Dear Families,
It is March's Reading Month and I'd like to challenge students to read every night.

When they complete a book, would you please help them write the title on their hat "tower."

Please include how many pages are in that book.

Encourage your child to color every other strip red, so that their hat looks like the cat's hat, and is an ABAB pattern.

Please have them cut out and glue their strips to the top of the cat and return it to school on: _____

We will be sharing and displaying our accomplishments on that day.

Thanks in advance for your cooperation.
