Dot Card Directions:

- Make several class sets for yourself on cardstock using sticker dots and laminate them.
- Run off copies for your students and have them make a booklet.
- Put sample pages on the board of whether you want them to COLOR the dots in, use a BINGO DOT marker, or put STICKERS on the empty dots.
- Have them CUT their pages apart, put them in the proper sequence and then staple their booklet.
- There are 2 sample cards for the number 8.
- There is a cover for the booklet on the last page.
