cinnamon at The Dollar Store. Students sprinkle the cinnamon on the wet area. Set aside to dry.

Hang back-to-back from the ceiling, or use them as a nice fall border on a bulletin board or wall. They make your entire room smell fantastic.

The Colors Of November is this month's booklet. I hope your students enjoy it. Have them color the acorns on the cover all of the different colors in the booklet. Children should trace and write the color words in the matching colors and then color the picture that color as well.

I've included color-word flashcards that can be made into an Itty Bitty Booklet. Students should color the turkeys to match the color words. These go nicely with the above booklet. I've also included a graphing extension.

You can make Memory Match games out of the turkey counting cards, or like the above, make Itty Bitty Counting books.

I've included a blank "What's Missing?" turkey sheet as well as blank acorn sheets for you to fill in names, word wall, seasonal vocabulary, or spelling words. You could also write in math equations and the answers and have students match them.

Besides the standard skill sheets, I've dreamed up a few new ones.

I hope you have a blessed November and a very Happy Thanksgiving!

Diane Henderson ☺

A colorful illustration of a Pilgrim man and woman. The man, on the left, wears a black hat with a gold buckle, a black tunic with a white collar, and grey pants. The woman, on the right, wears a white bonnet, a black collar, a grey bodice, and a black skirt. They are both smiling and holding a large, roasted turkey on a white platter. The background is a bright blue square.
